## Sara Wolf

**Star Bringer** Tracy Wolff, Nina Croft, 2023-07-11 Firefly meets The Breakfast Club in this snarky, new adult romance. The sun is dying...and it's happening way too damn fast. With the clock ticking, the Nine Planets' only hope of survival rests on a fancy space station and the alien artifact it's carrying. Which is why it really sucks when some jackass doesn't want the universe saved and blows that station up—while you're still on it. So if your only choices are flaming death or stealing a flying hunk of space junk—you pick that busted-ass spaceship. Even if it leaves seven strangers with deadly secrets trapped together: a princess, a prisoner, a con artist, a warrior, a priestess, a mercenary, and an asshole in charge of us all. Now every faction in the galaxy is hunting this ship—from the Sisterhood to the Corporation, and the rebellion's joining in on the fun, too. We just need to stop drinking, fighting, and screwing long enough to evade them all and save the freaking universe...somehow. Because apparently the only thing standing between a dying sun and ultimate salvation is seven unlikely misfits...ahem, heroes.

**Crush** Tracy Wolff, 2020-09-29 The instant #1 New York Times Bestselling Series Everything feels off—especially me. I've returned to Katmere Academy, but I'm haunted by fragments of days I have no recollection of living and struggling to understand who, or what, I really am. Just when I start to feel safe again, Hudson is back with a vengeance. He insists there are secrets I don't know about, threatening to drive a wedge between Jaxon and me forever. But far worse enemies are at our doorstep. The Circle is caught in a power play, and the Vampire Court is trying to drag me out of my world and into theirs. The only thing Hudson and Jaxon agree on is that leaving Katmere would mean my certain death. And not only am I fighting for my life, but now everyone else's is at stake—unless we can defeat an unspeakable evil. All I know is that saving the people I love is going to require sacrifice. Maybe more than I'm able to give. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish

**Five Broken Blades** Mai Corland, 2024-05-07 The instant New York Times bestseller It's the season for treason... The king of Yusan must die. The five most dangerous liars in the land have been mysteriously summoned to work together for a single objective: to kill the God King Joon. He has it coming. Under his merciless immortal hand, the nobles flourish, while the poor and innocent are imprisoned, ruined...or sold. And now each of the five blades will come for him. Each has tasted bitterness—from the hired hitman seeking atonement, a lovely assassin who seeks freedom, or even the prince banished for

his cruel crimes. None can resist the sweet, icy lure of vengeance. They can agree on murder. They can agree on treachery. But for these five killers—each versed in deception, lies, and betrayal—it's not enough to forge an alliance. To survive, they'll have to find a way to trust each other...but only one can take the crown. Let the best liar win.

**Insurrection** Nina Croft,2021-10-18 Malpheas is one of the most powerful demons from Earth, but when he wakes up from cryo on the other side of the galaxy, he notices something is wrong—he's human. Oh, hell no. In order to get his powers back, he must remove the sigil on his arm by carrying out three good deeds. But acts of kindness aren't exactly his strong suit. Working undercover as a security officer investigating a suspicious death, he's assigned to work with Hope, the most softhearted woman he's ever met. If she can't teach him how to be good, no one can. Hope is in a pot of trouble, and if anyone finds out what she did, that pot would quickly boil over. She just needs to lay low until she can figure out a way to fix this mess. But when she's ordered to show Mal the ropes and introduce him to everyone, sorting out her problems becomes impossible. Mal is sexy as sin, broody as hell, and believes she can help him change his bad-boy ways. If that'll keep him from discovering her ties to the rebellion, then fine. She'll teach him how to be a perfect angel. As they work together, though, it becomes clear that Hope isn't the only one with a hidden agenda, and their irresistible attraction to each other just adds fuel to the fire. When secrets are exposed, they must make the impossible choice between doing what's right... and doing what's necessary. Light meets dark, good meets evil...and love can hurt like Hell. Each book in the Dark Desires Origins series is STANDALONE: \* Malfunction \* Deception \* Insurrection

**Malfunction** Nina Croft,2020-01-20 Investigator Sgt. Logan Farrell has never been convinced the human race deserves saving. But it looks like he's got the job anyway. It's been five hundred years since humans fled the remnants of a dying Earth in search of a new home. Twenty-four ships, each carrying ten thousand Chosen Ones. All sleeping peacefully...until people start dying in cryo. Malfunction or murder? Hopefully, the former—a serial killer in the fleet would be drastic for morale. But Logan is determined to find the truth. Unfortunately, he's got a new partner—and he works best alone. Katia Mendoza, hot-shot homicide detective, has been woken from cryo to assist with the investigation. But is she really interested in solving the case, or does she have her own agenda? Before he can answer that question, they become targets themselves. Nothing like a few near misses with death to bring a couple together, and Logan finds himself falling for the alluring detective. But he doesn't know that Katia is hiding a secret. It's not only humans who fled the dying Earth. Each book in the Dark Desires Origins series is BEST ENJOYED IN ORDER: Book 1: Malfunction Book 2: Deception Book 3: Insurrection

He only knows that he's a monster, with wings and powerful abilities never seen before. But beneath the layers of rage and isolation, one glimpse into those inky black eyes reveals a soul that calls out to the loneliness in Harrow. And so she chooses him. She is drawn to the mystery of him, her unquenchable need for his kiss. And as powerful enemies align and conspire against them, Harrow knows their only hope is escape. Now, the commanding general—also known as her tough-as-talons mother—has ordered Violet to join the hundreds of candidates striving to become the elite of Navarre: dragon riders. But when you're smaller than everyone else and your body is brittle, death is only a heartbeat away...because dragons don't bond to "fragile" humans. They incinerate them. Drive Me Crazy Tracy Wolff, 2014-02-24 Former rivals Quinn Bradford and Elise McKinney are not friends, at least not anymore. In the past all they cared about was psyching each other out before concerts...until everything changed. But when

Quinn—now the keyboardist for Shaken Dirty, the hottest rock band on the scene—returns to his hometown and hears about the car accident that shattered Elise's career, he's determined to make things right. Elise makes it perfectly clear she wants nothing to do with an arrogant rock star, despite how bad she so clearly wants him. So Quinn hatches a plan that'll keep the stubborn world class pianist under his care...and maybe in his bed. One week together in his house, no chance of escape. This astonishes. —Publishers Weekly, starred review Heavenbreaker is a singular and never-seen-before story that's addictive, deeply emotional and powerful. Ten out of ten. —The Nerd Daily Bravery isn't what you do. It's what you endure. The duke of the powerful House Hauteclare is the first to die. With my dagger in his back. He didn't see it coming. Didn't anticipate the bastard daughter who was supposed to die with her mother—on his order. He should have left us with the rest of the Station's starving, commoner rubbish. Now there's nothing left. Just icy-white rage and a need to make House Hauteclare pay. Every damn one of them. Even if it means riding Heavenbreaker—one of the few enormous machines left over from the War—and jousting against the fiercest nobles in the system. Each win means another one of my enemies dies. And here, in the cold terror of space, the machine and I move as one, intent on destroying each adversary—even if it's someone I care about. Even if it's someone I'm falling for. Only I'm not alone. Not anymore. Because there's something in the machine with me. Something horrifying. Something...more. And it won't be stopped.

**Sweet Nightmare** Tracy Wolff, 2024-05-07 The instant New York Times bestseller This beguiling series opener...checks all the boxes for romantasy veterans. — Publishers Weekly The scariest school on earth Is about to experience real fear... Most

schools are about being the best. This school? It's about being the worst. Calder Academy is where the rogue paranormals go. The ones who break the rules or lose control. And when that happens for vamps, werewolves, witches, and dark fae? It gets pretty freaking scary. I should know. Because I'm trapped here. Look, every seventeen-year-old girl thinks their mom is a tyrant. But mine just happens to run Calder Academy, which paints a giant target on my back. The way I make it through these dark halls is by steering clear of the things—and kids—who go bump in the night. Especially Jude Abernathy-Lee. But when a freak storm hits our isolated island, I'm stuck without a backup plan. The power is gone. The lights are out. And our worst nightmares are suddenly real—and out for blood. Now the only way to survive is to align myself with one evil to avoid the other. And the only thing worse than the idea of getting close to Jude? Secretly loving every minute of it. **Back in the Burbs** Avery Flynn,Tracy Wolff,2021-03-30 Two powerhouse authors bring you a hilarious tale of one woman's journey to find herself again. Ever have one of those days where life just plain sucks? Welcome to my last three months—ever since I caught my can't-be-soon-enough ex-husband cheating with his paralegal. I'm thirty-five years old, and I've lost my NYC apartment, my job, my money, and frankly, my dignity. But the final heartache in the suck sandwich of my life? My great-aunt Maggie died. The only family member who's ever gotten me. Even after death, though, she's helping me get back up. She's willed me the keys to a house in the burbs, of all places, and dared me to grab life by the family jewels. Well, I've got the vise grips already in hand (my ex should take note) and I'm ready to fight for my life again. Too bad that bravado only lasts as long as it takes to drive into Huckleberry Hills. And see the house. There are forty-seven separate HOA violations, and I feel them all in my bones. Honestly, I'm surprised no one's "accidentally" torched the house yet. I want to, and I've only been standing in front of it for five minutes. But then my hot, grumpy neighbor tells me to mow the lawn first and I'm just...done. Done with men too sexy for their own good and done with anyone telling me what to do. First rule of surviving the burbs? There is nothing that YouTube and a glass of wine can't conquer.
