Christmas With the Presidents Mike Henry, 2017-11-20 Everyone celebrates the Christmas holidays in their own way, and that includes the President of the United States. Some have enjoyed large gatherings, while others took part in a quiet, relaxing atmosphere. This book takes a look at each of the country's leaders approach to the year's biggest holiday season, and some of the traditions they started.

A Christmas Tree in the White House Gary Hines, 2001-10-15 When President Theodore Roosevelt announces that there will be no White House Christmas tree because cutting down trees is against his conservation efforts, his youngest sons, Quentin and Archie, are deeply disappointed. They can't imagine Christmas without a tree. The two determined boys enlist the help of their aunt and sneak a small tree into their bedroom. When the president finds out, he takes the boys to see the chief forester in hopes of teaching them a lesson. But the chief forester says cutting down smaller trees will help the taller ones grow. Isn't that bully! says the president, and the boys shout, Hooray for the tree! Gary Hines and Alexandra Wallner bring this story, based on actual events, to life in a light-hearted text matched with bright, cheerful art. Young readers will enjoy this humorous episode in history and relish the children's victory over their father. At the end of the book, there is a photograph of the Roosevelt family and an author's note on Roosevelt, his children, and the real Christmas tree.

Benjamin Harrison Anne Chieko Moore, 2006 Benjamin Harrison was an honest, intelligent, hardworking lawyer from Indiana who became the twenty-third President of the United States. During his term in office, he signed important legislation and provided leadership in negotiating foreign policy, striving to advance the United States toward becoming a world power. The book presents an up-to-date and cogent biography of this president who is now considered one of the better presidents of the late nineteenth century.

Prologue , 1996

Ronald Reagan United States. President (1981-1989 : Reagan), 1982

Lady in Red Sheila Tate, 2019-04-09 Lady in Red is the long-awaited collection of behind-the-scenes stories and iconic images of one of the most influential First Lady in modern history -- Nancy Reagan. Lovingly compiled by long-time close confidante and aide, Sheila Tate, the book provides a rare and much-anticipated look into the personal life of the president's wife, from her daily routines and travels as First Lady to her friendships and deep influence in the Reagan White House. Lady

in *Red* depicts a nuanced portrait of this graceful yet strong woman who felt it was her mission to restore a sense of grandeur, mystique, and excitement to the presidency, showcasing the various roles that Mrs. Reagan played during her years in the White House, that of Wife, Mother, Protector, Host, Diplomat, and Advisor, among others. The book also features twenty-four pages of gorgeous color photographs, including Nancy's Album, a collection of Mrs. Reagan's favorite photographs, which she entrusted to Sheila to share with the world after she and her beloved Ronnie had passed. To complete the portrait, *Lady in Red* includes interviews with the friends and politicians who knew Mrs. Reagan best: President George H. W. Bush, Chris Wallace, James Baker, Ed Meese, Maureen Dowd, and Marlin Fitzwater share their most cherished memories of the First Lady.

White House Inc. Dan Alexander, 2020-09-22 An in-depth investigation into Donald Trump's business—and how he used America's top job to service it. *White House, Inc.* is a newsmaking exposé that details President Trump's efforts to make money off of politics, taking us inside his exclusive clubs, luxury hotels, overseas partnerships, commercial properties, and personal mansions. Alexander tracks hundreds of millions of dollars flowing freely between big businesses and President Trump. He explains, in plain language, how Trump tried to translate power into profit, from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the presidency into a business doesn't necessarily mean you turn it into a good business. After Trump won the White House, profits plunged at certain properties, like the Doral golf resort in Miami. But the presidency also opened up new opportunities. Trump's commercial and residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone, anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president's disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who came with their own conflict-ridden portfolios. Following the president's lead, they trampled barriers meant to separate their financial holdings from their government roles. *White House, Inc.* is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now.

Black House/ White House Charles Fletcher, 2013-03-28 This book is about the hundreds of emails that was received from The White House and President Barack Obama in the last of his first four year term in Office. As the First Black African American President as the occupant in the White house. President Obama has been ridicule by his critics beyond any racial insensitivity of any President in the history of that Office. The good thing about this book is that there are hundreds of web sites that the reader can click on to get in-depth details about the articles in question. The President has made it clear that

his Administration would have an open door policy and transparent for the people.. We stayed Connected to The White House.

Culture Jihad Todd Starnes,2019-09-10 The Left is bulldozing through American history. We the People are the only ones who can stop them. America is on the verge of another Civil War. Socialism is on the rise. Free Speech is under assault. People of Faith are facing persecution. Gun owners are in the crosshairs. Our public schools have been turned into indoctrination centers. A leftist mob made up of socialist politicians, academic elites, raging feminists, and effete Pajama Boys has partnered with Antifa, illegal aliens, and other radical groups to finish what President Obama started—a fundamental transformation of our nation. Can America be saved? Political columnist, commentator, author, and radio host Todd Starnes addresses this issue and more in Culture Jihad. He believes that if good-hearted patriots rise up together we can stop the jihad. It is possible to keep America great.

God Less America Todd Starnes,2014-05-06 Pay attention, people of faith. Dark clouds are gathering. The winds of intolerance are blowing. There's a great storm approaching. American Christians are facing uncertain times. Our nation's values are under assault. Religious liberty has been undermined. We live in a day when right is now wrong and wrong is now right. The vicious leftwing attack against the recent traditional marriage stance of Chick-fil-A should serve as a wakeup call to people of faith. It's not about a chicken sandwich. It's about religious liberty. It's about free speech. It's about the future of our nation. As a reporter covering the culture war for FOX News, Todd Starnes is on the front lines of these attacks against traditional values. In *God Less America*, he uses both recent news stories and compelling interviews with today's top conservative leaders to bring to light what is happening across our country. In his award-winning, satire-meets-serious writing style, he strikes an important blow in today's culture wars.
