So, of course, we did some for Mutant Crawl Classics! Instead of rolling up 10 0-levels before the game, you can now save time by using these scratch-off character sheets! Yes, scratch-off, just like the lotto. Each character sheet comes with a scratch-off box for each ability score and other key statistics. Before the game, you distribute them to your players. They use a coin to scratch off the appropriate boxes, then you let the mutant mayhem begin! Each pack comes with 10 randomized scratch-off character sheets and a set of alternative rules to implement them!
