**Manlio Simonetti, Thomas C. Oden**

*Matthew 14-28* Manlio Simonetti, Thomas C. Oden, 2014-02-19 The Gospel of Matthew stands out as a favorite biblical text among patristic commentators, including Origen, Hilary of Poitiers, Jerome, Theodore of Heraclea, Cyril of Alexandria, John Chrysostom, Augustine, and more. In this ACCS volume, the rich abundance of patristic comment provides a feast of ancient interpretation of the First Gospel.

**The Vehement Jesus** David J. Neville, 2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that, at face value, challenge the conviction that the mission and message of Jesus were peaceful. Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom, the author makes the case that Gospel portrayals of the vehement Jesus are compatible with, perhaps even indispensable to, the composite canonical portrait of Jesus as the Messiah of Peace. As a result, this exploration in New Testament theology and ethics makes an invaluable contribution to the crucial conversation about the role of Jesus' life and teaching in Christian reflection on the morality of violence today.

*Ready or Not Here He Comes* Chad Pritchard, 2022-07-22 Why would I write about this subject when so many have already covered it? Because God has charged me to write it. You have not read my version with my research. There are Christians and nonbelievers that need to hear this message. This is one of my ways I hope to reach out to encourage and educate Christians and non-Christians alike on the return of Christ Jesus. According to research done by Mark Hitchcock, close to one-third of the Bible is prophetic (Mark Hitchcock, *The End*, 4). If you are studying or examining anything, you don't skip out on almost thirty-three percent of the material. This is why study of biblical prophetic signs is so important. With God focusing this much of His Word on this subject, I feel prophecy and its accompanying signs are a must study for Christians. So why believe and teach in a literal return of Jesus Christ? He promised to return for me and all the rest who truly believe in Him. The prophetic accuracy concerning Christ's first visitation to all of us was faultless. He is faithful; His name is Faithful and True. Besides these main points, the benefits of being part of God's kingdom now are enormous, but there are future benefits that far outweigh our earthly sufferings. Those benefits await true believers in Christ when He comes to collect His bride, The Church. If I do not meet you here on earth, I hope to meet you in Heaven.

**The Origins Of Belief** Rick Mungro, 2021-04-12 With so many questions concerning religion, we all have a yearning to

believe in something. After being in church for over thirty years, I had questions that pastors, overseers, and bishops could not answer. There are over sixty different denominations, with an estimated forty-five thousand churches in each, all carrying the same Bible and claiming the same Jesus, but each having different beliefs. After much research and world religious studies, I come to the conclusion that when we Americanize the Bible, it causes a lack of understanding in our belief, which causes us to mislead others. The only way to find truth was to visit the land. I walked and talked with religious leaders as we followed the footsteps of Jesus. We traveled the length and width of the land, leaving no stone unturned, while uncovering so many extraordinary truths. After my visit to Qumran and the Shrine of the Book in Jerusalem, 50 percent of my questions were answered. I say this with sincere humbleness and confidence, The Bible is a reliable source. It is a collection of historical documents written by eyewitnesses who were living during the time of other eyewitnesses. And its findings were divine rather than human in origin. Its prophetic message comes to pass, and its words can be proven by multidimensional prophetic interpretation. We sing songs about three wise men—was it really three? How many seeds are in the pomegranate, and what does it mean? Should we name our church Carmel? Find answers to these questions and more. As leaders, we can change the atmosphere we occupy when we understand its land, customs, and culture. It's very important to connect our belief to the Christian story, by digging deeper into the origin of belief.

The Sermons of Jesus the Messiah E. Keith Howick, 2003 The Life of Jesus the Messiah is a five-volume set that discusses the life of Jesus Christ topically. In volume 3, the sermons taught by Jesus are discussed. Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed. The volume's organization makes it an ideal resource for both students and instructors. The volume includes complete scriptural references to the King James Bible, footnotes, a complete index, and a scripture index allowing readers to quickly find relevant commentary.

With a unique layout designed to help you comprehend the form and flow of each passage, the ZECNT unpacks: The key message. The author's original translation. An exegetical outline. Verse-by-verse commentary. Theology in application. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will benefit from the depth, format, and scholarship of these volumes.

*Only His Sheep Will Raise Their Heads* Nelda Larson; Janette Trost, 2008-01-02 The motive of our ministry is to teach people an overview of the whole Bible in a way that they will never forget it. In the book, "Only His Sheep Will Raise Their Heads", we examine prophecies of the End Times and give an overview of the Bible in regards to the church age that we are a part of today. the rapture of the church and the ultimate return of the Lord. "From the fig tree, learn its lesson: as soon as its young shoots become soft and tender and it puts out its leaves, you know of a surety that summer is near." (Matthew 24:32) If this was important for the disciples, it is even more important for us! We are 2000 years closer than they were. We know from the fig tree that He is giving a spiritual analogy. Who is the fig tree in prophecy? Israel! Israel is the fig tree in the Word of God. What Jesus is bringing out here is, if you want to know prophecy, don't look at the United States, England, Europe, etc... Look at the hub of prophecy, Israel! Those other nations are important in prophecy but the most important today, is the fig tree in the nation of Israel. We have seen the return of the Jews to their homeland. We know by the Word of God that Jesus is coming soon. How soon? We are not to know. Many years back, and not so many years back, during all of the wars that were going on people thought it was the tribulation and Israel wasn't even mentioned yet. They were looking at the wars rather than the fig tree. We can look at the fig tree today. It's doing fine! In fact the leaves are all over it!

**Mark** Eckhard J. Schnabel, 2017-06-06 This Tyndale New Testament commentary on the Gospel of Mark from Eckhard Schnabel seeks to help today's Christian disciples communicate the significance of Jesus and the transforming power of the good news. This volume will be useful for preachers, Bible teachers, and non-specialists alike.

**The Generation of Crisis** Jerry R. Duke, 2009-03 A number of potentially devastating crises are converging upon planet earth early in the twenty-first century. All of these crises have significant prophetic implications and could have catastrophic consequences for human civilization. This is the warning presented by Jerry Duke in *The Generation of Crisis*. This is undoubtedly one of the most detailed accounts available concerning the converging political, environmental, and spiritual events which will distinguish the last days. The catastrophic consequences which these crises could have on human civilization are chillingly presented and thoroughly substantiated with extensive documentation. What will be the effect of these crises on humanity? How are these events connected to bible prophecy? Could these crises mark the end of the age and point to the second coming of Christ? These questions are convincingly answered with frightening clarity. The evidence is so overwhelming that it is impossible to ignore. *The Generation of Crisis* is definitely a wakeup call for our generation. Jerry Duke has over forty years of combined experience in theological studies and specialized research. His theological experience

includes not only his studies at Texas Bible College in Houston, Texas, but also over ten years of experience as an itinerant evangelist and subsequently as the senior pastor of churches in Pueblo, Colorado, and Danville, Kentucky. His experience in specialized research has been acquired during a twenty year law enforcement career. Duke specializes in criminal investigations and has supervised numerous investigative units including General Investigations, Special Investigations, and Internal Affairs. He currently holds the rank of lieutenant and serves as a bureau commander with the Bullhead City Police Department in Bullhead City, Arizona. He is married and lives in Fort Mohave, Arizona, with his wife Lisa. He has two daughters, Krystal and Epris, along with three stepsons, Aaron, Justin, and Ryan.

**The Pretrib Rapture** Paula Martin, 2008-03 Jesus told His disciples (that includes us) to Watch for His return (Matt. 24:42) The rapture is a subject of much controversy. Since scholars cannot agree on the timing of the rapture, how can we know what to believe? ? Is the rapture pie in the sky theology? ? This book does not tread a well-worn path. The Bible has more to say about the rapture than has been previously realized. ? This oft-surprising, ground-breaking book reveals the choreographed, pretrib answer from none other than Jesus Himself. While we in the church have been arguing amongst ourselves about the timing of the rapture, some no longer look for it. Others rip the spirit from the imminent return of the Lord, teaching that He only returns at the end of human history. The Pretrib Rapture Choreographed in the Gospels can resolve doubt, bring back hope, and instill confidence in the pretrib rapture. Paula is a penetrating thinker. What she has put together here is biblically based, well written and thought provoking. It's enlightening and well worth reading. Dr. David R. Reagan, Prophecy Teacher Founder of Lamb & Lion Ministries Host of Christ in Prophecy TV Program As her pastor for many years, I know Paula has a great passion for the Lord's return. She has studied the Olivet Discourse for over 30 years. In this work, she respectfully challenges assumptions associated with it as she has challenged her own assumptions concerning it. The fresh insights she presents will have us all doing our homework. Jerry McAnulty, Senior Pastor Calvary Chapel, Rivergate Paula Martin, married to Allen for 47 years, is the mother of four, grandmother of 13. She graduated from Rancho Santiago College with Honors, and Department Honors in Journalism. She is the author of The Simplicity of Faith.

*Rapture* David Currie, 2003-07-31 The end-times error that leaves the Bible behind! Author David Currie grew up convinced that one day all true Christians will suddenly be snatched up to heaven. The unfortunate souls left behind by this rapture will endure seven horrible years of tribulation, at the end of which Christ will return to earth for a glorious thousand-year reign. Today, millions of Christians accept this end-times theology, assuming - as Currie did -- that the Bible clearly teaches it. Many plan their whole lives around it. But, after studying Scripture for decades, Currie has come to see that if you accept the Bible, you have to reject the rapture. In these remarkable pages - which constitute the world's most careful and thorough scriptural study of the rapture - Currie demonstrates why. He considers all the relevant verses (and there are hundreds!) and examines them in the light of ancient history, the writings of the earliest Christians, and the claims of rapturist theologians. With painstaking thoroughness, he unlocks the meanings of the key biblical prophecies that culminate in Christ's Messianic Kingdom - including those verses in Daniel, Matthew, and Revelation that rapturists turn to most. Marshalling evidence that's as startling as it is compelling, Currie argues that these prophecies of war and tribulation don't point to some still-unrealized apocalyptic future. Rather, most of them were fulfilled long ago: the spiritual, priestly Kingdom prefigured in the Old Testament was inaugurated on Calvary, consummated in 70 A.D. with the destruction of the Temple, and continues to exist today . . . in the Catholic Church! That may surprise you. Yet, shows Currie, it's the only conclusion that fits all the scriptural and historical evidence. *Rapture: The End-Times Error That Leaves the Bible Behind* makes Scripture, prophecy, and history come alive; and it demonstrates that if you open your Bible, you'll find that God's plan for the future of the world is not filled with darkness and disaster, but with light, mercy, and hope. We can all learn much from David Currie, not only from what he says, which is wise, but from how he says it, which is Catholic and Christian. From the Foreword by Scott Hahn. Special features: Over 1,300 references to Scripture, the early Church Fathers, authors and events in ancient history, and contemporary rapturist theologians Ten detailed timelines relating biblical prophecy to key historical events The biblical case for the rapture (showing why so many accept it) A survey of the thoughts of the early Church Fathers about the end-times A history of the development of rapturist theories, showing how this heresy has been refuted time and again by the Church A short course in the proper methods of reading Scripture A survey of end-times hypotheses from the first century through 9/11/2001 Nine ground rules you must follow if you are to make sense of biblical prophecy and relate it to salvation history A 10-page annotated bibliography of rapturist sources ancient and new Plus, much more to help you understand and evaluate the claims of rapturists Among the sources cited: Julius Africanus • St. Athanasius • St. Augustine • Pope Benedict XV • Andreas of Cappadocia • St. Clement of Alexandria • G.
