The Enemy has Done This Dr. D. K. Olukoya, 2016-06-02 The Enemy Has Done This explores a subject of serious concern to most people. It unravels the mystery behind attacks that are prevalent in many families, communities and nations. This book is a product of intensive spiritual research. It provides mature, practical and detailed insight into one of the devils swiftest tools for afflicting mankind and provides tested and proven solutions to many nagging problems which many people are suffering from. This book will teach you how to break the backbone of the enemy. It will also lead you into the pathway of victory. It is a must for all those who are ready to get to the root of their problems and speak destruction to all kinds of satanic arrows.

The Parables of Jesus William Barclay, 1999-02-01 William Barclay brings to these best-known stories in the world new force and significance for the modern reader. Each chapter analyzes an individual parable--identifies its theme, explains it in the light of the language and customs of the ancient world, and clearly interprets its meaning for us today. The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

Recovering the Scandal of the Cross Joel B. Green,Mark D. Baker,2000-08-24 As Joel B. Green and Mark D. Baker demonstrate, the New Testament displays a rich array of interpretations of the cross. The church in mission shaped these as it rooted the story of a scandalous cross in the language of everyday realities and relationships.

Satan and the Problem of Evil Gregory A. Boyd,2025-08-04 Where does evil come from? If there is a sovereign creator God, as Christian faith holds, is this God ultimately responsible for evil? Does God's sovereignty mean that God causes each instance of sin and suffering? How do Satan, his demons and hell fit into God's providential oversight of all creation and history? How does God interact with human intention and action? If people act freely, does God know in particular every human decision before the choice is made? In this important book Gregory A. Boyd mounts a thorough response to these ages-old questions, which remain both crucial and contentious, both practical and complex.In this work Boyd defends his scripturally grounded trinitarian warfare theodicy (presented in *God at War*) with rigorous philosophical reflection and insights from human experience and scientific discovery. Critiquing the classical Calvinist solution to the problem of evil, he advocates an alternative understanding of the sovereignty of the trinitarian God and of the reality of Satan that sheds light on our fallen human condition. While all may not agree with Boyd's conclusions, *Satan and the Problem of Evil* promises to advance the church's discussion of these critical issues.
