

Character Sketch Of Lady Macbeth

M Lipman

The controversial character of Shakespeare's Lady Macbeth Sabine Buchholz, 2008-01-30 Essay from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Siegen (FB 3: Literatur-, Sprach- und Medienwissenschaften), course: A Survey of English Literature 1500-1750, language: English, abstract: In Shakespeare's tragedy Macbeth (1606), the plot's fatale process is actuated due to some disastrous factors working hand in hand: Obviously, the witches and their mysterious prophecy play an initializing role, but only the particular disposition of the protagonist and – what is maybe even more important – the character sketch of his wife induce the tapering of the story line. This essay is to concentrate on the latter part of the portentous couple, Lady Macbeth. Its focus of analysis is the matter of femaleness: Up to what extent does the central woman character leave the specific 'female realm' of passiveness, debility and subjection? Is she to be considered a revolutionary, emancipated woman? Or do we find more points in her behaviour supporting that all her attempts to step out of the male domination must fail?

Lady Macbeth of Mtsensk And Other Stories Nikolai Leskov, 2015-08-27 Five great stories from one of the most quintessentially Russian of writers, Nikolai Leskov. In the best of Leskov's stories, as in almost no others apart from those of Gogol, we can hear the voice of nineteenth-century Russia. An outsider by birth and instinct, Leskov is one of the most undeservedly neglected figures in Russian literature. He combined a profoundly religious spirit with a fascination for crime, an occasionally lurid imagination and a great love for the Russian vernacular. This volume includes five of his greatest stories, including the masterful Lady Macbeth of Mtsensk. Nikolai Semyonovich Leskov was born in 1831 in Gorokhovo, Oryol Province and was orphaned early. In 1860 he became a journalist and moved to Petersburg where he published his first story. He subsequently wrote a number of folk legends and Christmas tales, along with a few anti-nihilistic novels which resulted in isolation from the literary circles of his day. He died in 1895. David McDuff is a translator of Russian and Nordic literature. His translations of nineteenth and twentieth century Russian prose classics (including works by Dostoyevsky, Tolstoy, Bely and Babel) are published by Penguin.

Character Sketches of Romance, Fiction and the Drama Ebenezer Cobham Brewer,2004-03 Originally published in 1892, the object of this Handbook is to supply readers and speakers with a lucid, but very brief account of such names as are used in allusions and references, whether by poets or prose writers; - to furnish those who consult it with the plot of popular dramas, the story of epic poems, and the outline of well-known tales. The number of dramatic plots sketched out is many hundreds. Another striking and interesting feature of the book is the revelation of the source from which dramatists and romancers have derived their stories, and the strange repetitions of historic incidents. It has been borne in mind throughout that it is not enough to state a fact. It must be stated attractively, and the character described must be drawn characteristically if the reader is to appreciate it, and feel an interest in what he reads. This work, an American reprint of The Reader's Handbook by E. Cobham Brewer, ...while retaining all of the original material that can interest and aid the English-speaking student, gives also 'characters and sketches found in American novels, poetry and drama.'
