

# Gnostic Dead Sea Scrolls

**John Marco Allegro**

**Jung and the Lost Gospels** Stephan A. Hoeller, 1989-10-01 The Lost Gospels refer to the Dead Sea Scrolls and the Nag Hammadi Library, both discovered in the 1940s. The Nag Hammadi Library consists of writings found by two peasants who unearthed clay jars in 1945 in upper Egypt. These did not appear in English for 32 years, because the right to publish was contended by scholars, politicians, and antique dealers. The Dead Sea Scrolls, discovered in clay jars in Palestine by a goatherder in 1947, weathered similar storms. The first team of analysts were mostly Christian clergy, who weren't anxious to share material that frightened church leaders. As Dr. Hoeller shows, they rightly feared the documents would reveal information that might detract from unique claims of Christianity. Indeed, the Dead Sea Scrolls and Nag Hammadi Library both contradict and complement accepted tenets of the Old and New Testaments.

The Dead Sea Scrolls and the Christian Myth ,

**The Other Bible** Willis Barnstone, 2005 A new edition of our classic, The Other Bible, including a new index, new cover, and a new introduction from the author to bring The Other Bible up to date. The Other Bible gathers in one comprehensive volume ancient, esoteric holy texts from Judeo-Christian tradition that were excluded from the official canon of the Old and New Testaments, including the Gnostic Gospels, the Dead Sea Scrolls, the Kabbalah, and several more. The Other Bible provides a rare opportunity to discover the poetic and narrative riches of this long-suppressed literature and experience firsthand its visionary discourses on the nature of God, humanity, the spiritual life, the world around us, and infinite worlds beyond this one. This new edition will include a full index and a new introduction from editor Willis Barnstone. o The interest in Gnostic texts begun with The Da Vinci Code has spread to include many of the other suppressed early texts of Judaism and Christianity, and this book contains many of them in one volume.

**The Dead Sea Scrolls and the Christian Myth** John Marco Allegro, 1992 The late John Allegro, the only humanist scholar given access to the scrolls, presents translations and analyses of the manuscripts in his charge, and expounds upon his controversial ideas regarding the historical authenticity of Jesus, and the role played by the myths of the Essene community in the development of Christianity.

**The Complete Dead Sea Scrolls in English** , 2004-11-30 The discovery of the Dead Sea Scrolls in the Judean desert between 1947 and 1956 was one of the greatest archaeological finds of all time. Hidden in the caves at Qumran by the

Essenes, a Jewish sect in existence before and during the time of Jesus, the Scrolls have transformed our understanding of the Hebrew Bible, early Judaism, and the origins of Christianity. This fully revised edition of the classic English translation by Geza Vermes, the world's leading scholar on the subject, offers an astonishing look into the organization, customs, and beliefs of the community at Qumran. Enhanced by much previously unpublished material and a new preface, this will remain the authoritative translation of the Dead Sea Scrolls for years to come.

The Dead Sea Scrolls and the Nag Hammadi Codices, 2022-08-08 The discoveries of Coptic books containing “Gnostic” scriptures in Upper Egypt in 1945 and of the Dead Sea Scrolls near Khirbet Qumran in 1946 are commonly reckoned as the most important archaeological finds of the twentieth century for the study of early Christianity and ancient Judaism. Yet, impeded by academic insularity and delays in publication, scholars never conducted a full-scale, comparative investigation of these two sensational corpora—until now. Featuring articles by an all-star, international lineup of scholars, this book offers the first sustained, interdisciplinary study of the Dead Sea Scrolls and the Nag Hammadi Codices.

*The Dead Sea Scrolls and Original Christianity* Oliver Preston Robinson, 1958

**The Dead Sea Scrolls** Géza Vermès, Pamela Vermes, 1978

**The Dead Sea Scrolls Deception** Michael Baigent, Richard Leigh, 2013-04-30 The Dead Sea Scrolls were found in caves 20 miles east of Jerusalem in 1947 and 1956. Now Michael Baigent and Richard Leigh, co-authors of *The Holy Blood and the Holy Grail*, have succeeded in uncovering what has been described as 'the academic scandal par excellence of the twentieth century': the story of how and why up to 75 per cent of the eight hundred ancient Hebrew and Aramaic manuscripts, hidden for some nineteen centuries, have, until very recently, remained concealed from the rest of the world. Through interviews, historical analysis and a close study of both published and unpublished scroll material, the authors are able to reveal the true cause of the bitter struggle between scholars, for these documents disclose nothing less than a new account of the origins of Christianity and an alternative and highly significant version of the New Testament.

**Pre-Christian Gnosticism** Edwin M. Yamauchi, 2003-10-14 One of the most important issues facing New Testament scholarship today is the issue of Gnosticism. So wrote the author in 1973 in the first edition. With the publication since then of the entire Nag Hammadi library, this observation has become even more incisive. Was there a pre-Christian Gnosticism? Did Gnosticism directly or indirectly influence nascent Christianity? Many modern scholars argue that Gnosticism preceded the emergence of New Testament Christianity and constituted the raw material from which the apostles formed their message about Jesus. The author here analyzes the evidence used to support this thesis. He notes a series of methodological fallacies in the use of this evidence and concludes that clearly Gnostic materials are late and pre-Christian materials are not clearly Gnostic. A new chapter in this paperback edition brings the discussion up to date.

*The Dead Sea Scrolls* John Marco Allegro, 1964

**The Gnostic Jung and the Seven Sermons to the Dead** Stephan A Hoeller,2012-12-13 Jungian psychology based on a little known treatise he authored in his earlier years.

**First Century Gnosticism** Gerard van Groningen,1967

**The Complete Dead Sea Scrolls in English** Geza Vermes,2012-06-26 A newly updated edition of the landmark translation by one of our greatest religious scholars Since its publication in 1962, esteemed biblical expert Géza Vermes's translation of the Dead Sea Scrolls has established itself as the authoritative standard. The original manuscripts, discovered in the Judean Desert between 1947 and 1956, completely transformed our understanding of the Hebrew Bible, early Judaism, and the origin of Christianity. Now in its seventh edition, The Complete Dead Sea Scrolls in English has been updated with a number of previously unpublished texts, as well as extensive new introductory material and notes. Some sixty years after the Scrolls' discovery, this revised and expanded volume crowns a lifetime of research by Vermes. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*The Gnostic World* Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 The Gnostic World is an outstanding guide to Gnosticism, written by a distinguished international team of experts to explore Gnostic movements from the distant past until today. These themes are examined across sixty-seven chapters in a variety of contexts, from the ancient pre-Christian to the contemporary. The volume considers the intersection of Gnosticism with Jewish, Christian, Islamic and Indic practices and beliefs, and also with new religious movements, such as Theosophy, Scientology, Western Sufism, and the Nation of Islam. This comprehensive handbook will be an invaluable resource for religious studies students, scholars, and researchers of Gnostic doctrine and history.

Gnostic Contagion Peter O'Leary,2002-06-24 Brings together the study of literature with the psychology and history of religions.

**Gnostics** Sean Martin,2010-08-01 Gnosticism is the name given to various religious schools that proliferated in the first centuries after Christ, nearly becoming the dominant form of Christianity, but was eventually branded as heretical by the emerging Christian church. The long and diverse history of Gnosticism is recounted here, as well as reasons for its continued relevance today. Although some Gnostic beliefs are close to mainstream Christianity, others examined here include that the world is imperfect because it was created by an evil god who was constantly at war with the true, good God; that Christ and Satan were brothers; that reincarnation exists; and that women are the equal of men. Also covered is the influence Gnostics had on the Renaissance, the Enlightenment, psychologist Carl Jung, the Existentialists, the New Age movement, and writers

as diverse as William Blake, W. B. Yeats, Albert Camus, and Philip K. Dick.

Mercer Dictionary of the Bible Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies: (1) a critically-chastened world view that is satisfied with provisional results and (2) a creative (or poetic) use of the sources of study of Jesus.

The Gnostic Bible Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published, this volume is the result of a unique collaboration between a renowned poet-translator and a leading scholar of early Christian texts.

**The Origins of Gnosticism / Le origini dello gnosticismo** Bianchi, 1970-06-01

Unveiling the Magic of Words: A Overview of "**Gnostic Dead Sea Scrolls**"
