I've used all of the other ones on occasion. **Do you need the “why” in “That's the reason why”? [duplicate]** Relative why can be freely substituted with that, like any restrictive relative marker. I.e, substituting that for why in the sentences above produces exactly the same pattern of grammaticality and ungrammaticality: the reason that he did it \* the cause that he did it \* the intention that he did it \* the effect that he did it \* the thing that ... grammaticality - Is starting your sentence with “Which is why ... Jul 1, 2022 · Is starting your sentence with “Which is why...” grammatically correct? ...our brain is still busy processing all the information coming from the phones. Which is why it is impossible to actually rest Why is "pineapple" in English but "ananas" in all other languages? Nov 7, 2013 · The question is: why did the English adapt the name pineapple from Spanish (which originally meant pinecone in English) while most European countries eventually adapted the name ananas, which came from the Tupi word nanas (also meaning pineapple).

**Why was "Spook" a slur used to refer to African Americans?** Jul 29, 2023 · I understand that the word spook is a racial slur that rose in usage during WWII; I also know Germans called black gunners Spookwaffe. What I don't understand is why. Spook seems to also mean 'ghos...
