Decoding Revelation's Mysteries ,

Zechariah's Hope Paperback David C Coldwell, 2018-01-24 The Book of Zechariah may be one of the least read books in the Bible. For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them. My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives. When I started giving devotional thoughts from Zechariah, I learned that the Asian pastors had a keen interest in that prophet. They would often ask questions or share their thoughts about Zechariah long after our devotional had ended. I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world. According to Proverbs, life is a series of choices between which roads we will travel. We decide daily to either take the path of the righteous or the way of the wicked. We choose regularly to either walk on the path of the wise person or stroll along the way of the fool.

Revelation's Geology Ryan Thompson, 2024-03-10 Revelation's second most common word is γῆ (ge), the root of the word geology. Many of the warnings coming soon may be literally fulfilled in order to turn humanity from their complete destruction. Just as the Creator preserved some during the global flood—a geologic catastrophe; He will protect those who trust in Him through future geologic events. Finally, as life on earth becomes unsustainable, the Messiah will return to rescue the righteous.

The Impending Great Tribulation Apocalypse Mike Penrod, 2016-08-10 There is one chapter in the book of Revelation, in which all nine subjects, some in imagery, are the same and in the same order as another chapter in the Bible. This explains where we are on the apocalyptic time line. Mike Penrod *The Greatest Suffering the World Will Ever Know* There is a social phenomenon occurring now, which is prophetically timed to start accelerating during the four blood moon sequence from 2014 through 2015. This will affect almost everyone; some people may even think they are living in the Great Tribulation Apocalypse before it starts. The split verses are explained.

All about the Second Coming Herbert Lockyer, 1998 The classic All series books have graced the shelves of pastors, students, and laypeople alike for decades. All about The Second Coming continues in the series' tradition of offering a faithful and comprehensive treatment of biblical subjects. Herbert Lockyer opens this work with disturbing words: The doctrine of the Second Coming is one of the most abused and distorted in the Bible. To correct these abuses and distortions, he

undertakes a detailed study of the book of Revelation. Let us, he says, read what the Bible has to say about Christ's coming, taking every reference at its face value. Section by section--sometimes verse by verse--he traces what this mysterious book says about the history of the world from Pentecost to the Rapture of the Church, from the Tribulation to the Great White Throne. He sheds light on often-troubling images and descriptions, helping readers feel as if they understand the message of Revelation. An appendix describes the rich significance of the many numbers appearing in Revelation, and the scripture index aids readers in finding answers to their specific questions.

El Islam está en la Profecía Bíblica Leslie Dutcher,2024-06-10 Este libro explica cómo el Islam ha sido identificado en la profecía Bíblica. Se explica el simbolismo profético en los libros de Daniel y Apocalipsis, incluyendo el verdadero significado de los cuatro jinetes. El significado de los símbolos se entiende ahora porque estamos viviendo en el tiempo del fin Daniel 12:9 “Y él dijo: Anda Daniel por tu camino, porque las palabras están cerradas y selladas hasta el tiempo del fin” (NKJV)

The Holy Word for Morning Revival - A Timely Word concerning the World Situation and the Lord's Recovery Witness Lee,2020-05-30 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word. At the same time, it provides a limited review of the Memorial Day weekend conference held May 22-25, 2020. The general subject of the conference was “A Timely Word concerning the World Situation and the Lord's Recovery.” Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

Theology and Westworld Juli Gittinger,Shayna Sheinfeld,2020-07-15 In the first two seasons of the HBO series Westworld, human guests pay exorbitant fees to spend time among cybernetic Hosts—partially sentient AI robots—and live out often violent fantasies. In *Theology and Westworld*, scholars from a range of disciplines within religious studies examine the profound questions that arise when the narrative of Westworld interacts with the study of religion. From transhumanism and personhood to morality and divinity, this book contributes to, confounds, and challenges ideas that are found in the study of religion and philosophy. Taken together, the chapters further our understanding of what it means to live in a world where the hard questions of human existence are explored through the medium of popular culture.

The Future According to Bible Prophecy Paul S. Horvath,2019-02-22 This book will give the reader a much better

understanding of what God has planned for this world's future. Prior to Tribulation, the Church (the believers in Jesus Christ) will be caught up, raptured, and will meet the Lord in the air. Much of what is written in numerous books of the Bible that deal with prophecy is written in symbolic language, often making it difficult to understand. One purpose of this book is to reveal and explain to the reader what is meant by those symbols, thereby giving the reader a glimpse and a better understanding of what the future holds. Additionally, when dealing with a specific subject such as an event that was prophesied in the book of Revelation, often, that subject is covered in other verses of that book and/or in other books within the Bible. The comparing of scripture with scripture supports, sheds light, explains, and/or reinforces our understanding of that particular passage. Following the Tribulation is the Millennium, the one-thousand-year reign with Christ.

End-Times Prophecy and "The Last Days" Kendall Brashears, 2024-08-19 End-Times Prophecy and "The Last Days" invites people to explore end-times biblical prophecy and to open Revelation, the last book of the Bible. These sources reveal God's will for individuals and his whole world. Kendall Brashears distills over three decades of dedicated study and presents it with the skill of a seasoned educator. His hard work has yielded an approachable guide to ancient and sometimes difficult texts, featuring verse-by-verse explanations of key passages. Through his prophetic research and years of teaching, Brashears will explore the following: - Are we living in the last days as described by the Bible? - What end-time events are we seeing in the world today? - Will the Rapture of believers precede the Tribulation, and if so, how will it occur and what will it look like? - Will we know who the Antichrist is before the Rapture and how will we recognize him? - If there is a seven-year Tribulation on earth, what will it be like and who will go through it? The answers to these questions and many more are discussed thoroughly in this study. If you have wondered what God has planned for his world, if you ask yourself whether distressing events signal the coming end of human history, or if you want to grow in your knowledge of the details contained in the Bible's prophetic and apocalyptic passages, then End-Times Prophecy and "The Last Days" will serve you well as a tool for deepening your understanding. You will emerge from your experience with a breadth of knowledge that provides guidance both for recognizing the changes that are occurring in the world today and for clinging to the assurance of God's plan for care and comfort in uncertain times.

Apokalypsis Hernando Enriquez De la Barca,2013-03-30 The word apocalypse comes from the Greek apokalypse which means uncovering or revealing future events and things concerning the end of the times according to God. In the context of the book of Revelation, this means: discover or expose to the light things, future events and conditions concerning the kingdom of God. We will study that such future referred to in this book is based since the year 4,153 (year of God) after the

death of Jesus Christ and until the end of the world. You know that there are three eras or ages since the foundation of the world (this time is the time according to the God of the universe, neither according to the Gregorian calendar nor according to the scientists of the Earth): a) The Patriarchal era: Which covers from the beginning of the world until the age of the patriarchs Abraham, Isaac and Jacob (comprising the year 0 when Adam was banished from Paradise until the year 1,666, which is the year of the Great Flood). b) The Mosaic era: from the year after the flood (the year 1667, year of God) to the birth of Jesus the Christ of Nazareth (the year 4,120, year of God). c) The Christian era: from the death of Jesus (the year 4,153, year of God to the present time, which is the year 6,132 since the eviction of Adam from Paradise). Jesus Christ of Nazareth reveals to his apostle John (when John was over ninety years old and was exiled to the island of Patmos) visions, prophecies and messages about the Apocalypse. I want to reiterate the definition of prophecy which comes from two Greek words together: prophanai pro means before and phanai means talk (talking about or communicating events, happenings, visions, predictions, conditions repentance messages and future events inspired by God through an intermediary called prophet, from the Greek prophetes which means one who speaks to God. Note that God exists outside the dimension of time and space. Prophecy was the way of communication between God and man that existed during the time of the Old Testament (the old covenant of God with his people). The modern form of communication of today with God and man is through Jesus the Christ of Nazareth according to the books of the New Testament (It is the new covenant between God and his people). The very first of the prophets was Moses (his name means the one who is removed or taken out of the water) and the last of the prophets of the Christian Bible was the apostle John (his name means faithful to God) who wrote the Book of Revelation through visions and dreams on the island of Patmos under the inspiration of God. Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand (Revelation 1:3).

I Choose to Sing Bethany McClurg, 2018-05-21 What happens when a young woman promises God everything and he takes it? With an unquenchable passion to glorify her Savior at nineteen years old, Bethany McClurg was on the cusp of following her dreams into a life of music and ministry. Suddenly diagnosed with acute lymphocytic leukemia just two weeks after resolutely committing to follow God wherever he would lead, she was thrown into a journey that would draw her farther from her own dreams and closer to her God than she ever could have imagined. In this honest and inspiring account of her battle with a life-threatening disease and its ensuing complications, Bethany stands bravely behind the shield of faith to confront the far more wearisome battles of unbridled fear, despair, and discouragement. The cornerstone of her very existence is altered as the cross becomes her beacon and strength, taking the place of broken dreams and shattered trust. Then like a songbird on wings of grace, she emerges from the valley of the shadow of death, beckoning others to choose to sing of his love once again and forever.
