

# Tolkien Quotes On Friendship

## Lee Sturgeon-Day

**A Companion to J. R. R. Tolkien** Stuart D. Lee, 2025-10-13 The new edition of the definitive academic companion to Tolkien's life and literature A Companion to J. R. R. Tolkien provides readers with an in-depth examination of the author's life and works, covering Tolkien's fiction and mythology, his academic writing, and his continuing impact on contemporary literature and culture. Presenting forty-one essays by a panel of leading scholars, the Companion analyzes prevailing themes found in The Hobbit and The Lord of the Rings, posthumous publications such as The Silmarillion and The Fall of Arthur, lesser-known fiction and poetry, literary essays, and more. This second edition of the Companion remains the most complete and up-to-date resource of its kind, encompassing new Tolkien publications, original scholarship, The Hobbit film adaptations, and the biographical drama Tolkien. Five entirely new essays discuss the history of fantasy literature, the influence of classical mythology on Tolkien, folklore and fairytales, diversity, and Tolkien fandom. This Companion also: Explores Tolkien's impact on art, film, music, gaming, and later generations of fantasy fiction writers Discusses themes such as mythmaking, medieval languages, nature, war, religion, and the defeat of evil Presents a detailed overview of Tolkien's legendarium, including Middle-earth mythology and invented languages and writing systems Includes a brief chronology of Tolkien's works and life, further reading suggestions, and end-of-chapter bibliographies A Companion to J. R. R. Tolkien, Second Edition is essential reading for anyone formally studying or teaching Tolkien in academic settings, and an invaluable resource for general readers with interest in Tolkien's works or fans of the films wanting to discover more.

**The Evolution of Tolkien's Mythology** Elizabeth A. Whittingham, 2017-06-30 The History of Middle-earth traces the evolution of J.R.R. Tolkien's literary world, stories, and characters from their earliest written forms to the final revisions Tolkien penned shortly before his death in 1973. Published posthumously by Tolkien's son Christopher, the extensively detailed 12-volume work allows readers to follow the development of the texts that eventually became Tolkien's immensely popular The Hobbit, The Lord of The Rings, The Silmarillion, and Unfinished Tales. This work provides a thorough study of Tolkien's life and influences through an analysis of The History of Middle-earth. The work begins with a brief biography and an analysis of the major influences in Tolkien's life. Following chapters deal with elements common to Tolkien's popular works, including the cosmogony, theogony, cosmology, metaphysics, and eschatology of Middle-earth. The study also reviews some of the myths with which Tolkien was most familiar--Greek, Roman, Finnish, and Norse--and reveals the often

overlapping relationship between mythology, biblical stories, and Tolkien's popular works.

**How to Misunderstand Tolkien** Bruno Bacelli, 2022-09-16 J.R.R. Tolkien is an author beloved by many, but people forget the hostile reception of his work from several literary critics, who despised (and some who continue to despise) him and his readers. Other intellectuals and critics have a more positive opinion of his work, but some read aspects of his books or his beliefs to fit their own agendas. Over the decades, scholars have claimed that Tolkien represents a myriad of (sometimes contradictory) political positions. Whether these scholars act out of disdain for Tolkien or from a simple misread of his works, the outcome is a muddled distortion of who Tolkien really was. This book peels back the discourse in an attempt to reveal the true nature of an author who so often defies categorization. Using all possible nuance, chapters explore the villains of Lord of the Rings, its female heroines and its moral compass, as well as its definitions of heroism and failure. This book hopes to provide a uniquely accurate and objective assessment of one of the most misunderstood writers of our time.

**A Study Guide for J. R. R. Tolkien's "The Hobbit"** Gale, Cengage Learning, 2016-07-12 A Study Guide for J. R. R. Tolkien's The Hobbit, excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

*"Greatest Motivational and Inspirational Quotes on Life, Love and Happiness"*, 2014-05-09 This book contains over 1200 quotes that will not only serve as a wonderful source of motivation in your daily life, but it will also serve as a go-to reference source of uplifting and positive ideas, words, and phrases that you can share with your loved ones, as needed, to lift up their spirits, offer a word of encouragement and wisdom, let them know how much you love them, or simply bring a smile to their face. "Greatest Motivational and Inspirational Quotes on Life, Love and Happiness" will also become your # 1 companion during your travels, while waiting for an appointment, or making time for a friend to show up to a concert or a local café. It is the perfect book to take with you on a vacation, when you finally have time to relax and recharge. And it also makes a great gift for your friends and family, as anyone can find many of these quotes that he/she can personally relate to! Did I mention, these proverbs and sayings are also great to write on postcards and letters! And because laughter is at times the best medicine and one can never have enough joy and laughs in one's life, I have included a Bonus Chapter of Funny Quotes that will have you laughing out loud! This amazing collection of inspirational quotes has an easy to use Table of Contents, which divides the quotes into different topics: Motivational Quotes, Love Quotes, Inspirational Quotes, Thank you Quotes, Friendship Quotes, Birthday Quotes, Happiness Quotes, Quotes about Strength, Broken Heart Quotes, etc., making it extremely easy to look for exactly the quote you need when you need it. That way you can either choose one quote to read during a particular moment, choose one whole section of quotes to read on one particular subject such as Love, or just read as many quotes as you want at once.

**Tell Me the Names of Your Friends, and I Will Tell You Who You Are** Lee Sturgeon-Day,2010-02 TELL ME THE NAMES OF YOUR FRIENDS... is the story of Lee Sturgeon Day's year without a voice told through letters she exchanged with friends. Her previous book, A SLICE OF LIFE describes healing cancer through anthroposophic medicine and therapies 20 years ago. Praise for A SLICE OF LIFE. As with all works of true imagination, we are taken into something universal...through this telling, we are invited to see a new vision - spiritual life is no longer to be found in the secluded monastic life, nor the temple, nor the church, but through the way in which we take up our deepest afflictions. Dr. Robert Sardello, author and director of the School of Spiritual Psychology. An inspiration to cancer patients and enjoyable reading for anyone with or without cancer. Lee Sturgeon Day engages the big questions and life's trivial absurdities with equal vigor, captivating the reader with rare courage, wisdom and rollicking good humor. Lois Robbins, author of Waking Up in the Age of Creativity. In TELL ME THE NAMES OF YOUR FRIENDS, readers are treated to the courage, wisdom and compassion of Lee's many friends.

**Friendship** Pamela Baker Powell,2024-04-12 We all need friends. This book is an exploration of Christian friendship. It turns out that friendship has one surprising, overlooked, almost forgotten spiritual quality. Friendship in Christ is eternal. Scripture emphasizes this. Jesus himself emphasized this. Theologians emphasized this throughout the first thousand-plus years of Christian history. Then, it was somehow mostly neglected. This book maintains that friendship isn't just a passing luxury. Participation in the joy of friendship is a spiritual blessing. It is an unrecognized spiritual discipline that enriches your soul eternally. Here you will have an opportunity to consider your friendships as more than a pleasant engagement and discover what they can mean for your life today and eternally. Join others on this exploration of the exciting truth that friendships are forever!

**The Road Goes Ever On and On** Jeb Smith,2023-04-12 Engrossing...Tolkien's principles--patriotism, Medievalism, localism, Catholicism--are certainly out of fashion today. And yet they're the foundation for all his books, which have sold hundreds of millions of copies. Mr. Smith does a wonderful job of explaining why modern readers are so enthralled by Tolkien's reactionary vision. Whether you're a casual Lord of the Rings fan or a serious Tolkien scholar, every page of Mr. Smith's book will delight and fascinate. And if anyone ever tells you that fairy-tales are only for children, hand him this book. Tolkien ought to be regarded as one of the great social critics of our time, as Mr. Smith so masterfully demonstrates. - Michael Warren Davis is an editor for Sophia Institute Press and the author of The Reactionary Mind: Why Conservative Isn't Enough. You can find him on his blog, The Common Man. As the popularity of Tolkien's work continues to endure, the importance of Jeb Smith's work continues to grow. This is because of a prolonged siege against Tolkien's work: the attempt to dislodge it from its Christian and Biblical foundations. Jeb Smith's insights are immensely helpful to this and future generations of Tolkien admirers. Scott L. Smith, author of Lord of the Rings and the Eucharist J.R.R. Tolkien's Middle-earth

has captured the imaginations of millions of readers around the world for generations. He is considered the father of modern fantasy, but few understand how Tolkien's worldview impacted his mythology. *The Road Goes Ever On and On* is the first book of its kind to place Tolkien within his proper context, giving the reader a deeper understanding of Tolkien and Middle-earth. Smith takes us on a quest through a wide range of Tolkien's writings to unlock Tolkien's perspective--a perspective that, like the elves who have sailed into the West leaving Middle-earth, has faded away from our world. You will gain an in-depth knowledge of Tolkien's views on politics, environmentalism, religion, and much more. From the Valar to Hobbits, the free peoples closely follow Tolkien's sentiments. In contrast, forces under the Shadow represent what Tolkien believed was immoral. Covering a wide range of topics, *The Road Goes Ever On and On* is filled with breathtaking illustrations bringing Middle-earth to life like never before, making this the 'one book to rule them all.'

**Tolkien's Lost Chaucer** John M. Bowers, 2019-09-26 Tolkien's *Lost Chaucer* uncovers the story of an unpublished and previously unknown book by the author of *The Lord of the Rings*. Tolkien worked between 1922 and 1928 on his Clarendon edition *Selections from Chaucer's Poetry and Prose*, and though never completed, its 160 pages of commentary reveals much of his thinking about language and storytelling when he was still at the threshold of his career as an epoch-making writer of fantasy literature. Drawing upon other new materials such as his edition of the *Reeve's Tale* and his Oxford lectures on the *Pardoner's Tale*, this book reveals Chaucer as a major influence upon Tolkien's literary imagination.

*Tolkien in the New Century* John Wm. Houghton, Janet Brennan Croft, Nancy Martsch, 2014-06-04 Widely considered one of the leading experts on the works of J.R.R. Tolkien, Thomas Alan Shippey has informed and enlightened a generation of Tolkien scholars and fans. In this collection, friends and colleagues honor Shippey with 15 essays that reflect their mentor's research interests, methods of literary criticism and attention to Tolkien's shorter works. In a wide-ranging consideration of Tolkien's oeuvre, the contributors explore the influence of 19th and 20th century book illustrations on Tolkien's work; utopia and fantasy in Tolkien's Middle-earth; the *Silmarils*, the *Arkenstone*, and the *One Ring* as thematic vehicles; the pattern of decline in Middle-earth as reflected in the diminishing power of language; Tolkien's interest in medieval genres; the heroism of secondary characters; and numerous other topics. Also included are brief memoirs by Shippey's colleagues and friends in academia and fandom and a bibliography of Shippey's work.

*Boy Friends* Michael Pedersen, 2022-07-05 An intimate and original memoir of love, grief and male friendship by one of Scotland's brightest young talents. 'As perfect a portrait of friendship as I've ever read.' STEPHEN FRY 'Lucid, lyrical, loaded . . . A love letter to friendship.' JACKIE KAY 'A lovely book: bright and heartfelt, funny and refreshing.' ANDREW O'HAGAN 'A beautiful, moving, life-affirming book.' IAN RANKIN Friendships might just be the greatest love affairs of our lives . . . In 2018 poet and author Michael Pedersen lost a cherished friend, Scott Hutchison, soon after their collective voyage into the landscape of the Scottish Highlands. Just weeks later, Michael began to write to him. As he confronts the bewildering process

of grief, what starts as a love letter to one magical, coruscating human soon becomes a paean to all the gorgeous male friendships that have transformed his life. 'Boy Friends sees Pedersen illuminate these companions with a poet's eye, a comedian's timing - and a lover's care.' OBSERVER 'Written with enough electricity that it seems to jolt off the page . . . Boy Friends opens up conversations about . . . the brunt of suicide, the circumstances of certain types of Scottish masculinity and where friendships fit into that.' SUNDAY TIMES

*"Music Makers" and World Creators* Michaela Hausmann, 2020-10-22 Many works of fantasy literature feature a considerable number of embedded poems, some written by the authors themselves, some borrowed and transformed from other authors. Exploring the mechanisms of this mix and the interaction between individual poems and the overall narrative, this monograph analyses the various forms and functions of embedded poems in major works of fantasy literature. The choice of authors and texts shed light on the development of fantasy as a genre that frequently mixes prose and verse and thus continues the long tradition of prosimetric practices after the Romantic period. Not only does the analysis of the embedded poems allow for a new understanding of the individual works. It also promises insights into shared literary-historical roots, cross-influences between the authors and the role of the mix of poetry and prose for the imaginative and subversive potential of fantasy literature in general. Providing comprehensive case studies of the forms and functions of embedded poems in fantasy literature, this volume illuminates the emergence of modern fantasy and its impact on contemporary fantasy.

*Chesterton and Tolkien as Theologians* Alison Milbank, 2009-01-01 This book takes Chesterton's 'natural theology' through fairytales seriously as a theological project appropriate to an intellectual attempt to return to faith in a secular age. It argues that Tolkien's fiction makes sense also as the work of a Catholic writer steeped in Chestertonian ideas and sharing his literary-theological poetics. While much writing on religious fantasy moves quickly to talk about wonder, Milbank shows that this has to be hard won and that Chesterton is more akin to the modernist writers of the early twentieth-century who felt quite dislocated from the past. His favoured tropes of paradox, defamiliarization and the grotesque have much in common with writers like T. S. Eliot, Ezra Pound and James Joyce and their use of the demotic as well as the 'mythic method'. Using Chesterton's literary rhetoric as a frame, the book sets out to chart a redemptive poetics that first decentres the reader from his habitual perception of the world, then dramatizes his self-alienation through the grotesque, before finding in that very alienation a sort of pharmakon through paradox and an embrace of difference. The next step is to change one's vision of the world beyond the self through magic which, paradoxically, is the means by which one can reconnect with the physical world and remove the fetishism and commodification of the object. Chesterton's theology of gift is the means in which this magic becomes real and people and things enter into reciprocal relations that reconnect them with the divine.

*Tolkien and Shakespeare* Janet Brennan Croft, Donald E. Palumbo, C.W. Sullivan III, 2007-04-05 Tolkien and Shakespeare: one a prolific popular dramatist and poet of the Elizabethan era, the other a twentieth-century scholar of Old English and

author of a considerably smaller body of work. Though unquestionably very different writers, the two have more in common than one might expect. These essays focus on the broad themes and motifs which concerned both authors. They seek to uncover Shakespeare's influence on Tolkien through echoes of the playwright's themes and even word choices, discovering how Tolkien used, revised, updated, corrected, and otherwise held an ongoing dialogue with Shakespeare's works. The depiction of Elves and the world of Faerie, and how humans interact with them, are some of the most obvious points of comparison and difference for the two writers. Both Tolkien and Shakespeare deeply explored the uses and abuses of power with princes, politics, war, and the lessons of history. Magic and prophecy were also of great concern to both authors, and the works of both are full of encounters with the Other: masks and disguises, mirrors that hide and reveal, or seeing stones that show only part of the truth.

*The Global and American Spirit* Evan Lanning, 2019-09-16 From the great thinkers of Ancient Greece to the illustrious forebears of America's founding to the fearless leaders of free peoples who inspired the twentieth-century world through the disturbing turmoil and despair of two global wars—wars that resulted in genocide, mass destruction, and cultural decay—all of history seems to direct us, respectively, toward the light of truth, the sound of liberty, and the resolve of democracy. Encapsulating this and more with a sweeping series of essays, the exciting new author Evan Lanning takes us up to today's disturbing world of critical un-thinking, historical illiteracy, unrelenting group-think, and agenda-driven "truth-telling." In this world of unconstructive, ineffective, and ultimately destructive passions of party spirit, Lanning asks us to consider the limits of our knowledge and to surrender our respective feelings in exchange for the nobler pursuit of truth rooted in fact. Only when we recognize how much we do not know will we be able to find our way through this darkened world. Only when we realize how much humanity cannot know will we understand our need for a deeper source of meaning. In *The Global and American Spirit*, Lanning attempts to pierce through the darkness of political acquiescence by asserting that we must lift our eyes to the light of Truth and stand upon the shoulders of the greats in order to see the American spirit reborn. Lanning appeals to the American people to take heart once again that "the energy, the faith, [and] the devotion which we bring to this endeavor will light our country and all who serve it." In short, he asks Americans to rekindle Faith, in order that "the glow from that fire can truly light the world!"

*Persona and Paradox* Suzanne Bray, 2013-01-15 Although certain aspects of C.S. Lewis's work have been studied in great detail, others have been comparatively neglected. This collection of essays looks at Lewis's life and work, and those of his friends and associates, from many different angles, but all connected through a common theme of identity. Questions of identity are essential to the understanding of any writer. The ways authors perceive themselves and who they are, the communities they belong to by birth or choice, inevitably influence their work. The way they present other people, real or fictional, are also rooted in their own conception of identity. In this volume, scholars from several countries examine gender

and family roles; national, regional, racial and professional identities; membership of a particular church; ideological attachments and personal descriptions, either with regard to Lewis and those who knew him and influenced him, or in a study of their writings. Authors studied here include J.R.R. Tolkien, Dorothy L. Sayers, Charles Williams, George MacDonald and T.S. Eliot.

**Looking for the Hidden Folk** Nancy Marie Brown, 2022-10-04 In exploring how Icelanders interact with nature—and their idea that elves live among us—Nancy Marie Brown shows us how altering our perceptions of the environment can be a crucial first step toward saving it. Icelanders believe in elves. Why does that make you laugh?, asks Nancy Marie Brown in this wonderfully quirky exploration of our interaction with nature. Looking for answers in history, science, religion, and art—from ancient times to today—Brown finds that each discipline defines what is real and unreal, natural and supernatural, demonstrated and theoretical, alive and inert. Each has its own way of perceiving and valuing the world around us. And each discipline can be defined, in the Icelandic perception, by its own sort of elf. Illuminated by her own encounters with Iceland's Otherworld—in ancient lava fields, on a holy mountain, beside a glacier or an erupting volcano, crossing the cold desert at the island's heart on horseback—*Looking for the Hidden Folk* offers an intimate conversation about how we look at and find value in nature. It reveals how the words we use and the stories we tell shape the world we see. It argues that our beliefs about the Earth will preserve—or destroy it. Scientists name our time the Anthropocene: the Human Age. Climate change will lead to the mass extinction of numerous animal species unless we humans change our course. Iceland suggests a different way of thinking about the Earth, one that offers hope. Icelanders believe in elves— and you should, too.

*The Hobbit and Tolkien's Mythology* Bradford Lee Eden, 2014-09-24 At the 2013 Celebrating The Hobbit conference at Valparaiso University—marking the 75th anniversary of the book's publication and the first installment of Peter Jackson's Hobbit movies—two plenary papers were presented: *Anchoring the Myth: The Impact of The Hobbit on Tolkien's Legendarium* by John D. Rateliff provided numerous examples of The Hobbit's influence on Tolkien's legendarium; and *Tolkien's French Connections* by Verlyn Flieger discussed French influences on the development of Bilbo Baggins and his adventures. In discussions with the plenary speakers and other presenters, it became apparent that a book focusing on how The Hobbit influenced the subsequent development of Tolkien's legendarium was sorely needed. This collection of 15 previously unpublished essays fills that need. With Rateliff's and Flieger's papers included, the book presents two chapters on the Evolution of the Dwarven Race, two chapters on Durin's Day examining the Dwarven lunar calendar, and 11 chapters on themes exploring various topics on influences and revisions between The Hobbit and Tolkien's legendarium.

Tolkien's Intellectual Landscape E.L. Ridsen, 2015-03-18 The work of J.R.R. Tolkien has had a profound effect on contemporary fiction and filmmaking. Often disparaged by critics, Tolkien's fiction created a market for the fantasy trilogy and his academic work represents an innovative contribution to the field of philology. In the 20th century, his fiction bridged

the gap between learned and popular readerships. Today the fantasy genre continues to grow--even as publishers cut back on creative fiction--moving energetically into film, gaming and online fan fiction. This book describes how Tolkien's imaginative landscape continues to entertain and inspire, drawing new generations to Middle-earth.

**Quotes On Courage** Dr Purushothaman, In this short volume "Quotes on Courage" the reader can find the most useful Quotes & Sayings about Courage in Life. Courage & Confidence are highly essential in Our Life. Without adequate courage, we cannot succeed in Our Life. The selected Qutoes on Courage, presented in this Book will definitely activate the Courage of the reader. With these few words we are presenting this title "Quotes on Courage" for everybody.

### **Tolkien Quotes On Friendship** Book Review: Unveiling the Magic of Language
