Mentally Ill in Amityville Will Savive, 2012-07-02 On November 13, 1974 the quiet village of Amityville was rocked by the murders of six members of the DeFeo family at 112 Ocean Ave. The only surviving member of this tragic ordeal was Ronald DeFeo Jr., who was later charged and convicted to six-life-sentences. Thirteen months later, the Lutz family moved into the lavish Dutch Colonial home, but moved out mysteriously after just 28-days, claiming that the house was haunted! Then came a media frenzy, and with the release of Jay Anson's runaway best selling book *The Amityville Horror*, which was later transformed into a blockbuster movie, the story became an international phenomenon. *Mentally Ill in Amityville (MIA)*, is the true story of the events as they occurred, with exclusive interviews and official documents of these dramatic events. MIA is a must read for anyone who wants to know the complete story behind the most famous haunted house in the world. MIA the 2nd Edition includes new insight, new details, and new interviews. This book is the most in-depth, factual account of the story that has remained an international phenomenon.

DEALING WITH THE MENTALLY ILL PERSON ON THE STREET Daniel M. Rudofossi, 2015-01-01 This unique guide will serve as a street survival guide for public safety officers and supervisors alike. The author, Doctor Daniel Rudofossi, a sworn police officer and police psychologist in the NYPD and DEA among other agencies, offers a thorough assessment and intervention guide for clinicians and public safety professionals in dealing with mentally ill persons. Using his technique, the Eco-Ethological Existential Analytic method, he presents an original approach toward compassionate and safe interventions with mentally ill citizens who become involved with public safety officers. It will open the doors to an effective and highly meaningful guide officers can put into practice immediately, so that officers and supervisors can maximize the outcome of safe and effective humane processing of mentally ill with the potential for violence. Case examples and question-and-answer sections are also provided that offer user-friendly guidelines for ensuring custody to rehabilitation of the mentally ill street person. The guide also provides information on how to gain self-care and referral to peers when the stressors of dealing with

the mentally ill start to increase to burnout and “compassion fatigue” in first responders and mental health counselors. It will also provide a wide overview as well as in-depth coverage of the evolving specialty of police psychology. The book will prove to be an invaluable resource for a wide audience of professional police officers, emergency medical technicians, firefighters, military guard, public and private security, criminal justice practitioners, counselors, social workers and others in responding to such crises. From triage through the police custodial role to outreach and cooperation with local and community mental health clinics, the approaches offered in this book will lead to the best of all possible outcomes.

Curing Madness Jason Pegler, 2011-06-14 Description *Curing Madness* is an inspirational selection of works by manic depressive and mental health activist Jason Pegler which details the thought processes he used to help himself survive. It includes a couple of excellent scripts about his experiences of manic depression, rap lyrics, an essay that examines madness in Greek Mythology and a personal account of what happened to him after he published his seminal book 'A Can of Madness'. Jason has become one of the UK's foremost experts on mental health. He now dedicates his life to helping others afflicted by mental illness. This is all a far cry from the young man who spent most of his formative years in and out of hospitals and teetering on the edge of addiction. *Curing Madness* is in essence a collection of works from different genres. He was so exhausted after writing *A Can of Madness* that something had to come next and this was *Curing Madness*. This is an important book for anybody who experiences some sort of mental distress. About the Author Jason Pegler is 33 and lives in London. Jason was diagnosed with manic depression in 1993 and wrote 'A Can of Madness' to stop other seventeen year olds going through what he went through. Graduating from Manchester University in 1998 he founded Chipmunk publishing the mental health publisher which aims to help mental health sufferers. He then set up The Chipmunka Foundation (registered charity number 1109537) in 2004. Pegler is a mental health activist, journalist, rapper and public speaker. In 2005 Pegler won the New Statesman's Young Social Entrepreneur of the Year Award. He is a key figure in the mental health movement.

Souls in the Hands of a Tender God Craig Rennebohm, 2008-05-01 A compassionate chronicle of a Protestant pastor who for decades has ministered to Seattle's homeless and most vulnerable communities Craig Rennebohm shares the evocative stories of those he has encountered on the street who desperately need psychiatric, psychological, and spiritual support. We meet people who, abandoned and marginalized by their community, need care and treatment to find their way back to a life of stability and meaning. Their stories become parables that explore mental illness and the spiritual heart of care and recovery, helping us understand what it means to be human, on a pilgrimage together toward wholeness. Rennebohm's powerful experiences, drawn from his own life and the lives of those he has aided in their struggles, show us a God of kindness and compassion. He offers a clear understanding of Spirit, faith, soul, and religion that will prove invaluable to individual conversations and to dialogue among congregations about how we can best welcome and include “the least among

us”—our most fragile and troubled neighbors. With gentleness and grace, solid knowledge and wisdom, Rennebohm helps those who are seeking a path of healing and the way of companionship so they may build healing communities of caring that in which all may have a home, safely rest, and be well.

The Encyclopedia of Demons and Demonology Rosemary Guiley, 2009 Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

The Psychological Autopsy Antoon Leenaars, 2017-02-10 The best way to grasp the essence of death scene investigation (DSI) is to witness its application, called the psychological autopsy, by an expert forensic scientist/clinician. This remarkable book affords the opportunity to delve into the challenges that the forensic mental health specialist and public safety professional confront in DSI. Suicides, and often death, are complex, multidetermined events. People, whether police investigators or mental health professionals, are generally perplexed, and even confused, when they are confronted by the equivocal case. Was it a suicide? Homicide? Accident? These are critical questions. Dr. Leenaars shows that DSI is, however, not mysterious; the reader can learn the generally accepted, evidence-based protocols of the psychological autopsy. Illuminated by individual (idiographic) case studies and general (nomothetic) research, this definitive guide allows the investigator to uncover the bare bones of a suicide or death.

Behind the Horror Dr. Lee Mellor, 2020-07-28 Uncover the twisted tales that inspired the big screen's greatest screams. Which case of demonic possession inspired *The Exorcist*? What horrifying front-page story generated the idea for *A Nightmare on Elm Street*? Which film was based on the infamous skin-wearing murderer Ed Gein? Unearth the terrifying and true tales behind some of the scariest Horror movies to ever haunt our screens, including the Enfield poltergeist case that was retold in *The Conjuring 2* and the serial killers who inspired Hannibal Lecter in *The Silence of the Lambs*. *Behind the Horror* dissects these and other bizarre tales to reveal haunting real-life stories of abduction, disappearance, murder, and exorcism.

Policing and the Mentally Ill Duncan Chappell, 2013-05-14 Police departments in many parts of the world have set up specific programs with crisis intervention teams to facilitate police contact with the mentally ill. Focusing chiefly on jurisdictions in Australia, this volume also examines several of these programs in North America, Europe, and parts of the developing world. The 16 chapters in this book offer a wide range of cross-cultural perspectives on this essential aspect of policing, enabling police practitioners to develop a best practices approach to managing their interactions with this vulnerable segment of the community.

Handbook of Police Psychology Jack Kitaeff, 2019-06-11 The *Handbook of Police Psychology* features contributions from over 30 leading experts on the core matters of police psychology. The collection surveys everything from the beginnings

of police psychology and early influences on the profession; to pre-employment screening, assessment, and evaluation; to clinical interventions. Alongside original chapters first published in 2011, this edition features new content on deadly force encounters, officer resilience training, and police leadership enhancement. Influential figures in the field of police psychology are discussed, including America's first full-time police psychologist, who served in the Los Angeles Police Department, and the first full-time police officer to earn a doctorate in psychology while still in uniform, who served with the New York Police Department. The Handbook of Police Psychology is an invaluable resource for police legal advisors, policy writers, and police psychologists, as well as for graduates studying police or forensic psychology.

Spirit Possession around the World Joseph P. Laycock, 2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world, from Europe to Asia and the Middle East to the Americas. Possession and exorcism are elements that occur in nearly every culture. Why is belief in spiritual possession so universal? This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism, presenting thoughts on this widely popular topic by experts from the fields of anthropology, sociology, religious studies, history, neuroscience, forensics, and theology. The entries cover the subject of possession and exorcism across all inhabited continents, from the Bronze Age to the 21st century, providing information that is accessible and intriguing as well as scholarly and authoritative. Beyond addressing the Christian tradition of possession and exorcism, Pentecostalism, and New Age and less widely known Western concepts about possession and exorcism, this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia, Africa, and the Americas. It also covers historic cases of possession and presents biographies of famous theologians, exorcists, and possessed individuals. High school and undergraduate readers will learn about world history, religious and spiritual traditions, and world cultures through a topic that figures prominently in popular culture and modern entertainment. Bibliographies that accompany each entry as well as a selected, general bibliography serve to help students locate print and electronic sources of additional information.

Spirituality, Values and Mental Health Mary Ellen Coyte, Peter Gilbert, Vicky Nicholls, 2007 This edited work addresses policy and practice for professional working in the mental health field and for carers and people with mental health problems themselves, enabling them to overcome the stigma often associated with mental health problems, and the subject of spirituality.
