Matthew K. Manning, Stephen Wiacek, Melanie Scott, Nick Jones, Landry Q. Walker

The Underworld Series: Rise of the King Rj Kane, 2024-04-28 The relationships between Sephie, Adrik, and all five bodyguards continue to grow stronger as they face more challenges from the other bosses in the city. As each new layer of conspiracy is uncovered, the danger to the city and its people grows, but so do the bonds between the group. Every new detail revealed makes it clear that this group was destined to be together at this exact time, for this exact reason.

The Underworld Series: Rise of the King Rj Kane, 2024-02-17 Based on the myth of Hades and Persephone, The Underworld Series is a fresh take on the myth that challenges common perceptions of good, evil, light, and dark. Everyone has choices to make every single day and your life is a result of those choices. Sephie and the men she finds herself surrounded by find themselves on a path that has been paved over lifetimes. Each one must find their place in the world to leave their mark on it, while striving to make it just a little brighter with each choice made. Rise of the King is a testament to survival as much as it is a story about the people placed in your life to help you along the way.

The Underworld Series: Rise of the Queen R. J Kane, 2025-01-16 Rise of the Queen continues the story that began with Rise of the King, volumes One and Two. It is not a standalone book. The story picks up exactly where volume Two left off and continues to follow the evolution of various relationships introduced in the first two books. The reader will continue to enjoy the immersion in the story while discovering new details seemingly in real time. Continue with the characters you've fallen in love with as they uncover hidden truths about the world and themselves, discovering their own powers in the process. New alliances and new betrayals test even the strongest of bonds between Sephie, Adrik, and all the men.

Corporate Social License Petter Gottschalk, Christopher Hamerton, 2023-11-02 This book makes a distinctive and innovative contribution to the study of white-collar and corporate crime through detailed examination of the use, affect, and violation of the corporate social license – a concept frequently extended to a license to operate. Whilst discrete aspects of corporate social responsibility have found their way into the discourse on business deviance and crime, no single book to date has provided a detailed exploration of social licence through a criminological lens. Here, using an interdisciplinary focus which includes illustrative case-studies and large-scale original fieldwork, Gottschalk and Hamerton explore European, North American, Asian, and global perspectives to identify, position, and reveal the impact of the social license on contemporary conceptions of white-collar and corporate deviance and crime. *Corporate Social License: A Study in Legitimacy*,

Conformance, and Corruption will be of interest to scholars of criminology, law, business management, and sociology along with professionals within allied fields.

Mafia Raj Lucia Michelutti, Ashraf Hoque, Nicolas Martin, David Picherit, Paul Rollier, Arild E Ruud, Clarinda

Still,2023-05-25 The authors . . . illustrate the 'art of bossing'—techniques and methods used by such figures to climb to power and maintain their sovereignty. —A. Y. Lee, *Choice Mafia* has become an indigenous South Asian term. Like Italian mobsters, the South Asian gangster politicians are known for inflicting brutal violence while simultaneously upholding vigilante justice—inspiring fear and fantasy. But the term also refers to the diffuse spheres of crime, business, and politics operating within a shadow world that is popularly referred to as the rule of the mafia, or Mafia Raj. Through intimate stories of the lives of powerful and aspiring bosses in India, Pakistan, and Bangladesh, this book illustrates their personal struggles for sovereignty as they climb the ladder of success. Ethnographically tracing the particularities of the South Asian case, the authors theorize what they call the art of bossing, providing nuanced ideas about crime, corruption, and the lure of the strongman across the world. Through meticulous and uniquely collaborative ethnography, Mafia Raj opens readers' eyes to the murky world of bosses in South Asia. With unforgettable portraits of the gangsters, politicians, hustlers, and extortionists dotting the region, this is the rare scholarly account that upends our commonly accepted notions of democracy, formality, and legitimacy. —Milan Vaishnav, author of *When Crime Pays: Money and Muscle in Indian Politics* Why does the figure of 'the boss,' in its various guises, loom so large in South Asia? In answering this question, the authors of this engagingly written book make a path-breaking contribution to the study of South Asian politics. —John Harriss, author of *India: Continuity and Change in the Twenty-First Century*
