**The Coming of Theodora** Eliza Orne White, 1895

*The Coming Storm* Regina M. Hansen, 2022-06-07 Music, myth, and horror blend in this romantic, “eerie...atmospheric” (Publishers Weekly) fantasy debut about a teen girl who must fight a powerful evil that’s invaded her Prince Edward Island home—perfect for fans of *An Enchantment of Ravens*. There’s a certain wild magic in the salt air and the thrum of the sea. Beet MacNeill has known this all her life. It added spice to her childhood adventures with her older cousin, Gerry, the two of them thick as thieves as they explored their Prince Edward Island home. So when Gerry comes up the path one early spring morning, Beet thinks nothing of it at first. But he is soaking wet and silent, and he plays a haunting tune on his fiddle that chills Beet to the bone. Something is very, very wrong. Things only get worse when Marina Shaw saunters into town and takes an unsettling interest in Gerry’s new baby. Local lore is filled with tales of a vicious shape-shifting sea creature and the cold, beautiful woman who controls him—a woman who bears a striking resemblance to Marina. Beet is determined to find out what happened to her beloved cousin, and to prevent the same fate from befalling the handsome new boy in town who is winning her heart, whether she wants him to or not. Yet the sea always exacts a price...

**The Coming Famine** Julian Cribb, 2010-08-10 In *The Coming Famine*, Julian Cribb lays out a vivid picture of impending planetary crisis--a global food shortage that threatens to hit by mid-century--that would dwarf any in our previous experience. Cribb's comprehensive assessment describes a dangerous confluence of shortages--of water, land, energy, technology, and

knowledge--combined with the increased demand created by population and economic growth. Writing in brisk, accessible prose, Cribb explains how the food system interacts with the environment and with armed conflict, poverty, and other societal factors. He shows how high food prices and regional shortages are already sending shockwaves into the international community. But, far from outlining a doomsday scenario, *The Coming Famine* offers a strong and positive call to action, exploring the greatest issue of our age and providing practical suggestions for addressing each of the major challenges it raises.

*The coming war* Edward Grey Grey of Fallodon (Viscount),1925

**The Coming Tsunami** Jim Denison,2022-01-25 This book is a warning sign. The coming cultural tsunami is the gravest threat Christians in America have ever faced. Caused by four cultural earthquakes, the cultural confluence of these events has seismically shifted our world. With the rise of a post-truth culture, the expansion of the sexual revolution, the attraction of Critical Theory, and the advance of secular religion, Christians are increasingly labeled as intolerant, irrelevant, oppressive, and dangerous--the antithesis of the life Jesus calls Christians to live. These tidal waves are threatening to submerge Christians in America and the biblical morality they proclaim. But here's the good news: unlike tsunamis in nature, which cannot be stopped once they have been created, it's not too late to stop the moral tsunamis of our day. In *The Coming Tsunami*, pastor and cultural scholar Dr. Jim Denison of the Denison Forum identifies the enormous danger these cultural quakes represent, then offers proactive, biblical steps to redeem these challenges as opportunities for God's word and grace. But Christians must act now. The rain has already begun to fall. -- Back cover.

**The Coming Storm** Paul Russell,2000-09-09 Lambda Literary Award Finalist; Winner of the Ferro-Grumley Award Set against the backdrop of a traditional boys' school in upstate New York, *The Coming Storm* is a delicately and brilliantly rendered tale that reveals the most closely held secrets of the human heart. Russell's award-winning novel is the story of four interlocking lives - Louis Tremper, the headmaster at the Forge School; his wife Claire; Tracey Parker, a 25-year old gay man and recently hired teacher at the Forge School; and Noah Lathrop III, a troubled student - all of whom struggle with their own inner demons, desires, and conflicted loyalties. When Tracey and Noah become involved in an illicit relationship, dark incidents from the school's past begin colliding with the current growing confusion that all of them must face. Compelling and poignant, this is the finest work yet from one of best contemporary American novelists. Stonewall Inn Editions

**The Coming of Chloe** Duchess,1897

**The Coming of Cain** Daniel Rose,2014-12-09 They say you can't go home again, but Louisa Banks is determined to try. Intent on caring for her brother's two teenagers while he is away in jail, she returns to the family farm in West Virginia. It is a difficult homecoming, made worse by crash and burn memories and self-induced poverty. Still she perseveres, and eventually becomes involved in small town politics and a militant Ganga grower who moonlights as a writer. This explosive combination pushes her to her limits and yet results in self-discovery and a new direction. Hers is a story that boomerangs back on itself and meets the reader head on.

**The Coming Authoritarian Ecology** Fabrice Flipo,2018-07-31 The book examines ecological issues such as climate change and biodiversity, articulating local and global scales, and short and long term perspectives, questioning what development and progress are. The goal is to show how diverging points of view are conflictingly articulated to one another, in a political ideology perspective. This perspective, which is close to the main actor's point of view, allows displacement of the usual analysis, and offers a new synthesis.

**The Coming Israel Awakening** James W. Goll,Jim W. Goll,2009-03 As the Church cries to God on Israel's behalf, the land of Israel will awaken and God will move powerfully among the Jewish people worldwide.

*The Coming of Man* John Mason Tyler,1923

**The Coming of Marshal** Harvey Minnick,2010-06-30 A damaged spaceship is hurtling toward the Earth, and the Russian government mistakenly believes the spacecraft is the anticipated Domsday asteroid. The Russians shoot it down, not realizing that Marshal, an interstellar lawman, is inside.

**The Coming Chinese Church** Paul Golf, Lee,2013-10-31 While China is shaking the world in ever increasing ways, behind the scenes it is the Church that is moving China. And the Holy Spirit will not stop at China's borders. From the fires of persecution to the toughest frontiers of mission, the Chinese Church is rising up. Many Chinese Christians are convinced that they are set to become a powerful missionary force that will reach to the ends of the earth. Chinese believers know how to believe; they know how to pray; and they know how to remember and honor their spiritual heritage. These qualities are leading believers to engage directly with the rest of the world. The Coming Chinese Church tells stories of the Chinese

revival previously unpublished in the West and offers prophetic insight into China's role in mission as it seeks to impact the world. Drawing heavily on testimonies and stories from within the Chinese Church, this luminous book deals with a number of major themes: confronting the challenges of secularism; anti-Christian sentiment; engaging with Islam; personal and corporate revival.

**The Coming Race War** Richard Delgado, 1996-05-01 In The Washington Post, Julius Lester praised Richard Delgado's *The Rodrigo Chronicles: Conversations about America and Race* as free of cant and ideology. . . . an excellent starting place for the national discussion about race we so desperately need. The New York Times has hailed Delgado as a pioneer in the study of race and law, and the Los Angeles Times has compared his storytelling style to Plato's Dialogues. In *The Coming Race War?*, Delgado turns his attention to the American racial landscape in the wake of the mid-term elections in 1994. Our political and racial topography has been radically altered. Affirmative action is being rolled back, immigrants continue to be targeted as the source of economic woes, and race is increasingly downplayed as a source of the nation's problems. Legal obstacles to racial equality have long been removed, we are told, so what's the problem? And yet, the plight of the urban poor grows worse. The number of young black men in prison continues to exceed those in college. Informal racial privilege remains entrenched and systemic. Where, asks Delgado in this new volume, will this lead? Enlisting his fictional counterpart, Rodrigo Crenshaw, to untangle the complexities of America's racial future, Delgado explores merit and affirmative action; the nature of empathy and, more commonly, false empathy; and the limitations of legal change. Warning of the dangers of depriving the underprivileged of all hope and opportunity, Delgado gives us a dark future in which an indignant white America casts aside, once and for all, the spirit of the civil rights movement, with disastrous results.

The Coming of Montezuma Carlos Troyer, 1904

**The Coming China Wars** Peter Navarro, 2006 China's breakneck industrialization is placing it on a collision course with the entire world. Tomorrow's China Wars will be fought over everything from decent jobs, livable wages, and leading-edge technologies to strategic resources such as oil, copper, and steel—even food, water, and air. Economist Navarro previews all these potential conflicts, and reveals the urgent, radical decisions that must be made to avoid catastrophe. China's thirst for oil is driving nuclear proliferation in Iran, genocide in the Sudan, even Japan's remilitarization. Navarro reveals China's shocking role in the drug trade and how its flesh trade may help trigger tomorrow's worst AIDS crisis; how China has become the world's most ruthless imperialist, how it is promoting global environmental disaster, and, perhaps most terrifying of all, how this nuclear superpower and pirate nation may be spiraling toward internal chaos.--From publisher description.
