## Chloe Liese

The Rule Book Sarah Adams, 2024-04-02 NEW YORK TIMES BESTSELLER • College exes break all the rules when they reunite years later in this enemies-to-lovers, second-chance romance, the companion novel to the TikTok sensation *The Cheat Sheet*—from the New York Times bestselling author of *Practice Makes Perfect*. “A really fun, chemistry-filled sports romance you don’t want to miss!”—Hannah Grace, author of *Icebreaker* Nora Mackenzie’s entire career lies in the hands of famous NFL tight end Derek Pender, who also happens to be her extremely hot college ex-boyfriend. Nora didn’t end things as gracefully as she could have back then, and now it has come back to haunt her. Derek is her first client as an official full-time sports agent and he’s holding a grudge. Derek has set his sights on a little friendly revenge. If Nora Mackenzie, the first girl to ever break his heart, wants to be his agent, oh, he’ll let her be his agent. The plan is simple: make Nora’s life absolutely miserable. But if Derek knows anything about the woman he once loved—she won’t quit easily. Instead of giving in, Nora starts a scheme of her own. But then a wild night in Vegas leads to Nora and Derek in bed the next morning married. With their rule book out the window, could this new relationship save their careers or spark the romance of a lifetime?

Everything for You Chloe Liese, 2024-02-06 The TikTok sensation, now with new exclusive content! Enemies become lovers in this sizzling sports romance about taking a chance on love when life’s taught you it’s a losing game. Oliver Bergman is a beloved rising soccer star, all sunshine smiles and the heart of their team’s spirit. To make matters worse, he’s obscenely attractive. In short: he’s genetically designed to get under misanthropic, miserable Gavin’s aggravated skin. Ten years older than Oliver and a legendary player at the end of his career, Gavin Hayes is the team’s demanding captain. He’s also a giant—albeit gorgeous—grump who lives to rain on Oliver’s parade. Especially when Oliver and Gavin are named co-captains of the team. Sick of their hostility, Coach gives them an ultimatum: put an end to their enmity or say goodbye to being captains. Forced to finally lower their guards, Gavin and Oliver realize that they also have chemistry off the field and it’s fueled by something much more powerful than competition—an explosive attraction.

**Only and Forever** Chloe Liese, 2024-04-02 It’s a room-mance for the books in this tender, steamy story about unexpectedly finding love and being brave enough to let it revise life’s narrative in the final book in the beloved Bergman Brothers series. Viggo Bergman, hopeless romantic, is thoroughly weary of waiting for his happily ever after. But between opening a romance bookstore, running a romance book club, coaching kids’ soccer, and adopting a household of pets—just

maybe, he's overcommitted himself?—Viggo's chaotic life has made finding his forever love seem downright improbable. Enter Tallulah Clarke, chilly cynic with a massive case of writer's block. Tallulah needs help with her thriller's romantic subplot. Viggo needs another pair of hands to keep his store afloat. So they agree to swap skills and cohabitate for convenience—his romance expertise to revive her book, her organizational prowess to salvage his store. They hardly get along, and they couldn't be more different, but who says roommate-coworkers need to be friends? As they share a home and life, Tallulah and Viggo discover a connection that challenges everything they believe about love, and reveals the plot twist they never saw coming: happily ever after is here already, right under their roof.

*With You Forever* Chloe Liese, 2024-01-23 The TikTok sensation, now with new exclusive content! Opposites attract in this heartfelt, modern marriage-of-convenience romance about finding love—and home—in the most unlikely of places. Rooney Sullivan is sunshine incarnate and the antithesis of quiet, reserved Axel. He's been able to hide his attraction to her until a party game gets out of hand and ends in an unexpected kiss. Months later, Rooney's staying just next door to him for a cozy A-frame getaway and temptingly within reach. Axel, the eldest Bergman brother, is a gorgeous grump and Rooney's longtime crush. Their kiss was an accident, and months later, so is stumbling into him at the Bergman family's property. Rooney's sure her feelings are unrequited, thanks to the distance Axel keeps, so she keeps her attraction to herself. But when Axel and Rooney unexpectedly find their paths—and problems—converging, marriage proves the perfect solution. At least, until they face a new dilemma: a marriage of convenience that's inconveniently become a love match, after all.

*The Cheat Sheet* Sarah Adams, 2022-04-26 Is it ever too late to leave the friend zone? Discover the heartwarming friends to lovers romance that became a sensation on TikTok—now with a new chapter and a Q&A with the author! The friend zone is not the end zone for Bree Camden, who is helplessly in love with her longtime best friend and extremely hot NFL legend, Nathan Donelson. The only problem is that she can't admit her true feelings, because he clearly sees her as a best friend with no romantic potential, and the last thing Bree wants is to ruin their relationship. But those abs . . . Nope! Nothing but good old-fashioned, no-touching-the-sexiest-man-alive, platonic friendship for Bree. In any case, she has other things to worry about. After a car accident ended her chance at becoming a professional ballerina, Bree changed paths and now owns her own dance studio, with big dreams to expand it. But one more rent increase could mean the end of the studio entirely. Then, as usual, Nathan comes to the rescue and buys the entire building. A stubborn Bree is not happy about it and decides to rebel with a couple—okay, maybe more than a couple—of tequila shots. Then her plan backfires as she spills her deepest, darkest secret to a TMZ reporter. One viral video later, the world thinks Nathan and Bree are the perfect couple. Before they can really talk about her confession, Nathan's publicist proposes a big opportunity that could mean financial security for Bree. The catch? They have to pretend to be in love. For three whole weeks. What will happen when Bree gives in to the feelings she's been desperately hiding for so long, and could she be imagining that Nathan is actually enjoying it? Sarah Adams

scores more than touchdowns in this exciting romantic comedy.

**If Only You** Chloe Liese, 2024-02-20 The TikTok sensation, now with new exclusive content! A longtime good girl and unapologetic bad boy score the love of their life when they least expect to in this swoony, slow-burn sports romance. Ziggy Bergman is tired of being underestimated. Sure, she's the youngest player on the National Soccer team and the baby of the family, but that doesn't mean she still deserves to be treated like a kid. It's time for her angelic image to get a makeover. What better way to do that than hanging out with trouble incarnate and her brother's best friend, Sebastian Gauthier? Sebastian has hit rock bottom. His hockey career and sponsorships are in jeopardy of ending if something doesn't give. Seb's not willing to actually change his destructive ways, but he's happy to pretend he's a reformed reprobate by faking a friendship for publicity with sweet, shy Ziggy Bergman. When faking starts to feel real, Ziggy and Seb discover an unexpected friendship they're happy to hold on to. At least, until their once-fake friendship becomes the most loving, empowering relationship they've ever known, and the end goal—for both of them—changes.

**Always Only You** Chloe Liese, 2023-12-12 The TikTok sensation, now with new exclusive content! It's an office romance on the ice rink in this heart melting story about love's power not in spite of difference but because of it. Ren has known Frankie Zeferino was a woman worth waiting for since the moment they met. She's a master of deadpan delivery, has a secret heart of gold, and a rare one-dimpled smile that makes his knees go weak. But as long as Frankie's the team's social media manager, she's off limits. Frankie is a self-admittedly blunt, grumbly grump, but even she isn't immune to sunshiney Ren Bergman. Who could be, when he's a six-foot-three hunk of happy with a hockey player's physique? Maybe in the past, Frankie would have gone for a guy like him, but since being burned too many times by people who learn about her diagnoses and see a problem, not a person, she's wised up. After waiting years for the right time to make his move, Ren learns Frankie plans to leave the team to pursue a new career. But what he didn't anticipate is how hard he'll have to work to convince her to let him have his shot at winning her heart.

**Ever After Always** Chloe Liese, 2024-01-02 The TikTok sensation, now with new exclusive content! A marriage-in-crisis rekindles its passion in this second chance romance about going the distance to make love last. Freya Bergman has spent a dozen years loving Aiden and never thought they'd find their marriage on the rocks. He's her partner and best friend, the person she knows she can count on most. Until one day Freya realizes the man she married is nowhere to be found. Now Aiden is quiet and withdrawn, and as the months wear on, the growing distance between them becomes too much to bear. Aiden would spend a dozen lifetimes making his wife happy. But the one thing that will make her happiest is the one thing he's not sure he can give her: a baby. With the pressure of providing and planning for a family, his anxiety is at an all-time high. They're drifting apart and he doesn't know how to change the tide. As if weathering marriage counseling wasn't enough, Freya and Aiden are thrown together for a Bergman family island getaway. Will this trip help them finally work

through their trouble in paradise, or be the final wave that tows them under?

Only When It's Us Chloe Liese, 2023-12-05 The TikTok sensation, now with new exclusive content! Meet the Bergmans in this enemies-to-lovers new adult romance that tackles the vulnerability of love with humor and heart. From the moment Willa sat next to Ryder in class, she's made it clear she hates his guts. Her reason is a mystery, but its outcome suits him fine. Willa Sutter is the feisty, tempting chaos he doesn't need in his quiet, tidy life. She's the next generation of women's soccer. Wild hair. Bee-stung lips. And a temper that makes the devil seem friendly. He'll leverage her hate as long as possible to keep his distance. When Willa asked Ryder to borrow his lecture notes, the silent, surly, mountain man ignored her. Ryder Bergman is an arrogant, infuriating flannel-wearing enigma. Mangy beard. Frayed ball cap that hides his eyes. And a stubborn refusal to acknowledge her existence. But Willa's never backed down from a challenge. Forced to work together on their final project, Willa and Ryder begin a game of pranks and practical jokes, each determined to come out the champion. But once they catch unexpected feelings, victory begins to mean something else—winning each other's hearts.

All I Want Is You Falon Ballard, 2024-09-24 A USA TODAY BESTSELLER Exes. Professional rivals. Just one bed. What could go wrong? All Jessica has ever wanted is her own happily ever after. But until that happens, she spends her days as a small-time romance writer, penning satisfying Happily Ever Afters to soothe the heartache left by her ex-boyfriend Nick—also a romance writer and now her biggest rival—who has found success writing love stories without happy endings. It's what he's good at, after all . . . So when their professional obligations bring them to a remote inn a few days before Christmas, they're a little more than peeved, especially when they get trapped sharing a room in a snowstorm. But what's more fitting for two romantic writers in a slump? Realizing the friction between them might be the only cure for their writer's block, they decide to turn their frustration into fiction . . . and the pages start flying. But will Jess's heart soar, too? Nick is the last guy on earth she should love . . . but what if he is really all she wants for Christmas?

The Ornithologist's Field Guide to Love India Holton, 2024-07-23 So riotously clever it almost defies description...an alchemy of romantic elements held in perfect harmony.—NPR Rival ornithologists hunt through England for a rare magical bird in this historical-fantasy rom-com reminiscent of Indiana Jones but with manners, tea, and helicopter parasols. Beth Pickering is on the verge of finally capturing the rare deathwhistler bird when Professor Devon Lockley swoops in, stealing both her bird and her imagination like a villain. Albeit a handsome and charming villain, but that's beside the point. As someone highly educated in the ruthless discipline of ornithology, Beth knows trouble when she sees it, and she is determined to keep her distance from Devon. For his part, Devon has never been more smitten than when he first set eyes on Professor Beth Pickering. She's so pretty, so polite, so capable of bringing down a fiery, deadly bird using only her wits. In other words, an angel. Devon understands he must not get close to her, however, since they're professional rivals. When a competition to become Birder of the Year by capturing an endangered caladrius bird is announced, Beth and Devon are

forced to team up to have any chance of winning. Now keeping their distance becomes a question of one bed or two. But they must take the risk, because fowl play is afoot, and they can't trust anyone else—for all may be fair in love and war, but this is ornithology.

**Beg, Borrow, or Steal** Sarah Adams, 2025-01-07 Two feuding second-grade teachers (and neighbors) find themselves teaming up in this new rivals-to-lovers romance set in Rome, Kentucky—from the New York Times bestselling author of *The Rule Book* and *Practice Makes Perfect*. “Sarah Adams writes books with heart and soul. They speak to the people finding their way and being unapologetically themselves in the process. I love her style.”—Hannah Grace, author of *Icebreaker* Emily Walker hates having her carefully crafted world disrupted by anyone, most of all her legendary nemesis, Jack Bennett. He’s the opposite of the wonderful heroes she dreams up in her double life as a romance writer, which is why Emily was perfectly happy when Jack left Rome, Kentucky, mid-school year with his fiancée. The last thing Emily saw coming was Jack’s return at the start of the summer after calling off the wedding and ending his relationship, but he’s here to stay—as her colleague and her neighbor. Jack is glad to be back, eager to renovate his house and work on the next mystery novel under his bestselling pen name. But when he realizes he’s now neighbors with the one woman who has always pushed his buttons, he discovers something he’s even more excited about—thwarting Emily and her petty plans to sabotage his return. With their chemistry-fueled animosity at an all-time high, Emily accidentally sends an email to their school’s principal that could reveal her secret literary side hustle. She needs to steal back her manuscript, and Jack—she hates to admit—is just the man to help her. Surprisingly, he agrees. Will their unlikely alliance put an end to their rivalry? Or could it lead to a steamy plot twist they never saw coming? Look for all of Sarah Adams’s *When in Rome* books: *WHEN IN ROME • PRACTICE MAKES PERFECT • BEG, BORROW, OR STEAL* (Coming Soon!)

*Change of Heart* Falon Ballard, 2025-02-11 A workaholic is faced with striving for the one goal she never wanted: love. Campbell Andrews despises exactly three things in life: incompetence, tardiness, and love stories. Making partner at her law firm at thirty-four, she has no time for anything or anyone else. And certainly no respect for those who choose love over work. That is, until she wakes up in Heart Springs—her own personal hell. The good news? She’s not dead. She’s been magically transported to a small town straight out of the Hallmark channel, complete with a meddling mayor, seasonal festivals, and friendly townsfolk. Cam can’t stand it, but in order to make it back to her real life, she has to fulfill three tasks . . . foremost among them, experience true love. It seems impossible. But anything’s possible with a change of heart.

*When in Rome* Sarah Adams, 2022-09-20 Opposites certainly attract for the stranded pop star and small-town baker in this charming slice of romance from the author of the TikTok sensation *The Cheat Sheet*. “This modern take on the Hepburn classic *Roman Holiday* is a quick, fun, slow-burn rom-com.”—Abby Jimenez, bestselling author of *The Friend Zone* ONE OF NPR’S BEST BOOKS OF THE YEAR Amelia Rose, known as Rae Rose to her adoring fans, is burned-out from years of

maintaining her “princess of pop” image. Inspired by her favorite Audrey Hepburn film, *Roman Holiday*, she drives off in the middle of the night for a break in Rome . . . Rome, Kentucky, that is. When Noah Walker finds Amelia on his front lawn in her broken-down car, he makes it clear he doesn’t have the time or patience for celebrity problems. He’s too busy running the pie shop his grandmother left him and reminding his nosy but lovable neighbors to mind their own damn business. Despite his better judgment, he lets her stay in his guest room—but only until her car is fixed—then she’s on her own. Then Noah starts to see a different side of Rae Rose—she’s Amelia: kindhearted and goofy, yet lonely from years in the public eye. He can’t help but get close to her. Soon she’ll have to return to her glamorous life on tour, but until then, Noah will show Amelia all the charming small-town experiences she’s been missing, and she’ll help him open his heart to more. Amelia can’t resist falling for the cozy town and her grumpy tour guide, but even Audrey had to leave Rome eventually. Look for all of Sarah Adams’s *When in Rome* books: *WHEN IN ROME* • *PRACTICE MAKES PERFECT* • *BEG, BORROW, OR STEAL* (Coming Soon!)

**Right on Cue** Falon Ballard, 2024-02-27 From the beloved author of *Just My Type* and *Lease on Love* comes a new romantic comedy in which a former actress-turned-screenwriter finds herself back in the spotlight, only for her romantic lead to be the one man she can’t stand. Emmy Harper is no stranger to Hollywood, having penned some of the most popular movies of the past few years. But her latest project has hit a standstill—unable to find the perfect leading lady, Emmy’s been recruited to take on the role herself, dusting off acting skills she hasn’t used in over a decade. Things take a turn for the worse when she’s left with the one costar she can’t trust: Grayson West. A blockbuster action hero known for his megawatt smile and impossible abs, Grayson is anyone’s dream of a romantic lead. Too bad Emmy still blames him for her disastrous first movie and the early end to her acting career. The friction between the two risks tanking the movie, and no one knows if it’s lingering awkwardness from their youth or unresolved sexual tension. But if they want to save the production—and their own careers—they need to get their acts together quickly, both on and off camera.

**The Geographer's Map to Romance** India Holton, 2025-04-08 Geography professors in a failed marriage of convenience inconveniently reconnect for an emergency mission in this swoony historical-fantasy rom-com. Professor Elodie Tarrant is an expert in magic disasters. Nothing fazes her—except her own personal disaster, that is: Professor Gabriel Tarrant, the grumpy, unfriendly man she married for convenience a year ago, whom she secretly loves. Gabriel is also an expert in magic disasters. And nothing fazes him either—except the walking, talking tornado that is his wife. They’ve been estranged since shortly after their wedding day, but that hasn’t stopped him from stoically pining for her. When magic erupts in a small Welsh village, threatening catastrophe for the rest of Britain, Elodie and Gabriel are accidentally both assigned to the case. With the fate of the country in their hands, they must come together as a team in the face of perilous conditions like explosions, domesticated goats, and only one bed. But this is easier said than done. After all, there’s no navigational guide for

the geography of the heart.

The Match Sarah Adams, 2020-05-30 From the New York Times bestselling author of *Practice Makes Perfect* comes an expanded edition of *The Match*—a charming romance novel about second chances and the healing power of love, with a never-before-seen chapter. Sometimes love finds you when you least expect it. Evie Jones has dedicated her life and very limited funds working for Southern Service Paws, the company that matched her with the love of her life: Charlie, a service dog trained to assist with her epilepsy. But it's no secret that the company has been struggling to make ends meet. It's up to her and her longtime mentor and boss to throw the fundraiser of the century to keep the doors open. Then Evie meets Jacob Broaden at a client consultation meeting. There are instant sparks—but not the good kind, because Jacob's daughter set up the meeting without his knowledge. Ten-year-old Sam has been recently diagnosed with epilepsy, and has wanted a service animal ever since. While he had hesitations at first, it doesn't take long for Jacob to be convinced that a service dog, and possibly Evie, with her magical, woodland-green eyes, might just be the best thing for him and his daughter. As Evie spends more time with Jacob and helps Sam find her perfect match with a lovable golden retriever named Daisy, she starts longing for something she's never had before: a loving family. For Jacob, falling in love with Evie is the last thing he should be doing, but love has a way of finding those who need it most.

*Hymn-writers of the Nineteenth Century* George Alfred Leask, 1902

Would You Rather Allison Ashley, 2022-08-23 Pitch-perfect...gives me all the feels, and I love every one of them!—Ali Hazelwood, New York Times bestselling author of *The Love Hypothesis* “Ashley makes favorite rom-com tropes feel new again with a pitch-perfect friends-to-lovers story.” —Publishers Weekly starred review Would you rather play it safe in the friend zone, or risk it all with a modern marriage of convenience? Noah and Mia have always been best friends, and their friendship is the most important thing to them. Life is going great for Noah and he's up for a promotion in a job he loves. But Mia's life is on hold as she awaits a kidney transplant. She's stuck in a dead-end job and, never wanting to be a burden, has sworn off all romance. So when the chance of a lifetime comes to go back to school and pursue her dream, it's especially painful to pass up. She can't quit her job or she'll lose the medical insurance she so desperately needs. To support her, Noah suggests they get married—in name only—so she can study full-time and still keep the insurance. It's a risk to both of them, with jobs, health and hearts on the line, and they'll need to convince suspicious coworkers and nosy roommates that they're the real deal. But if they can let go of all the baggage holding them back, they might realize that they would rather be together forever.

*The Essex Hall Hymn and Tune Book* J. Westwood Tosh, 1889
