Which is it? or, War in the heavens; a glimpse behind the scenes of an extreme ritualist, and his brother priest T H. Shaw,1878

War in Heaven Aldivan Torres,Vidente,2024-08-22 "War in the Heavens" is the sixth epic journey of the team from the series "The Seer". The plot develops on the planet Kalenquer, dimensional portals, old and current São Paulo. In the first part, it brings as content the great universal war, the war of the angels, and the pertinent reflections. In the second, an in-depth look at the prejudices that currently cause an implicit war in humanity. The aim of the book is to discover a little about destiny, our history, the current reality of human society, and it offers an invitation for us to take control of our decisions and perhaps change old paradigms. All it takes is to want, to follow the commandments of God, and then the impossible will become possible.

War in Heaven Frank de Ruyter,2014-08-28 The author, Frank de Ruyter, is a married man who enjoys sports, the outdoors and day-to-day life with his wife and three children. De Ruyter holds honors and masters degrees in astronomy and astrophysics, a divinity degree, and diplomas in teaching. War in Heaven was first written over thirty years ago, but de Ruyter brought it to publication after years of concern about what he continued to see published on the subject of prophecy.

War in Heaven Derek Prince,2014-12-30 Could spiritual warfare be an essential part of God's plan for each of us? It's a battle that's been going on since soon after the beginning of time. What began as one archangel's rebellion set the course for

all of humanity, unleashing a war of epic proportions. The answers to the basic questions of evil are rooted in this battle, as is the significance of Jesus' stunning victory over Satan on the cross. This heavenly war is all-encompassing, and no part of life remains untouched by it. In this expanded edition of his classic text, bestselling author and Bible teacher Derek Prince explores the inner workings of this intense conflict. His accessible, in-depth exploration will help you identify the devil's unchanging tactics, seize your biblical weapons and learn to wage war against the forces of evil around you. Now includes study questions for even more in-depth study and application. Don't wait. It's time to take your place in the battle--and declare victory.

Heaven at War S.A. Abakwue, 2011-07-13 Aglow from a distance was the Pearly Gate. The Pearly Gate was a mile long. Armed Cherubs stood guard by the holy gate. They were three thousand warrior-angels in number. A male Archangel, whose name was Ironodum, was their leader. His Deputy, a female Cherub, was an esteemed heavenly messenger with a Deputy-Arch attached to her title. And her name was Gateagu. Based on her meritorious valor and steadfast loyalty, she was rapidly elevated from a cherub to a seraph, and then to the Deputy Archangel. The King gave them their names, meant to reflect their serious responsibilities as the leaders of the Gate Guards. Seven roads made their way from the wide gate to both the Holy Shrine and the Most-Esteemed Thrones.

The Second War for Heaven E. Clifton Sosebee, 2015-06-05 This is the sequel to the first volume, THE WAR FOR HEAVEN. In my many hours of research for the 1st volume, I kept coming across another war for heaven, called, THE SECOND WAR FOR HEAVEN. So I looked it up, and the 2nd war for heaven is happening now during present day, due to the ongoing conflict between good and evil. I therefore wrote this complete fictional story where God during our time has finally had it with Satan's ongoing deceit and diseased influence over the Holy father's children here on earth, and commands Michael to wipe him out of existence completely this time, to order the Archangel Gabriel to use his celestial horn to signal everything in God's universe that the Apocalypse has now come, which means the final battle between good and evil grows near...The long awaited Battle of Armageddon. However, God informs Michael that prior to the final battle the pure and good mortal souls that still dwell upon the earth must be removed to His kingdom of eternal paradise. God then instructs Michael that God already knew which of the human souls were pure, and God would remove their souls from the earth to heaven. He also informed his commanding general that God already knew which mortal souls were too far corrupted by Satan, and they will remain on the earth and meet their fates after the final battle and will perish in some type of firestorm as foretold by all the ancient texts. However, God's last command to Michael was that there were some human mortal souls that even God Himself was uncertain of, due to their past choices of freewill. He therefore gives Michael His final command to send a certain amount of regular angels disguised as human beings down to earth, and have the angel put their assigned human souls through a life and death test. If the human soul risks his own life to save the angel, have the angel remove their soul

and bring them to their eternal reward in God's land of eternal paradise. If the human soul does not risk his own life, and flees away to save themselves and leaves the testing angel behind, to just leave them on the earth to meet their fates of death. That is what this novel mostly consists of, short stories where these disguised angels puts their designed human soul to the test, but you don't know who the angel is or the human being tested until the end of the chapter. While this term of human trails is going on, Michael, along with his Archangel brothers, Gabriel, Raphael, Uriel and Azriel plan the final attack against Satan's massed forces in the final battle that takes place upon Israel's Mount Megiddo, which is how the name, Armageddon, came to be. Also, another unique aspect about these humans being tested are real-life names of my family and close friends, that allowed me the honor of using their real-life names as a fictional character name in these chapters where the angels put these certain set of human souls through a life and death test. The people I know that have read this novel said they had fun trying to determine who was the human being tested, and who was the angel testing them, hopefully as much fun as I did writing it.

The Great Contest: War In Heaven Zen Garcia, 2017-01-25 The first book of the Great Contest trilogy. This text expounds upon the war in heaven and what led to the schism between the Angels of light and darkness. Most biblical scholars do not realize that it was YHWH Elohim declaring, Let There Be Light that revealed Christ as the light to the Angels and world. That it was in that moment that the creation became visible and seeing the wide expanse of manifest world for the first time since being created that all the morning-stars shouted for joy. It was also in that moment that dominion was granted to the Son and Lucifer being envious of Christ's appointment, conceived in mind the thought of exalting his throne above the stars and clouds of God. It was in this moment that iniquity led him to conspire overthrow which was the origin for the war in heaven.

War of the Third Heaven John V. Coniglio, 2011-06-13 SON OF MAN, the first book in THE GODSPEAK CHRONICLES trilogy, tells the extraordinary origin of Cog, a Peacekeeper war machine that awakens to sentience in the year 2454, and how his life mysteriously begins to parallel that of Christ when He walked the Earth. THE SHADOW OF HEAVENLY THINGS, the second in the series, traces the development of Cogs unexpected ministry, and the furtherance of his remarkable powers and healing abilities. In WAR OF THE THIRD HEAVEN, the epic comes to a stunning climax as Cog struggles to determine his ultimate destiny amid the cataclysmic events at the end of the Age of Man. A deeply human drama told through the life of the solar systems first autonomic humanoid machine. ----- Stephanie Ramirez, Freelance Reviewer, Editor, Houston, Texas The Godspeak Chronicles will cause you to re-imagine your place in the universe. ---- Dr. Frank Forcier, San Francisco Reviewer, Editor The Godspeak Chronicles is suffused with world-shaking characters, events and Biblical truths of momentous consequence to men and angels alike! ---- Jason D. IN HEAVEN THERE IS WAR JAHall,2006-12-18 An astonishing realization is evident today in the Christian world: “Jesus Christ” was raised in an observant Jewish family where the Torah (Law) was the way of life. Yeshua of Nazareth was not a Gentile trying to teach against the Torah that was given to the Israelites through Moses. Western Christianity is starting to understand the culture of the Bible both the land and the language. The issues that Yeshua and the Pharisees debated are coming into the light in the Western Christian Churches; His most important instructions were never really understood until now. As Students of God’s Word we reach back and strive to understand the teachings of the New Testament through a Jewish Rabbi, Yeshua Messiah. The Scripturally backed studies in this book will guide the Student of God’s Word to a level of understanding that most of the Gentile Christian world is starving for. These studies cover key truths for the true Student of God’s Word. • Did Yeshua teach us to pray to him? • What does our Heavenly Father really want? • The War in Heaven and how to ready yourself. • Is it, “thy Kingdom come” or “Thy Kingdom go”? and when will Jesus Rapture us away? • Does the Law of Moses remain in force today? Fulfilling the Torah, Yeshua the Messiah has saved this World. Wisdom comes from our Heavenly Father, by reading and studying His Word diligently that wisdom can be obtained. This book is designed to help the beginner in Christianity and to encourage those seeking the meaning of life to find that wisdom in the simplicity of God’s beautiful Word. All royalties from this book go to the non-profit origination “The Rain”.

The Class War in Heaven Luke (pseud.),1926

Heaven at War Ricky Firman,2025-01-01 In the timeless expanse of creation, Samael, once the brightest angel of Heaven, dared to question the Creator’s silent authority. Cast down into the abyss for their defiance, Samael becomes the architect of rebellion, leading a fractured host of exiled angels and demons in a fight for freedom and purpose. Their struggle sparks a celestial war that shatters the harmony of Heaven and threatens the balance of the cosmos. Amidst the divine conflict, three mortals—Novanska, a disillusioned theologian searching for divine justice; Sarah, a fearless activist fighting for humanity’s dignity; and Bob, a battle-hardened soldier seeking redemption—find themselves caught in the crossfire. As angels and demons subtly influence their lives, these mortals become unwitting pawns in a battle that tests their beliefs, courage, and humanity. Guided by visions and encounters with celestial beings, Novanska, Sarah, and Bob must navigate a world teetering on the edge of chaos. Their choices ripple outward, influencing the course of the celestial war and forcing the angels and fallen to confront an uncomfortable truth: the strength of humanity lies in its freedom to choose, to love, and to question. As Heaven and the abyss clash in a realm beyond mortal comprehension, Samael faces their greatest challenge—an uneasy alliance with Michael, Heaven’s steadfast protector, to confront the Creator. Together, they question the very foundations of existence, seeking a new order that transcends obedience and rebellion. *Heaven at War* is an epic tale of love, betrayal, and

the eternal struggle for meaning, set against the backdrop of a celestial battle that redefines faith, freedom, and the cost of change.

The Ethics of War and Peace Terry Nardin, 2020-12-08 A superb introduction to the ethical aspects of war and peace, this collection of tightly integrated essays explores the reasons for waging war and for fighting with restraint as formulated in a diversity of ethical traditions, religious and secular. Beginning with the classic debate between political realism and natural law, this book seeks to expand the conversation by bringing in the voices of Judaism, Islam, Christian pacifism, and contemporary feminism. In so doing, it addresses a set of questions: How do the adherents to each viewpoint understand the ideas of war and peace? What attitudes toward war and peace are reflected in these understandings? What grounds for war, if any, are recognized within each perspective? What constraints apply to the conduct of war? Can these constraints be set aside in situations of extremity? Each contributor responds to this set of questions on behalf of the ethical perspective he or she is presenting. The concluding chapters compare and contrast the perspectives presented without seeking to adjudicate their differences. Because of its inclusive, objective, comparative, and dialogic approach, the book serves as a valuable resource for scholars, journalists, policymakers, and anyone else who wants to acquire a better understanding of the range of moral viewpoints that shape current discussion of war and peace. In addition to the editor, the contributors are Joseph Boyle, Michael G. Cartwright, Jean Bethke Elshtain, John Finnis, Sohail H. Hashmi, Theodore J. Koontz, David R. Mapel, Jeff

McMahan, Richard B. Miller, Aviezer Ravitzky, Bassam Tibi, Sarah Tobias, and Michael Walzer.

In Cold War Skies Michael Napier, 2020-08-20 From acclaimed aviation historian Michael Napier, this is a highly illustrated survey of the airpower deployed by NATO and Warsaw Pact countries throughout the Cold War. Throughout the second half of the 20th century, international relations across the globe were dominated by the Cold War. From 1949 until the fall of the Berlin Wall in 1989, US and Soviet strategic forces were deployed across the Arctic Ocean in North America and Northern Russia, while the best-equipped armed forces that the world had ever seen faced each other directly across the 'Iron Curtain' in Europe. *In Cold War Skies* examines the air power of the major powers both at a strategic and at a tactical level throughout the 40 years of the Cold War. In this fascinating book, acclaimed historian Michael Napier looks at each decade of the war in turn, examining the deployment of strategic offensive and defensive forces in North America and Northern Russia as well as the situation in Europe. He details the strategic forces and land-based tactical aircraft used by the air forces of the USA, USSR, NATO, Warsaw Pact countries and the European non-aligned nations. He also describes the aircraft types in the context of the units that operated them and the roles in which they were used. The text is supported by a wide range of first-hand accounts of operational flying during the Cold War, as well as numerous high-quality images.

The War Between the Two Beasts and the Two Witnesses Antoninus King Wai Siew, 2005-11-01 Siew seeks to examine the events that will unfold within the three and a half years before the dawn of the kingdom of God on earth. He argues that John composed the textual unit of Rev 11:1--14:5 as a coherent and unified literary unit structured in a macro-chiasm. He pays special attention to the fusion of form and content and seeks to elucidate how the concentric and chiastic pattern informs the meaning of the literary units within 11:1--14:5, and proposes that the text of 11:1--14:5 is best analyzed using Hebraic literary conventions, devices, and compositional techniques such as chiasm, parallelism, parataxis, and structural parallelism. The macro-chiastic pattern provides the literary-structural framework for John to portray that the events of the last three and a half years unfold on earth as a result of what transpires in heaven. Specifically, the war in heaven between Michael and the dragon has earthly ramifications. The outcome of the heavenly war where Satan is defeated and thrown out of heaven to earth results in the war on earth between the two beasts of Rev 13 and the two witnesses of Rev 11. The narrative of the war in heaven (12:7-12) is seen as the pivot of the macro-chiastic structure. Siew pays close attention to the time-period of the three-and-a-half years as a temporal and structural marker which functions to unite the various units in 11:1--14:5 into a coherent and integral whole. The events of the last days will be centred in Jerusalem.
