*A Thinking Person's Guide to Love* H.R.H. Prince Ghazi bin Muhammad, 2023-07-01 In this book, over 60 years in the making, the author surveys and sums up the world's understanding of love in all its aspects over the last 3000 years in order to show the stages of love and of falling in love and why, how, when and where they occur...

Of Virgins and Martyrs David Jacobson, 2013-01-31 Explores the role of women's status, bodies, and sexuality in global conflicts. Women's bodies have become a battleground. Around the world, people argue about veiling, schooling for Afghan girls, and SlutWalk protests, all of which involve issues of women's sexuality and freedom. Globalization, with its emphasis on human rights and individuality, heats up these arguments. In *Of Virgins and Martyrs*, David Jacobson takes the reader on a fascinating tour of how self-identity developed throughout history and what individualism means for Muslim societies struggling to maintain a sense of honor in a globalized twenty-first century. Some patriarchal societies have come to see women's control of their own sexuality as a threat to a way of life that goes back thousands of years. Many trace their lineage to tribal cultures that were organized around the idea that women's virginity represents the honor of male relatives and the good of the community at large. Anyone or anything that influences women to the contrary is considered a corrupting and potentially calamitous force. Jacobson analyzes the connection between tribal patriarchy and Muslim radicalism through an innovative tool—the tribal patriarchy index. This index helps to illuminate why women's sexuality, dress, and image so compel militant Muslim outrage and sometimes violent action, revealing a deeper human story of how women's status defines competing moral visions of society and why this present clash is erupting with such ferocity.

**Daughters of Jerusalem** Galya Gerstman, 2023-10-27 *Daughters of Jerusalem* is a saga of three generations of extraordinary Jewish women leading up to the birth of Israel. Lili Ventura immigrates to the Holy Land in 1903 to fulfill a

promise to God, and reinvents herself as a midwife, serving not only the Jews of the Walled City but also Muslims and Christians. Her daughter, Mercada, and granddaughter, Alegra, will fight their own battles against colonialism, the class system, and rising tensions between Jews and Arabs as they continue on Lily's path toward modernity and independence, aspiring to a future without walls, in the City of Peace. In *Daughters of Jerusalem* Galya Gerstman establishes herself as one of our master storytellers. "Galya Gerstman peoples real history with fictitious characters that will have you holding your breath." -Darryl Ponicsán, bestselling author of *The Last Detail* and *Last Flag Flying* "This is a detailed chronicle of the rancorous evolution of Palestine into the state of Israel, but it is, at the same time, a moving and emotionally touching narrative of three generations of a family...captured vividly by the remarkable craftsmanship of Galya Gerstman."

**The Astonishing Adolescent Upheaval in Psychoanalysis** Roosevelt Cassorla, Silvia Flechner, 2024-02-26 This book brings together international contributors to share insight from their theoretical and clinical work with adolescents, considering the different psychopathological responses they see in adolescent patients and how these can be worked with in analysis. Each chapter addresses a specific topic, focusing on representing the clinical realities facing psychoanalysts in treating adolescents with different types of disturbances at the psychic level. They cover a range of situations and perspectives, including discussion of maternal violence, the erotic field, self-mutilation, and social withdrawal, with a core focus on issues affecting contemporary adolescents. Bringing together a vast range of experience, *The Astonishing Adolescent Upheaval in Psychoanalysis* presents a new approach which re-establishes the impact of the responses of significant objects in the impasses present in narcissistic suffering. This book will be of great interest to all psychoanalytic and psychodynamic clinicians working with adolescents.

**ARE YOU A NOT SEE?** Mister Gusano, Robert C. Prentice, William Phideaux, Are you a "Not-See"? Do you not see? Most historians did not see the amazing discoveries explained in this book about the academic work of Professor Dr. Rex Curry. Most people do not see it because they have been deceived by socialist schools (government schools) and the old media. The symbol on the cover of this book represents the "Not-See" movement. Modern political debates often describe the only two opposing alternatives as "Communists" versus "Nazis." The description is a dishonest trick: the words "Communist" and "Nazi" are used to divert attention from the larger shared problem of "Socialism." The famed Linguist Dr. Rex Curry exposed modern historical amnesia concerning Hitler's vocabulary. Almost everyone (including every so-called scholar) refers ignorantly to Hitler as a Nazi or a Fascist and not as a Socialist. Educational Outreach Programs (EOPs) energized by Dr. Rex Curry's scholarship are the only services that inform benighted scholars that Hitler self-identified as Socialist. He did not self-identify as Nazi, nor as Fascist. No other linguist provides this vital public awareness. So, if you ever see a sentence like the following one, then you know it was from EOPs for Dr. Curry's work: Hitler didn't call himself Nazi or Fascist, he called himself Socialist. The linguistic EOPs above led to many amazing historical discoveries, including revelations about Anne Frank's Diary; Adolf Hitler's "Mein Kampf"; Sophie Scholl's White Rose group; Joseph Goebbels' "Der Nazi Sozi"; Martin Niemöller's verse "First They Came For the Socialists"; the swastika symbol, the hexagram (Star of David), and how Hitler changed BOTH symbols together; the etymological history of "Roman Salute"; and much more! Except for the American Linguist Laureate Dr. Rex Curry, every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior; and how the original pledge's use of military salutes led to Nazi salutes. Also, historians did not see the

similar symbolism of Adolf Hitler's NSV, SA, and SS logos, as compared with the logo of Hitler's party: the National Socialist German Workers Party. Even today, only exceptional scholars with extraordinary skills (e.g. Dr. Curry) are able to discern the "S"-letter shape of the NSV's logo (The National Socialist People's Welfare; in German: Nationalsozialistische Volkswohlfahrt). The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz (hooked cross). It is as undetectable as in the symbols for the SS and SA (Schutzstaffel and Sturmabteilung). All historians (other than Dr. Curry) did not see how Hitler used his party's symbol to represent S-letter shapes for SOCIALIST. Do you not see? Professor Curry transformed the culture of India along with Hinduism and Buddhism. Before Dr. Curry's discoveries, Buddhists and Hindus published complaints that "Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol." Educational Outreach Programs (EOP) about Dr. Curry's work taught India's commentators that Hitler's symbol was not a swastika, and that Hitler never called it a swastika. An upheaval occurred among Buddhists and Hindus in their objections. Now they proudly assert: "Hitler called his symbol a Hakenkreuz (hooked cross), not a swastika. It was not the same symbol. Dr. Curry told us!"

**Till the End of Tom** Gillian Roberts, 2006-01-31 Teacher and amateur sleuth Amanda Pepper and her fiancé, C. K. Mackenzie, take on an investigation into the demise of Tomas Severin, who apparently fell to his death at the Philly Prep school, and uncover a cup of herbal tea laced with a dangerous party drug, as well as a host of suspects who wanted the victim dead. Reprint.

**Deconstruction: A Reader** Martin McQuillan, 2017-09-25 Philosophers 'do' 'it', literary critics 'do' 'it', even architects, poets, painters 'do' 'it'. It can involve the concepts of capital, politics, and justice. So what, after all, is deconstruction? Deconstruction: A Reader makes an answer to this question available in the only way possible - by offering a selection of breathtaking range and depth of essential texts. With more than sixty selections by fifty contributors, including nine pieces by Jacques Derrida, this is the ultimate anthology of deconstructive reading, demonstrating that deconstruction is vivid, surprising, varied, and true to the text.

**The Crucible** Yay Panlilio, 2009-10-08 On December 8, 1941, as the Pacific War reached the Philippines, Yay Panlilio, a Filipina-Irish American, faced a question with no easy answer: How could she contribute to the war? In this 1950 memoir, *The Crucible: An Autobiography* by Colonel Yay, Filipina American Guerrilla, Panlilio narrates her experience as a journalist, triple agent, leader in the Philippine resistance against the Japanese, and lover of the guerrilla general Marcos V. Augustin. From the war-torn streets of Japanese-occupied Manila, to battlegrounds in the countryside, and the rural farmlands of central California, Panlilio blends wry commentary, rigorous journalistic detail, and popular romance. Weaving together appearances by Douglas MacArthur and Carlos Romulo with dangerous espionage networks, this work provides an insightful perspective on the war. *The Crucible* invites readers to see new intersections in Filipina/o, Asian American, and American

literature studies, and Denise Cruz's introduction imparts key biographical, historical, and cultural contexts to that purpose.

**Useful Phrases for Everyday Conversation** Atina Amrahs,2025-01-20 A phrase is a set of words that forms a complete meaning and does not always constitute a sentence, and a sentence contains several phrases contained in punctuation marks, which causes its meaning to be unclear and must be determined through the context. There are different types of phrases, which are differentiated by the type of message they express, such as love, popular, anniversaries, friendship, literature, forgiveness, etc. For linguistics, a phrase is an expression made up of two or more words whose joint meaning cannot be deduced from the elements that compose it.

*Last Seen Wearing* Hillary Waugh,2021-02-02 No one saw her leave, and no one knows where she went... It's a perfectly typical day for Lowell Mitchell at her perfectly ordinary university in Massachusetts. She goes to class, chats with friends, and retires to her dorm room. Everything is normal until suddenly it's not—in the blink of an eye, Lowell is gone. Facts are everything for Police Chief Frank Ford. He's a small-town cop, and he knows only hard evidence and thorough procedure will lead him to the truth. Together with the wise-cracking officer Burt Cameron, the grizzled chief will deal with the distraught family, chase dead-end leads, interrogate shady witnesses, and spend late nights ruminating over black coffee and cigars. Everyone tells him what a good, responsible girl Lowell is. But Ford believes that Lowell had a secret and that if he can discover it, this case will crack wide open. Considered one of the first-ever police procedurals and hailed as an American mystery milestone, *Last Seen Wearing*—based on a true story—builds suspense through its accurate portrayal of an official police investigation. Hillary Waugh, who earned the title of Grand Master from the Mystery Writers of America, went on to create several memorable series, but this classic crime novel ranks among his finest work. This next installment in the Library of Congress Crime Classics series will keep readers in suspense until the final page.
