*Cornucopia of Poems, Quotes and Short Stories* Dawn Balchin,2024-03-28 This book offers poignant observations on overlooked aspects of life, conveyed through accessible writing to widen perspectives. Spanning various themes, I delve beneath the surface details that often escape our awareness, elevating them into consciousness through reflections from an intuitive lens. My aim is to open up unconventional avenues of exploration beyond the status quo. Rather than adhering to fixed structural formulas, I let the prose flow freely as an organic extension of my authentic self. There is a subtle power when words channel directly from their source within the mind, heart, and soul. The observations contained in these pages stem from quiet moments of inward attentiveness to what moves me. I find insight in the seemingly mundane, resonating with the extraordinary inherent in ordinary life when we pause to notice. Through spare yet stirring language, I unpack my personal revelations, hoping readers may gain fresh eyes to see the wonder always available just below the veil of habit. This book is my heart felt offering to everyone to read and to enjoy.

**Love Is in the Air** Brenda J. Scruggs,2021-04-19 Love Is in the Air (Letter #79) Dear Frederick, Did you know that an act of generosity can move you, delight you, and shake up your world in the most wonderful way? Well, it can. Your generosity of time has moved me, delighted me, and has shaken up my world in a wonderful way. I appreciate you spending so much time with me on the telephone. I can't even begin to imagine how things would have been had we not been able to communicate in that way. Everybody's time is important to them, yet you have shared so much of yours with me. I love you, Frederick. Yours forever and a day, Lauren This novel was written based on actual events. After having been in a great marriage for many years, Lauren was saddened by the death of her husband. She could not remain stagnant; she had to move on with her life. Once you are in a loving relationship and it ends, knowing what love is and how it feels, you want to be in another loving relationship. Lauren met several men along the way, but none of them was what she was looking for. Then along came Frederick. Frederick attended the same high school as Lauren, but they did not really know each other during those years. They knew of each other, but they did not know each other. Who knew that years later they would meet and share in a relationship. Lauren was a devout Christian and Frederick was not. A rocky road is ahead for Lauren and Frederick as they try to adjust to each other, as well as accommodate their families' desires for them to not be in a relationship. Much drama surrounds this couple as they try to plug her positive into his negative. Will they make it? Only time will tell. This is their story as told by Lauren.

Lectures on Romans Martin Luther, 1961-01-01 Wilhelm Pauck enhances his fresh translation of Luther's Lectures on Romans with a body of notes which, along with his lucid introduction, greatly enhances the usefulness of Luther's work. Long recognized for the quality of its translations, introductions, explanatory notes, and indexes, the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history. Through these works--each written prior to the end of the sixteenth century--contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries.

*Romans* Michael J. Gorman, 2022-03-03 "Above all, Romans is a letter about Spirit-enabled participation and transformation in Christ and his story, and thus in the mission of God in the world." This commentary engages the letter to the Romans as Christian scripture and highlights the Pauline themes for which Michael Gorman is best known—participation and transformation, cruciformity and new life, peace and justice, community and mission. With extensive introductions both to the apostle Paul and to the letter itself, Gorman offers background information on Paul's first-century context before proceeding into the rich theological landscape of the biblical text. In line with Paul's focus on Christian living, Gorman interprets Romans at a consistently practical level, highlighting the letter's significance for Christian theology, daily life, and pastoral ministry. Questions for reflection and sidebars on important concepts make this especially useful for those preparing to preach or teach from Romans—the "epistle of life," as Gorman calls it, for its extraordinary promise that, through faith, we might walk in newness of life with Christ.

**Matthew, Mark, Luke, and Paul** David Oliver Smith, 2011-07-01 Matthew, Mark, Luke, and Paul takes you on a journey through the Synoptic Gospels and the Epistles providing a new solution to a literary puzzle that has vexed biblical scholars for over two-hundred years--The Synoptic Problem. When the Synoptic evangelists, Matthew, Mark, and Luke sat down to write their gospels did they have copies of some of the epistles? This book examines the Synoptic Gospels, Hebrews, and Paul's Epistles finding many intriguing similarities, suggesting that the Synoptic evangelists used extensive parts of the epistles to weave into their stories of the ministry of Jesus of Nazareth. David Oliver Smith then compares these epistle-based passages to the theoretical lost gospel Q and finds that a large portion of what many New Testament scholars consider to be

contained in Q may have its inspiration in the Epistles.

Life in the Spirit Douglas Finn,2015-12-31 Since the nineteenth century, many philosophical and theological commentators have sought to trace lines of continuity between the Trinitarian thought of Augustine of Hippo (354–430) and G. W. F. Hegel (1770–1831). Many contemporary Christian theologians have also criticized Augustine's Trinitarian theology generally and his doctrine of the Holy Spirit more specifically through this historical lens. At the same time, Hegelian Trinitarian conceptual dynamics have come to exert a strong influence over contemporary Trinitarian theology. In *Life in the Spirit*, Douglas Finn seeks to redress several imbalances with respect to Augustine, imbalances that have one of their hermeneutic causes in a Hegelian-influenced theological tradition. Finn argues that common readings of Augustine focus too much on his *De Trinitate*, books 8–15, betraying a modern—and to some extent Hegelian—prejudice against considering sermons and biblical commentaries serious theological work. This broadening of Augustinian texts allows Finn to critique readings of Augustine that, on the one hand, narrow his Trinitarian theology to the so-called psychological analogy and thus chart him on a path to Descartes and Hegel, or, on the other hand, suggest he sacrifices a theology of the Trinitarian persons

on the altar of divine substance. Augustine's Trinitarian theology on Finn's reading is one fully engaged with God's work in history. With this renewed understanding of Augustine's Trinitarianism, Finn allows Augustine to interrogate Hegel with his concerns rather than only the other way around. In this ambitious study, Finn shows that Hegel's rendition of Christianity systematically obviates whole swaths of Christian prayer and practice. He does this nonpolemically, carefully, and with meticulous attention to the texts of both great thinkers.

**The Thiselton Companion to Christian Theology** Anthony C. Thiselton,2015-02-06 Covering everything from Abba to Zwingli, The Thiselton Companion to Christian Theology offers a comprehensive account of a wide sweep of topics and thinkers in Christian theology. Written entirely by eminent scholar Anthony Thiselton, the book features a coherence lacking in most multiauthored volumes. Drawing on his encyclopedic knowledge, gained from fifty-plus years of study and teaching, Thiselton provides some six hundred articles on various aspects of theology throughout the centuries. The entries comprise both short descriptive surveys and longer essays of original assessment on central theological topics -- such as atonement, Christology, God, and Holy Spirit -- and on such theologians as Aquinas, Augustine, Barth, Calvin, Kng, Luther, Moltmann, and Pannenberg. The book also includes a helpful time chart dating all of the theologians discussed and highlighting key events in Christian history; select reading suggestions conclude each of the longer entries. Equally valuable for research and teaching, The Thiselton Companion to Christian Theology will be a go-to reference for pastors, students, teachers, and theologians everywhere.
