Timepass Protima Bedi,2000-10-14 In 1974, pictures appeared in magazines and newspapers of Protima Bedi streaking down a road in the centre of Bombay in broad daylight. There was immediate uproar. The incident was, in many ways, the culmination of a life of youthful rebellion and brash sexuality that Protima, the scandalous model and wife of the rising star of Bollywood, Kabir Bedi, had lived ever since she ran away from home to live 'in sin'. Barely four years later, the glamorous flower child had reinvented herself as an accomplished classical dancer, a devotee of Goddess Kali, and chosen the sari over slit skirts and halter-necks. Shortly before her death, she had shaved her head and decided on a monk's life. She died in August 1998, in a landslide in the Himalayas while on a pilgrimage to Kailash Mansarovar, leaving behind her most lasting achievement—a flourishing dance village, Nrityagram, where students continue to learn the classical dance styles of India. Few lives have been more eventful and controversial than Protima Bedi's, and Timepass, derived from her unfinished autobiography, journals and her letters to family, friends and lovers, is a startlingly frank and passionate memoir. Protima

recounts with unflinching honesty the events that shaped her life: her humiliation as a child at being branded the ugly duckling, repeated rape by a cousin when she was barely ten, the failure of her 'open' marriage with Kabir Bedi, her many sexual encounters, and the romantic relationships she had with prominent politicians and artistes. She writes, too, of her involvement with dance, her relationship with her guru and fellow dancers, the difficult mission of establishing Nrityagram, and the suicide of her son—a tragedy from which she never fully recovered. In a moving afterword to the book, her daughter, Pooja Bedi, describes her last days and the circumstances of her death. Illustrated with over fifty photographs, Timepass is the story of a remarkable woman who had the spirit, the courage and the intelligence to live life entirely on her own terms.

Sanathana Sarathi English Volume 07 (2012 - 2021) Sri Sathya Sai Media Centre, 2022-11-12 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in

November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.

Desi Dreams Ashidhara Das,2012 Desi Dreams focuses on the construction of self and identity by Indian immigrant professional and semi-professional women who live and work in the US. The focus in this anthropological fieldwork is on Indian immigrants in the San Francisco Bay Area. They have often been defined as a model minority. Indian immigrant women who have achieved entry into the current technology based economy in the Silicon Valley value the capital-accumulation, status-transformation, socio-economic autonomy, and renegotiation of familial gender relations that are made possible by their employment. However, this quintessential American success story conceals the psychic costs of uneasy Americanization, long drawn out gender battles, and incessant cross-cultural journeys of selves and identities. The outcome is a diasporic identity through the recomposition of Indian culture in the diaspora and strengthening of transnational ties to India.

The Voice in the Drum Richard K. Wolf,2014-10-30 Based on extensive field research in India and Pakistan, this new study examines the ways drumming and voices interconnect over vast areas of South Asia and considers what it means for instruments to be voice-like and carry textual messages in particular contexts. Richard K. Wolf employs a hybrid, novelistic form of presentation, in which a fictional protagonist interacts with Wolf's field consultants, to communicate ethnographic and historical realities that transcend the local details of any one person's life. The narrative explores how the themes of South Asian Muslims and their neighbors coming together, moving apart, and relating to God and spiritual intermediaries resonate across ritual and expressive forms such as drumming and dancing. Wolf weaves in the story of a family led by Ahmed Ali Khan, a North Indian ruler who revels in the glories of 19th century life, when many religious communities joined together harmoniously in grand processions. His journalist son Muharram Ali obsessively scours the subcontinent in pursuit of a music he naively hopes will dissolve religious and political barriers. The story charts the breakdown of this naiveté. A daring narrative of music, religion and politics in late twentieth century South Asia, The Voice in the Drum delves into the social and religious principles around which Muslims, Hindus, and others bond, create distinctions, reflect upon one another, or decline to acknowledge differences.
