**Lock, Stock and Peril** Charlie Cochrane, 2022-06-06 They may be locked down but this case isn't. Lockdown is stressful enough for Chief Inspector Robin Bright. Then a murder makes this strange time even stranger. In one of Kinechester's most upmarket areas, the body of Ellen, a brilliant but enigmatic recluse, has lain undiscovered for days. Pinning down the time—and date—of death will be difficult, but finding a killer during unprecedented times could prove impossible. Adam Matthew's focus on his pupils is shaken when a teaching assistant reveals his godmother has been murdered. Keen to avoid involvement, Adam does his best to maintain a distance from his husband, Robin's, case, but when it keeps creeping up, Adam lends his incisive mind to the clues again. Between Robin trying to understand the complex victim and picking his way through a mess of facts, half truths, and downright lies from witnesses desperate to cover up their own rule-breaking, he realises this could be the cold case that stains his career and forever haunts a community. And when it looks like the virus has struck Adam, Robin's torn between duty and love.

*Why Do We Quote?* Ruth Finnegan, 2011-03-01 Quoting is all around us. But do we really know what it means? How do people actually quote today, and how did our present systems come about? This book brings together a down-to-earth account of contemporary quoting with an examination of the comparative and historical background that lies behind it and the characteristic way that quoting links past and present, the far and the near. Drawing from anthropology, cultural history, folklore, cultural studies, sociolinguistics, literary studies and the ethnography of speaking, Ruth Finnegan's fascinating study sets our present conventions into crosscultural and historical perspective. She traces the curious history of quotation marks, examines the long tradition of quotation collections with their remarkable recycling across the centuries, and explores the uses of quotation in literary, visual and oral traditions. The book tracks the changing definitions and control of quoting over the millennia and in doing so throws new light on ideas such as imitation, allusion, authorship, originality and plagiarism.

*Inevitable and Only* Lisa Rosinsky, 2017-10-10 What if you suddenly found out you had a sister . . . and she took over your life? Cadie is close to her father. They are so much alike—same temperament, sense of humor, and love for the theater—and Dad always knows how to comfort her . . . until the day he announces that he has another daughter. Suddenly, Cadie has a sister, Elizabeth—a sister who is six months older than her, a sister who is about to move in with them, a sister whose very

existence means that Cadie's beloved father cheated on her mother when they were already married. What other secrets might he have? Can she still trust him? Does Cadie really know her father at all? And when Elizabeth arrives, Cadie's worst fears come true. Elizabeth looks just like Dad; not only that, she seems all too perfect. Until she begins stealing Cadie's place in the family and even Cadie's one true love . . . But Elizabeth has secrets of her own. This deeply emotional coming-of-age story explores the choices you make when your family—and your life—changes overnight. Are these choices the inevitable and only ones? And will they ultimately bring your family back together or push you further apart?

The Mega Misconception Book James Egan, 2016-11-02 This book is a combination of 365 Things People Believe That Aren't True 365 More Things People Believe That Aren't True Another 365 Things People Believe That Aren't True 500 Things People Believe That Aren't True The world map is inaccurate. Silencers don't exist. Everyone mispronounces Mt. Everest. Samurais rarely used swords. The Wild West was nothing like you would imagine. The Illuminati only existed for eight years. Satanists don't worship the Devil. Abraham Lincoln didn't care about black people. Amelia Earhart did not mysteriously vanish. Egypt doesn't have the most pyramids nor the biggest. Radiation isn't dangerous. We don't know anything about Druids. Not all pirates were criminals. Some of them were government agents. Rastafarians don't call themselves Rastafarians. The Sun is not on fire. Hamlet wasn't a popular play during Shakespeare's time. Archeologists know who built the Easter Island heads. The Amish do use electricity. Nazis never called themselves Nazis.

**The Identicals** Elin Hilderbrand, 2017-06-13 The instant New York Times bestseller is a fun, delightful, un-putdownable novel about two identical twin sisters who couldn't look more alike . . . or live more differently (PopSugar). Nantucket is only eleven miles away from Martha's Vineyard. But they may as well be worlds apart for estranged twin sisters Harper and Tabitha Frost. After not speaking for more than a decade, Harper and Tabitha switch islands-and lives-to save what's left of their splintered family. But the twins quickly discover that the secrets, lies, and gossip they thought they'd outrun can travel between islands just as easily as they can. Will Harper and Tabitha be able to bury the hatchet and end their sibling rivalry once and for all? Before the last beach picnic of the season, there will be enough old resentments, new loves, and cases of mistaken identity to make this the most talked-about summer that Martha's Vineyard and Nantucket have experienced in ages. Parent Trap vibes with an adult twist...One of Hilderbrand's most binge-worthy confections. —Elisabeth Egan, New York Times

The Elements of Expression Arthur Plotnik, 2012-06-12 Presents a guide to writing and speaking expressively, offering advice on such topics as high energy verbs, figures of speech, syntax, word patterns, and vocabulary.

**The Bondage of Bitterness** Mervin January, 2018-01-03 No matter how long you have been saved, it is inevitable that even the most holy Christians must endure a constant battle with un-forgiveness! This inspirational book is about one man's journey through life, including difficulties of broken relationships, legal battles, and triumph over personal addictions. Against all odds, he became a pastor who uses his past to fuel his ministry in an effort to inspire others. His relationship with Jesus Christ has given his life new meaning. The story is a fanciful saga of continuous moments involving betrayal, defeat, victory, transformation, and change as the only constant. It is a Christian-based message that shows the vicissitudes of life from a more subjective angle. We believe that this original true-life experience will bless your socks off! It is a concise power pack of emotions which spring forth through articulated passion.

*Mums Online* Conrad Riker, This book exposes the true nature of women based on their discussions and debates on the Mums online website. Through the analysis of their behaviors, attitudes, desires, and desires for drama and intrasexual competition, readers will gain a deeper understanding of the inherent differences between the sexes, as seen from a rational, red-pilled male perspective. These revelations aim to dismantle any myths perpetuated by progressive ideologies like feminism and help men maintain healthy relationships while protecting themselves from the dark side of the female psyche.

*Murder Your Darlings* Mark McCrum, 2023-09-25 Darkness lurks in sunny Italy after a woman dies at a creative writing retreat and her teacher must investigate: "Amusing . . . Readers will have fun." —Publishers Weekly Named a "Book of the Year" by Mail on Sunday and Literary Review Francis Meadows is soaking up the late summer sun in Italy, running a creative writing course at the beautiful Villa Giulia, deep in the remote Umbrian countryside. His students include snooty, irritating Poppy and her ex-ambassador husband; eccentric Northern Irishman Liam, who writes angry poems about the Troubles; kooky American Sasha, younger than most of the group; and mysterious possible spy Tony, amongst others. But what should have been a magical week turns into something sinister when one of the group is found dead in the sauna. The local police quickly turn to amateur sleuth Francis for help. Uncovering betrayal, lies, secrets, and old scores to be settled, Francis soon realizes danger is lurking beneath the genteel and civilized veneer . . . "A neat twist on the classic English-country-house formula." —Kirkus Reviews

With two of his men and one crucial witness dead, Special Agent Kyros Pappandreas can't afford to be distracted. But Gemma is dazzling—and her connection to Kandy Laine's high-profile cooking empire makes her an especially easy mark for some very bad people. **Accidental Hero** Lauren Nichols, 2011-07-15 WAY OUT WEST THE HELL-RAISER AND THE PREACHER'S DAUGHTER Ross Dalton had always been trouble—the kind a good girl like Maggie Bristol should stay away from. But she'd never been able to get that across to her heart. And it seemed as if nothing had changed, even though she was the law in the part of Montana now, and he was a suspected thief. Ross had become a sinfully seductive man—and Maggie still ached for him. Now she longed to prove to this town—and to him—that Ross Dalton was a better man than anyone knew.... Because there's nothing like a cowboy.

*The Ten Commandments for This Dummy* Vicky Corona, 2010-04-26 The Ten Commandments for This Dummy As divorce continues to plague our society, anger and frustration have become the norm for our growing children. The purpose of this book is to motivate couples to examine their personal demons prior to divorce, thus teaching valuable lessons of faith. This book details my straightforward, honest, and sarcastic journey through the author's own divorce. Each chapter of this book begins with the original commandment, the redneck version, and the author's own version. Each chapter discusses the author's view of the commandment, relative to marriage. The first chapter begins with the author's personal story of how she put her spouse before God. It discusses different ways we push God aside in our lives and how to put God back as our top priority. The second chapter discusses the manner in which we talk to others as well as to God. Especially when making false promises because we have an urgent need to be filled. It discusses how we should praise God always, not just in a time of need. The third chapter discusses much needed rest in each marriage. It details prayer time, family time, and alone time. I discuss implementing a "personal" day into your monthly schedule. This will help you rejuvenate with friends and God. Chapter four expresses concern about advice from others. It details good advice and bad advice. The purpose of this chapter is to convince the reader that friends and family are not the best source of advice or opinions. It explains how we should seek God when we have questions and discuss these issues with appropriate people. The fifth chapter explains how murder can be committed by words with no tangible weapon necessary. It also discusses how so many people today use their children as their weapon of choice. Chapter six discusses infidelity and how very often both have fault in the situation. It details feelings of everyone involved, including the children. It also discusses how to overcome this tragedy through the grace of God.

Chapter seven discusses taking things that do not belong to you. It encompasses possessions, time, manipulation, self-esteem, and the past. Chapter eight explains that no matter the size or color of the lie, it is still a lie. It also details the issue of “withholding information” which is used by so many people today. The ninth chapter discusses how our selfish desires can trick the heart and mind. It explains the “what if” situations that so many people fantasize about. It discusses having full faith in God to know that he will not let you go somewhere you shouldn’t be. The final chapter details jealousy and how it affects everyone around you. It discusses the difference in needs and wants. It details how faith will provide the needs necessary for spiritual growth then from that growth, the desires of the heart will be abundant.

**Leave No Trace** Jo Callaghan, 2025-01-07 From the bestselling author of *In the Blink of an Eye* comes an inventive thriller that pits algorithms against experience, logic against instinct, and one undetectable killer against two extraordinary detectives. “Unswervingly gripping and scary, and at the same time beautifully tender and humane.”—Nicci French, author of *Has Anyone Seen Charlotte Salter?* When the body of a man is found crucified at the top of a hill in the British Midlands, AIDE Lock—the world’s first AI detective—and Detective Kat Frank are thrust into the spotlight as they are given their first live case. *No Man is Just a Number* Robert Clarke, 2025-05-28 A gritty yet high-spirited tale of life and death. This humorous and witty true-crime memoir tells of one man's place in a flawed system, whose resilience and dedication shine through his often-harsh reality. As a directionless young man, when Robert sent off an application to be a police officer he did not stop to consider what it might entail. His career began in the mid-nineties, and he hit the ground running, quickly finding no two days were the same. Being a police officer is a test of someone's potential, but also of their limits, which was increasingly true following Robert's subsequent transition to the firearms team where his reality became armed sieges, dawn raids and plugging bullet wounds with his fingers. This remarkable story offers a valuable insight into British policing and is the perfect blend of true crime, comedic action and human drama. Tracking such a varied and impressive career demonstrates how we can all go beyond our limitations to make a positive change in the world. Offering amusement, perspective, and hope, this book is a must read.
