

Books On The History Of Israel

Bernard Reich

A History of Israel John Bright, 2000-01-01 A definitive text and resource for every student of the Old Testament, this fourth edition of John Bright's now classic work is newly introduced by William P. Brown.

A History of Israel Howard Morley Sachar, 1996 Account of Israel from its early 19th century ideological beginnings to the most recent peace agreements with Egypt, Jordan and the Palestinians.

Israel Anita Shapira, 2012 A history of Israel in the context of the modern Jewish experience and the history of the Middle East

The History of Israel Martin Noth, 1960

Israel Daniel Gordis, 2016-10-18 Winner of the Jewish Book of the Year Award The first comprehensive yet accessible history of the state of Israel from its inception to present day, from Daniel Gordis, one of the most respected Israel analysts (The Forward) living and writing in Jerusalem. Israel is a tiny state, and yet it has captured the world's attention, aroused its imagination, and lately, been the object of its opprobrium. Why does such a small country speak to so many global concerns? More pressingly: Why does Israel make the decisions it does? And what lies in its future? We cannot answer these questions until we understand Israel's people and the questions and conflicts, the hopes and desires, that have animated their conversations and actions. Though Israel's history is rife with conflict, these conflicts do not fully communicate the spirit of Israel and its people: they give short shrift to the dream that gave birth to the state, and to the vision for the Jewish people that was at its core. Guiding us through the milestones of Israeli history, Gordis relays the drama of the Jewish people's story and the creation of the state. Clear-eyed and erudite, he illustrates how Israel became a cultural, economic and military powerhouse—but also explains where Israel made grave mistakes and traces the long history of Israel's deepening isolation. With Israel, public intellectual Daniel Gordis offers us a brief but thorough account of the cultural, economic, and political history of this complex nation, from its beginnings to the present. Accessible, levelheaded, and rigorous, Israel sheds light on the Israel's past so we can understand its future. The result is a vivid portrait of a people, and a nation, reborn.

The History of Ancient Israel Michael Grant, 2012-02-16 The definitive guide to the history of ancient Israel. The History of Ancient Israel covers the epic story of Jewish civilisation from its beginnings to the destruction of Jerusalem, and the Temple in AD 70. It deals with Israel's relations with the great empires which shaped its development and with the

changing internal structure of the Jewish state, drawing both on excavation and the Hebrew Bible.

A History of Israel Howard M. Sachar, 2013-07-31 First published in 1976, Howard M. Sachar's *A History of Israel: From the Rise of Zionism to Our Time* was regarded one of the most valuable works available detailing the history of this still relatively young country. Decades later, readers can again be immersed in this monumental work. The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s; the rise of Jewish nationalism; the beginning of the political Zionist movement and, later, how the movement changed after Theodor Herzl; the Balfour Declaration; the factors that led to the Arab-Jewish confrontation; Palestine and its role both during the Second World War and after; the war of independence and the many wars that followed it over the next few decades; and the development of the Israeli republic and the many challenges it faced, both domestic and foreign, and still faces today. This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and controversial histories in the world.

A Brief History of Israel Bernard Reich, 2008 Narrates the complex tale of Israel's people and their modern state, established thousands of years after the destruction of the old one, against the backdrop of exile, anti-Semitism, Zionism, and the Holocaust.

Israel Martin Gilbert, 1998

History of Israel Walter C. Kaiser,

A History of Israel, 1951

Israel - History, 1957

The History of Israel, 1966

The History of Israel, Volume 1 Georg Heinrich Ewald, 2004-09-27

The History of Israel, 5 Volumes Georg Heinrich Ewald, 2004-09-27

Israel Rufus Lears, 1966

A History of Ancient Israel and Judah James Maxwell Miller, 1986-01-01 A significant achievement, this book moves our understanding of the history of Israel forward as dramatically as John Bright's *A History of Israel*, Martin Noth's *History of Israel*, and William F. Albright's *From the Stone Age to Christianity* did at an earlier period.

The History of Israel Heinrich Ewald, 1886

A History of Israel in Old Testament Times Siegfried Herrmann, 1975

Reclaiming Israel's History David Brog, 2017-03-20 The Real History of Israel and the Palestinians No history is so disputed as the history of Israel. Some see Israel's creation as a dramatic act of justice for the Jewish people. Others insist that it was a crime against Palestine's Arabs. Author David Brog untangles the facts from the myths to reveal the truth about the Arab-Israeli conflict. In *Reclaiming Israel's History* you'll learn how the Jewish people have maintained a continual

presence in the Land of Israel for over 3,000 years—despite centuries of Roman, Byzantine, and Muslim persecution; how the Romans invented the word Palestine as a way to sever the connection between the Jewish people and their land (and how subsequent conquerors doubled down on this strategy); how modern Jewish immigration to Palestine did not displace Arabs but instead sparked an Arab population boom; and the largely untold story of how the leader of Palestine's Arabs collaborated with the Nazis to murder Jews in Europe before they could reach their ancestral homeland. You'll also learn why most of Palestine's Arabs never identified themselves as Palestinians until after the 1967 War; the extraordinary lengths to which Israel's military goes to protect Palestinian civilians (and the high price Israel's soldiers pay for this morality), and how the Palestinians have on separate occasions rejected Israel's offers of a Palestinian state in virtually all of the West Bank and Gaza. Brog frankly admits to Israel's sins both large and small, but notes that in any fair-minded analysis these have been far out-weighed by Israel's commitment to Western values, including freedom, democracy, and human rights. Honest, provocative, and timely, especially given rising anti-Semitism and the aggressive delegitimization of Israel, David Brog's *Reclaiming Israel's History* is the book for every reader who wants to understand what is really happening in the Middle East.

Yeah, reviewing a ebook **Books On The History Of Israel** could increase your close connections listings. This is just one of the solutions for you to be successful. As understood, capability does not recommend that you have astounding points.

Comprehending as capably as contract even more than supplementary will give each success. bordering to, the notice as skillfully as acuteness of this Books On The History Of Israel can be taken as capably as picked to act.
