Harlan Coben Spring 2022 Harlan Coben, 2022-03-15 In this gripping new thriller from the #1 New York Times bestselling author of *The Boy from the Woods*, Wilde--the ex-military operative with no memory of his past--follows a tip that he hopes will finally solve the mystery of his abandonment, but instead sends him straight into the arms of a serial killer. After months away, Wilde is back at home in the Ramapo Mountains, living as off-the-grid as possible after a failed bid at domesticity confirms for him what he's known all along: he will always, both for better and for worse, remain free from the comforts and the constraints of modern life. Suddenly, a match at an online ancestry database puts Wilde on the trail of a close relative--the first family member he will have ever known. Only this stranger-turned-kin disappears as quickly as he resurfaces, having experienced an epic fall from grace that can only be described as a waking nightmare. Can Wilde discover the whereabouts of the only link to the truth before the trail goes cold once again? And who else may be looking, willing to do anything in their power to make sure Wilde's past stays buried and what's missing stays gone for good?

The Boy from the Woods Harlan Coben, 2020-03-17 A man with a mysterious past must find a missing teenage girl in this shocking thriller from the #1 New York Times bestselling author of *Run Away*. Thirty years ago, Wilde was found as a boy living feral in the woods, with no memory of his past. Now an adult, he still doesn't know where he comes from, and another child has gone missing. No one seems to take Naomi Pine's disappearance seriously, not even her father—with one exception. Hester Crimstein, a television criminal attorney, knows through her grandson that Naomi was relentlessly bullied at school. Hester asks Wilde—with whom she shares a tragic connection—to use his unique skills to help find Naomi. Wilde can't ignore an outcast in trouble, but in order to find Naomi he must venture back into the community where he has never fit in, a place where the powerful are protected even when they harbor secrets that could destroy the lives of millions . . . secrets that Wilde must uncover before it's too late.

Only, this relation disappears as quickly as he's resurfaced. Undaunted, Wilde continues his research, becoming caught up in a secret community committed to exposing anonymous online trolls.
