**Playground** Aron Beauregard,2022 Three low-income families have been given a handsome retainer to join Geraldine Borden for a day at her cliffside estate. All the parents must do to collect the rest of their money is allow their children to test out the revolutionary playground equipment Geraldine has been working on for decades. But there's a reason the structures in the bowels of her gothic castle have taken so long to develop--they were never meant to see the light of day. When a band of dysfunctional children is suddenly thrust into a diabolical realm of violence, they must grow up instantly to have a chance at survival. Will they find a way to put their differences aside, or be swallowed up by the insidious architecture all around them?--Back cover.

**Monstersin the Mills** Christa Carmen,L.E. Daniels,2024-07-08 DEEP IN THE WEEDS, THEY WAIT. Behind graffitied fences or obscured by woods, the abandoned mills of New England watch...for thrillists and historians, urbexers and developers, or just the average passer-by. Omnipresent and looming, the mills lure the innocent to their mysteries, secrets...and terrors. The We are Providence writers hunt what lurks among the crumbled bricks and strangling sumac. A widower on a demolition crew wakes the revenants. A musician rents a foundry's rehearsal space...and otherworldly tenants practice on him. A lonely girl combs the ruins to find an unsettling friend. A bitter punk moves into a refinery where her best friend vanishes. A criminal breaks into a cloth factory to discover a sentient—and sinister—machine. These sixteen terrifying tales and two poems suggest when abandoned mills beckon, it's best to ignore them. After all, they've come to collect their due.

**The Playground Book** Harry Sperling,2015-10-21 From the FOREWORD. The main motive in the preparation of this book is to present a fairly limited choice of the very best games and dances adapted to playground conditions and purposes in order that any novice just beginning his or her playground work may with confidence refer to them for help and inspiration. The playground is essentially a place for play. Play is recreation. Play gives health to the body and joy to the soul. Whoever has not tasted the pleasures of youth's playgrounds has missed much of the sweetness of life. That which brings together the group for restful, relaxing, re-creative, vigorous, social, joyous activity, is an uplifting force of incalculable value. That which makes us laugh with unbounded joyousness and fills the heart with unselfish love helps to lubricate the wheels of altruism. A good game, a lively exhilarating dance, a sweet, simple song-play, a spirited race, - all these help to enhance the joy of living. The writer, in submitting this collection of ten of the best in five separate playground activities, does so with a feeling of confidence that, given the opportunity, children will play these games and perform these dances with a wholesome joyousness that will amply repay any instructor who has taken the trouble to teach them.

Both a reminiscence and a practical manual, this study probes the philosophy of play, the stages of a child's behaviour and social interaction in recreation, and the educational value of playgrounds.
