Midnight and the Meaning of Love Sister Souljah, 2011-10-11 The New York Times bestselling author of *Life After Death*, delivers her most compelling and enlightening story yet about young, deep love, the ways in which people across the world express their love, and the lengths that they will go to have it. Powerful and sensual, *Midnight* is an intelligent, fierce fighter and Ninjutsu-trained ninja warrior. He attracts attention wherever he goes but remains unmoved by it and focuses on protecting his mother and sister and regaining his family's fortunes. When *Midnight*, a devout Muslim, takes sixteen-year-old Akemi from Japan as his wife, they look forward to building a life together, but their tumultuous teenage marriage is interrupted when Akemi is kidnapped and taken back to Japan by her own father, even though the marriage was consummated and well underway. "There's not one drop of inferiority in my blood," *Midnight* says as he first secures his

mother, Umma, and sister, Naja, before setting off on a global journey to reclaim his wife. Midnight must travel across three countries and numerous cultures in his attempt to defeat his opponent. Along this magnificent journey he meets people who change him forever, even as he changes them. He encounters temptations he never would have imagined and takes risks that many a lesser man would say no to, all for the women he loves and is sworn to protect.

Midnight Sister Souljah,2009-09-08 In her bestselling novel, *The Coldest Winter Ever*, Sister Souljah introduced the world to Midnight, a brave but humble lieutenant to a prominent underworld businessman. Now, in a highly anticipated follow-up to her million-selling masterpiece, she brings readers into the life and dangerously close to the heart of this silent, fearless young man.

The Coldest Winter Ever Sister Souljah,2004-11-16 Tells the story of a young woman born in the Brooklyn ghetto to a wealthy, drug-dealing family.

Midnight Sister Souljah,2008-11-04 Midnight is a hustler-but one with a mindset and a mission. A tall, dark, and handsome hero in his own way, Midnight would, in mainstream American society, be characterized as a threat and dismissed as a criminal. But in her beautiful, captivating style, Sister Souljah reveals the heart of a man that readers will love and cheer for until the very end. When Midnight came to America from the Sudan, he was just seven years old with a mother who spoke no English and a baby sister on the way. Midnight has to grow up fast on the violent and dangerous streets of Brooklyn. Amidst the poverty and lawlessness, Midnight must find some way to survive, thrive, and defend his family and way of life-no matter what it takes.

The Crisis ,2009 The Crisis, founded by W.E.B. Du Bois as the official publication of the NAACP, is a journal of civil rights, history, politics, and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color. For nearly 100 years, The Crisis has been the magazine of opinion and thought leaders, decision makers, peacemakers and justice seekers. It has chronicled, informed, educated, entertained and, in many instances, set the economic, political and social agenda for our nation and its multi-ethnic citizens.

A Moment of Silence Sister Souljah,2016-10-04 Having returned from a worldwide journey to reclaim his wife, Akemi, Midnight returns to Queens, where he hopes to create a new, less tumultuous life with his love. But things fall apart when violence targets his younger sister Naja. Forsaking his usual control, the ninja warrior kills his sister's attacker in cold blood, forcing him on the run and into the only shelter he can find: a seedy money laundering ring whose members are in league with the police. Though Midnight is promised temporary refuge, he's soon recognized for the murder of Naja's attacker, and lands in jail. Separated from his love, his city, and his family, Midnight must cling to his Muslim beliefs to stay strong. But soon enough, he meets Ricky Santiago, the man who will become his leader and father figure...and perhaps, his only hope --

Midnight and the Meaning of Love Sister Souljah,2011-10-04 Midnight is a young man who was born into a wealthy and

politically influential Islamic African family in the Sudan. Sent to the United States with his pregnant mother as a small boy to escape an attack on his father's empire, Midnight learns to survive on the streets of Brooklyn while never forgetting his roots. As he grows to young manhood, he must defend his family and their way of life, all while they build a business and remain true to their beliefs. This is a story that has never been told before, from a perspective that never gets heard. At the core of this global adventure are the universal themes of love, manhood, womanhood and family. With MIDNIGHT AND THE MEANING OF LOVE, Sister Souljah engages many of the most dominant themes of our time and does so with riveting intensity. African American Novels in the Black Lives Matter Era E. Lâle Demirtürk, 2019-08-09 *African American Novels in the Black Lives Matter Era: Transgressive Performativity of Black Vulnerability as Praxis in Everyday Life* explores the undoing of whiteness by black people, who dissociate from scripts of black criminality through radical performative reiterations of black vulnerability. It studies five novels that challenge the embodied discursive practices of whiteness in interracial social encounters, showing how they use strategic performances of Blackness to enable subversive practices in everyday life, which is constructed and governed by white mechanisms of racialized control. The agency portrayed in these novels opens up alternative spaces of Blackness to impact the social world and effects transformative change as a forceful critique of everyday life. *African American Novels in the Black Lives Matter Era* shows how these novels reformulate the problem of black vulnerability as a constitutive source of the right to life in their refusal of subjection to vulnerability, enacted by white institutional and individual forms of violence. It positions a white-black-encounter-oriented reading of these "neo-resistance novels" of the Black Lives Matter era as a critique of everyday life in an effort to explore spaces of radical performativity of blackness to make happen social change and transformation.

A History of the African American Novel Valerie Babb, 2017-07-31 This History is intended for a broad audience seeking knowledge of how novels interact with and influence their cultural landscape. Its interdisciplinary approach will appeal to those interested in novels and film, graphic novels, novels and popular culture, transatlantic blackness, and the interfacing of race, class, gender, and aesthetics.

Brooklyn Fictions James Peacock, 2014-11-20 Vast and diverse, Brooklyn is often portrayed in literature as a place of traditional community values and face-to-face relations, distinct from anonymous, capital-driven Manhattan. *Brooklyn Fictions* discovers what such representations of the New York borough can teach us about diversity and the individual, the local and the global. Combining analysis of popular texts such as Sister Souljah’s *The Coldest Winter Ever* with more canonical novels such as Jonathan Lethem’s *The Fortress of Solitude*, this study draws on the work of a variety of theorists on

community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces. With cities often depicted as sites of conflict and fear, this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues involved in conceptualizing and portraying it in literature.
