Ten Things I've Learnt About Love Sarah Butler, 2013-07-11 About to turn thirty, Alice is the youngest of three daughters, and the black sheep of her family. Drawn to traveling in far-flung and often dangerous countries, she has never enjoyed the closeness with her father that her two older sisters have and has eschewed their more conventional career paths. She has left behind a failed relationship in London with the man she thought she might marry and is late to hear the news that her father is dying. She returns to the family home only just in time to say good-bye. Daniel is called many things—tramp, bum, lost. He hasn't had a roof over his head for almost thirty years, but he once had a steady job and a passionate love affair with a woman he's never forgotten. To him, the city of London has come to be like home in a way that no bricks and mortar dwelling ever was. He makes sculptures out of the objects he finds on his walks throughout the city—bits of string and scraps of paper, a child's hair tie, and a lost earring—and experiences synesthesia, a neurological condition which causes him to see words and individual letters of the alphabet as colors. But as he approaches his sixties his health is faltering, and he is kept alive by the knowledge of one thing—that he has a daughter somewhere in the world whom he has never been able to find. A searching and inventive debut, *Ten Things I've Learnt About Love* is a story about finding love in unexpected places, about rootlessness and homecoming, and the power of the ties that bind. It announces Sarah Butler as a major new talent for telling stories that are heart-wrenching, page-turning, and unforgettable.

But Pig is busy, and keeps sending Rabbit away. But no matter what Pig does, Rabbit is inspired to add another thing to his list. When Pig says, "Rabbit, I'm starting to lose my patience!" Rabbit has #6—"I love Pig because he's not afraid to show his feelings!" Fortunately, Pig's dwindling patience is rewarded when Rabbit completes his list—and the two realize exactly why they are such good pals.

Love's Garden Peggy Rowe-Ward, Larry Ward, 2008-05-10 A collection of real-life Buddhist love stories, with commentary and guided exercises for couples developed by Peggy Rowe-Ward and Larry Ward, senior students and ordained Dharma teachers in the tradition of Zen Master Thich Nhat Hanh. These personal stories, from couples of a range of different ages and experiences, illustrate how Buddhist principles can help couples navigate any stage of their relationship. It took the authors some good living and good loving before they realized that the love that they were seeking was already present and available in the depths of their hearts and mind. Love does not depend on anything that is happening Out There and is not dependent on anything he or she might do. It depends on our own willingness to look within and to act. This insight is a result of practicing the teachings of the Buddha on right diligence and right effort. The authors have been studying and practicing with Zen master Thich Nhat Hanh and they are happy to report that the practices work. In iLove's Garden the authors offer key practices such as The Three Keyes (see excerpt) for the transformation of suffering and the establishment of happiness. These practices have helped them see each other's happiness as their own. They share stories and illustrations from their own life and also and those of their friends and students. brbrThe practice is not difficult. We simply need to get in touch with and nourish the practices that are helping us to experience peace. And then we need to stop doing the things that keep us from experiencing peace. Larry Ward

Written in a lyrical, yet didactic style, Drummond intertwines anecdotes, biblical references, and philosophical reflections to illustrate love's role as a unifying force. Situated in the 19th-century revivalist movement, the work emerges as a response to the growing industrialization and materialism of the era, seeking to rekindle spiritual depth and interpersonal connection through the lens of divine love.
