Through the Eyes of Jesus Ames, 2011-09-01 This hard cover book contains Volumes 1, 2 and 3 of Through the Eyes of Jesus and would make an ideal gift for anyone who wishes to learn more about the down to earth interaction of Jesus with His Disciples on the roads to Jerusalem. Are the events and details of Jesus' life told here true? I got my 'yes' answer as I compared them with the life of Jesus as I had learned it from the gospel, church teaching and tradition. To imagine the events told here without an interior vision would be as easy as writing the gospels without Divine assistance. - Richard T McSorley S.J. - Theologian

Through the Eyes of Jesus C. Alan Ames, 1996-04-20 The Lord Jesus shows Alan parts of His life as He walked through the Holy Land. He shows Alan events that happened, discussions between the Lord and the Apostles, and He allows Alan to

perceive some of His thoughts. The words are elegant, yet simple, so that all may understand the profound messages that the Lord gives.

Through the Eyes of Jesus Mack Thomas, 1995 A life of Jesus based on the Bible and told from the perspective of Christ.

Luke Dr. David Jeremiah, 2019-06-18 Jesus is the Great Physician... Follow Dr. Jeremiah through the gospel of Luke in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. According to the apostle Paul, Luke was a beloved physician who traveled with him on several of his missionary journeys. However, Luke's real passion was in setting down an orderly account that detailed the birth, ministry, death, and resurrection of Jesus. This was a task for which Luke was well suited, for he was both a thoughtful man of science and a great observer of people. Luke took great care in relating the information he collected, but he also emphasized the care that Jesus, as the Great Physician, extended to people everywhere—both Jewish and Gentile alike. Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to help you apply the key ideas to their lives. Reflecting on the Meaning: A closing reflection on the key teachings in the lesson. —ABOUT THE SERIES— The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. In each study, you'll gain insights into the text, identify key stories and themes, and be challenged to apply the truths you uncover to your life. By the end of each study, you'll come away with a clear and memorable understanding of that Bible book. Each study also contains a Leader's Guide.

Faces in the Crowd Donna S. Thomas, 2011-06-01 By sharing her simple and practical ideas, Donna Thomas gives readers the confidence they need to become world-changing disciples. She is advocating a missional lifestyle not a program. She covers the basics of international ministry: how to start a conversation; how to build a meaningful relationship; and how to work the Lord into ongoing conversations. With sensitivity, Thomas helps readers overcome their fears and then understand how to befriend and witness to people of another faith or cultural background.

Mission 3:16 Paul Borthwick, 2020-06-09 Paul Borthwick unpacks the Bible's most famous verse to unveil God's intentional, sacrificial mission for the world. He examines every word in John 3:16 to reveal the underlying motivation for mission, the global scope of God's call, and how we are invited to enter into partnership with God. God still loves the world, and we can too.

Transformational Vision Dan Schafer, Stan Toler, 2018-06

Revival Culture Michael Brodeur, Banning Liebscher, 2013-01-17 We all want revival. We talk about it, pray for it, and devise every evangelism strategy imaginable. We read about the Great Awakening and recall the Jesus Movement. And today

we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth. But are we ready? Revival Culture is an inspirational, biblical, and empowering manual for the next generation of revivalists. Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding, California, and through Jesus Culture, that goes beyond slogans and high hopes to actually reaching. They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event. This is the full picture of revival culture.

JESUS NEVER WASTES PAIN Keturah C. Martin, 2014-05-09 This book is a credit to Jesus Christ, who sustained the author through repeated and prolonged abuses of unmentionable proportions for several decades. The #1 purpose of this book is to glorify Jesus who is the Great Physician of impossible shatters, abuse, and heart-shreds, even amid emotional comatose and poly-fragmented dissociation. The #2 purpose of the book is to identify with the broken, rejected, and abused and to commend you all for your strength and survival. It is written as a voice for all the survivors of abuse and for those who may be currently trapped as a victim. It is written as a source of inspiration to offer hope to those who are on the healing journey, or desire to begin this journey to hope, healing, and freedom. The #3 purpose of the book is as a resource for those who are open-minded enough to be willing to learn how to understand and help the broken and abused and receive a deeper comprehension of the realities they face. We cannot correctly represent Jesus if we cannot see the abused and brokenhearted through His eyes and heart. When we truly see them through His heart and eyes, we will be propelled into compassionate action just as Jesus was. This book addresses and gives hope for abuse issues and aftermath on every level that many may prefer to shove under the carpet. This includes not only the various abuses out there but some of the aftermath such as extreme emotional agony, suicide, dissociation, rejection, PTSD, and satanic bondage. The enemy of our soul loves darkness and delights to feed on the unresolved anguish and footholds that are buried in his closets. With God's help, the enemy and his tactics must be exposed and those whom he has wounded and/or holds captive must be freed, for he is defeated through the blood of the Great Physician, Jesus Christ!

Faithful Adam Hamilton, 2017-10-03 From his beginnings as a humble carpenter to his all-important role as the earthly father of Jesus Christ, Joseph's place in the nativity story is sometimes overlooked but contains valuable lessons for all of us. Join Adam Hamilton as he examines Christmas through the eyes of Joseph. Absent from much of the biblical narrative, Joseph never spoke a word, but his courageous actions were crucial to the birth of Christ and God's salvation plan for humanity. As you read this book, you will understand how Joseph's story is much like our own. In life, we encounter circumstances that we would never have chosen for ourselves. At times it can be tempting just to walk away. Joseph provides us a great example of humbly obeying God even when we don't understand and faithfully moving forward in the strength that God provides. Exchange your doubt for courage this Advent and Christmas season. The story of Joseph provide us a great example of

humbly obeying God even when we don't understand and faithfully moving forward in the strength that God provides. Additional components for a four-week adult study include a comprehensive Leader Guide and a DVD featuring author and pastor Adam Hamilton. What Every Small-Group Leader Should Know Larry Kreider, 2010-08-11 With over 30 years of experience in leading small groups, pioneer Larry Kreider writes, "I am completely convinced that if God can use me, He can use anyone!" Most people have untapped leadership potential, and unleashing those abilities is often just a matter of equipment and motivation. Called According to His Purpose Dr. Crawford G. Clark, 2021-11-21 Disabilities affect individuals from all walks of life - from the CEO at the largest fortune 500 company to the small business owner at the corner grocery store; from the pastor at the biggest church to the custodian at the local elementary school; from famous celebrities from all walks of life to small-town military heroes. Dr. Crawford G. Clark and his wife have endured a daily struggle raising two children with disabilities. He knows that parents in a similar situation suffer in silence, doing their best to survive each day. Many people have no clue what challenges they face. In this book, the author leads you on a journey of what it's like to raise children with disabilities, including the difficulties with people not being very sympathetic toward children or parents. He covers subjects such as isolation, identity, idiosyncrasies, education, discipline, community, and how God views disabilities. In addition, he shares the story of Theodore DeShields, a good friend whose story speaks to all of us. While he was never supposed to be born, he became a strong person of faith who blessed all those around him.

What Have They Done with Jesus? Ben Witherington III, 2006-10-03 Strange theories about Jesus seem to ooze from our culture with increasing regularity. Ben Witherington, one of the top Jesus scholars, will have none of it. There were no secret Gnostic teachings in the first century. With leading scholars and popular purveyors of bad history in his crosshairs, Witherington reveals what we can—and cannot—claim to know about the real Jesus. The Bible, not outside sources, is still the most trustworthy historical record we have today. Utilizing a fresh personality profile approach, Witherington highlights core Christian claims by investigating the major figures in Jesus's inner circle of followers: Mary the mother of Jesus, Mary Magdalene, Thomas, Peter, James the brother of Jesus, Paul, and the mysterious beloved disciple. In each chapter Witherington satisfies our curiosities and answers the full range of questions about these key figures and what each of them can teach us about the historical Jesus. **What Have They Done with Jesus?** is a vigorous defense of traditional Christianity that offers a compelling portrait of Jesus's core message according to those who knew him best.
