The Companion is a valuable accompaniment to the First Certificate Direct Student's Book for exam candidates in Greece, and the Answer Key provides guidance to the Companion for teachers or students studying independently. Its aim is to extend students' understanding of the grammar points covered in the course, and to clarify the new vocabulary in each unit. The grammar and vocabulary focus is designed to be especially useful to students whose first language is Greek. For each Student's Book and Workbook unit, the Companion lists the new vocabulary with a definition from the Cambridge Learner's Dictionary and a translation of each word for quick and easy comprehension. To consolidate the grammar covered in the course, the Companion also provides explanations in Greek of grammar points, and additional grammar exercises to consolidate new language.
