

La Santa Inquisizione In Italia

Carlo Tivaroni

Gli eretici d'Italia Volume 2 (of 3) (Italian Language) Cesare Cantù, 2014-11-14 Example in this ebook DISCORSO XXI. PAOLO III. L'ARETINO SUGGERIMENTI DI RIFORME. TEATINI E GESUITI. Alessandro Farnese avea studiato sotto Pomponio Leto, poi alla Corte dei Medici erasi formato nell'erudizione elegante e ne' facili costumi; parlava squisitamente italiano e latino, rifuggendo ogni frase che classica non fosse: amante delle belle arti, cominciò in Roma il più bel palazzo del mondo; teneva splendida villa presso Bolsena; affabile e mansueto quanto magnifico, indulgeva alle fragilità umane, e prediligeva un figlio, che poi diffamossi col nome di Pier Luigi duca di Parma. Da Alessandro VI creato cardinale, in quarant'anni aveva assistito a cinque conclavi; quando di sessantasette anni, in prima per ispirazione, poi per scrutinio, i trentasette elettori a schede aperte lo celebrarono papa. Da Martino V in poi nessun altro romano era salito pontefice, onde pensate che tripudj menò il popolo! Denominatosi Paolo III, non volle che i Farnesi paressero da meno dei Medici, sicchè ordinò a Michelangelo di continuare i cartoni pel Giudizio universale e i palazzi sul Campidoglio; fece in Vaticano la sala Regia e la cappella Paolina, sul Palatino gli orti Farnesiani, e può dirsi rifabbricasse Roma; colla fortezza Paolina tenne in freno i Perugini: spossessò i sempre riottosi Colonna. Persuaso che si riesce sempre, purchè s'abbia la pazienza d'aspettare e l'abilità di cambiare le vie secondo le circostanze, bilanciò anch'egli tra la Francia, sempre breve dominatrice in Italia, e Carlo V che, prevalendo, avrebbe qui dominato solo: e sperò aver riconciliate le due emule potenze e pacificatele nel congresso di Nizza, dove col re di Francia e coll'imperatore cercò impedire gl'incrementi della Riforma e l'avanzarsi dei Turchi, contro i quali esibiva 200,000 scudi d'oro e 12,000 armati, oltre la facoltà d'alienare beni ecclesiastici per mezzo milione d'oro. Ma insieme poneva improvvido studio a ingrandire il suo Pier Luigi, al quale attribuì varj dominj della Santa Sede, e infine il ducato di Parma e Piacenza, col pretesto di impedire fosse annesso al Milanese, e così aumentasse la potenza di Carlo V. Ad Alessandro, figlio quattordicenne di Pier Luigi, diede la porpora e la collazione di quasi tutti i benefizj del Novarese; a Ottavio, altro figlio di quindici anni, il governo di Roma, poi la mano di Margherita, bastarda di Carlo V, colla speranza d'averne il Milanese. Ma invece Carlo V assecondò i congiurati piacentini che scannarono l'esecrato Pier Luigi, e occupò Piacenza. Quando, atterrito da questo colpo, il papa piangeva e disperavasi, non mancò qualche cardinale di rivelargli i turpi comporti del figlio ucciso e la necessità di rendersi esempio, anzichè scandalo al mondo. Ma è notevole che, mentre con disordinata politica, apriva brutto arringo alle dicerie dei Protestanti, Paolo III comprese lo spirito cattolico, e

secondando quelli che lo ridestavano negli intelletti e nei costumi, nominò da settanta cardinali, de' quali ben quattro ottennero poi la tiara; lasciava che in concistoro ognuno dicesse liberamente il suo parere; si pose attorno eccellenti prelati, quali il Caraffa, il Sadoletto, il Contarini, il Polo, il Ghiberti, il Fregoso, il modenese Badia, maestro del Sacro Palazzo; tutti che aveano per cure particolari cominciato la riforma della Chiesa. Formò di essi una commissione per attendere a questa, e ai membri di essa scriveva: Te speramus electum, ut nomen Christi, jam oblitum a gentibus et a nobis clericis, restituas in cordibus et in operibus nostris; ægritudines sanes; oves Christi in unum ovile reducas; amovaesque a nobis iram Dei et ultionem eam quam meremur, jam paratam, jam cervicibus nostris imminentem. To be continue in this ebook

The Business of the Roman Inquisition in the Early Modern Era Germano Maifreda, 2016-11-18 Established in 1542, the Roman Inquisition operated through a network of almost fifty tribunals to combat heretical and heterodox threats within the papal territories. Whilst its theological, institutional and political aspects have been well-studied, until now no sustained work has been undertaken to understand the financial basis upon which it operated. Yet – as *The Business of the Roman Inquisition in the Early Modern Era* shows – the fiscal autonomy enjoyed by each tribunal was a major factor in determining how the Inquisition operated. For, as the flow of cash from Rome declined, each tribunal was forced to rely upon its own assets and resources to fund its work, resulting in a situation whereby tribunals increasingly came to resemble businesses. As each tribunal was permitted to keep a substantial proportion of the fines and confiscations it levied, questions quickly arose regarding the economic considerations that may have motivated the Inquisition's actions. Dr Maifreda argues that the Inquisition, with the need to generate sufficient revenue to continue working, had a clear incentive to target wealthy groups within society who could afford to yield up substantial revenues. Furthermore, as secular authorities also began to rely upon a levy on these revenues, the financial considerations of decisions regarding heresy prosecutions become even greater. Based upon a wealth of hitherto neglected primary sources from the Vatican and local Italian archives, Dr Maifreda reveals the underlying financial structures that played a vital part in the operations of the Roman Inquisition. By exploring the system of incentives and pressures that guided the actions of inquisitors in their procedural processes and choice of victims, a much clearer understanding of the Roman Inquisition emerges. This book is an English translation of *I denari dell'inquisitore. Affari e giustizia di fede nell'Italia moderna* (Turin: Einaudi, 2014).

Renaissance Inquisitors: Dominican Inquisitors and Inquisitorial Districts in Northern Italy, 1474-1527 Michael Tavuzzi, 2007-06-30 During the Renaissance there was no centralized Inquisition in northern Italy until Pope Paul III founded the Roman Inquisition in 1542, but there was a dense network of autonomous papal inquisitors. Based on extensive archival research, this study investigates the life of the Dominican friars from whom these inquisitors were mostly drawn. It focuses on a selection of hitherto almost unknown but representative inquisitors to cast new light on their formation, appointment and careers, as well as their principal pursuits - the prosecution of heretics, especially Waldensians and Judaizers, and, most

of all, the hunting of witches, for it was at its most intense in northern Italy during the Renaissance, over a century before reaching its peak in Northern Europe.

La Santa Inquisizione In Italia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free La Santa Inquisizione In Italia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing

individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is

worth noting that while accessing free La Santa Inquisizione In Italia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of La Santa Inquisizione In Italia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About La Santa Inquisizione In Italia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. La Santa Inquisizione In Italia is one of the best book in our library for free trial. We provide copy of La Santa Inquisizione In Italia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with La Santa Inquisizione In Italia. Where to download La Santa Inquisizione In Italia online for free? Are you looking for La Santa Inquisizione In Italia PDF? This is definitely going to save you time and cash in something you should think about.
