Interlude Devangshu Anchalia, 2020-09-15 'Interlude' is an attempt at going all the way and letting the imagination run wild in response to whatever life throws at us. It is an attempt at exploring the thoughts that engulf and emotions that overwhelm. Some of these poems were surprisingly, ahead of their times. While the whole world was unsure of what was to come next, I decided to go for a quick walk and savor the old world for one last time before it changes completely. Stories, anecdotes and passages in the form of a verse on rhyme and meter, in the form of songs and alliterations or in the form of a verse as free as the birds uncaged into the sky, this is a collection of poems from the time when life is explored with passion, zeal, honesty and an unwavering dissent. Compiled at the time when the whole planet was locked down, this is my interlude between the old world and the new.

Choice Joseph Granda-Padron, 2007-08-01 New poems by the author of *Abstraction* and three previous collections of poetry.

An A-Z of Hellraisers Robert Sellers, 2010-05-20 An A-Z of Hellraisers is the last word on inebriated misbehaviour, and the miscreant mob in this whopper of a book constitute the most amazing grouping to see print: from Alexander the Great, whose drunken revelries once ended with the destruction of an entire city; to W. C. Fields, who passed critical judgement on a brass band by urinating over them from a hotel balcony; Dylan Thomas, who drove a sports car onto Charlie Chaplin's private tennis court; to Led Zeppelin drummer John Bonham, suffocating on his own vomit after consuming forty measures of vodka - what a night out that was! This hilarious volume makes for an ideal bedside companion or pub reading fodder, as it scrutinises and salutes these glorious individuals, from Winston Churchill to Keith Moon, George Best to Ernest Hemingway, Wild Bill Hickok to Sam Peckinpah, Ozzy Osbourne to Errol Flynn. Just thank God we didn't have to live next door to any of them.

The Gospel of Leadership Ryan Krupa, 2018-09-21 This book is an odyssey into the truth of leadership's nature and essence. Written for aspiring leaders, teachers of leaders, and followers, the aim is to practice awakening a leader's potential. The book mirrors and reflects the inner nature of the leadership journey. It is written in a contemplative style and uses dialogue to exercise a leader's will, intelligence, and spirit. The techniques taught in these chapters are dialogue, meditation, and contemplation. The author seeks to teach leaders how to exercise the power of will and the power of

intelligence to make the kinetic chain of knowing, willing, and acting morally and intellectually strong. Reading this book serves as a leadership development exercise. This book is a teaching tool designed to demystify what takes place in the interior nature of a leader. It examines a leader's soul, as it is exercised and strengthened in preparation for the cardinal act of leading, and it analyzes the act of making practical judgments, an act that demands the cultivation of a discerning mind to see and know the truth to be acted upon. Based on a true story, these chapters are a reflection on the formation of a leader and a realization of twenty years of research. The author studies the question: What does it take to develop a leader? Deliberations on eight years of guiding leaders on moral and intellectual quests in search of true freedom are revealed.

Everything's Eventual Stephen King, 2007-05 A collection of short fiction features L.T.'s Theory of Pets, Lunch at the Gotham Café, and In the Deathroom, as well as 1408, about a writer whose stay in Room 1408 at the Dolphin Hotel turns his life upside down.

The Irresistible Rise of Mediocre Man: The War On Excellence Joe Dixon, 2018-07-31 Imagine a world without quality. That world is coming. Quality is being assassinated by mediocrity. We are told that a rising tide lifts all boats. A rising tide of mediocrity makes everything mediocre and drowns everything of quality. You can't find any quality because it is surrounded by so much mediocrity. Nietzsche said, The higher we soar the smaller we seem to those who cannot fly. Mediocre people cannot recognize quality. For them, it's tiny, very far away, and irrelevant to their lives. Vicki Corona wrote, Remember that life is not measured by the number of breaths we take, but by the moments that take our breath away! In the land of mediocrity, life is measured more and more by the former and features none of the latter. We live in a muzak world, a world of sanitized, sterilized elevator music, designed to be as innocuous as possible, forming a uniform background, a background of absolute, mind-wiping mediocrity. The whole world is becoming like that. What will you do about it?

THE WAY OF THE INFP Tom Avander, 2022-03-31 The INFP personality is often viewed for having a generous persona while keeping a low-key profile in the public room. Although this is true, their inside is often the contrary. Their vivid and imaginary perception can just as well take wild routes if it's for the right cause, whether it be for some of their passions or something they wholeheartedly believe in. They start early with seeking meaning in what they do by orienting themselves and questioning anything that catches their curiosity. They do so by asking why and what if, to which they try to find explanations for by making abstract connections and seeing potentials to how things work in the big picture, and how things could be. This causes them to be highly innovative and solution-driven characters that not unoften feel difficult to let people fully understand them. THE WAY OF THE INFP is an in-depth book written with the perspective of an INFP which introduces the reader to the INFPs idealistic nature and how they view themselves as of their potential in this world. The book takes the reader deep into topics on how the INFPs view authenticity, faith and symbolism, how they seek creativity in their daily life, their moments of isolation, love and friendship and so much more. Jump abroad, set the sails and let's make our way into the

journey of - THE WAY OF THE INFP.

In the Company of Women Grace Bonney, 2016-10-04 New York Times Bestseller "I want to rip out every page of this glorious book and hang them on my wall so that I can be surrounded by these incredible women all day long." —Emma Straub, New York Times bestselling author of *The Vacationers* and *Modern Lovers* Over 100 exceptional and influential women describe how they embraced their creative spirit, overcame adversity, and sparked a global movement of entrepreneurship. Weight... Lost!: Changing perceptions on losing weight, getting healthy, and living happy Matthew Nuesse D.C. CME, 2024-08-20 Diets are dead! If you are sick of gimmicks, pills, and potions that simply do not work, then this book is for you. This no nonsense, pull-no-punches approach to the process of weight loss is for anyone who has been burned repeatedly by fad diets and is truly ready for a change. Inside we dig into the reasons that fad diets never work and the mentality that is

needed to maintain a healthy weight for life. In *Weight... Lost!* Dr. Nuesse dives deep into the broken system of weight management in the developed world. He ties his own clinical experience working in weight loss with concepts from traditional philosophy and statistics on the growing health crisis we face. Together he paints a clear picture of why people struggle so desperately to lose weight and then maintain, and what specifically can be done for those who are truly sick and tired of being sick and tired.

Thinking through Thomas Merton Robert Inchausti, 2014-01-10 With the publication of *The Seven Storey Mountain* in 1948, Thomas Merton became a bestselling author, writing about spiritual contemplation in a modern context. Although Merton (1915-1968) lived as a Trappist monk, he advocated a spiritual life that was not a retreat from the world, but an alternative to it, particularly to the deadening materialism and spiritual vacuity of the postwar West. Over the next twenty years, Merton wrote for a wide audience, bringing the wisdom of Christianity, Buddhism, and Sufism into dialogue with the period's contemporary thought. In *Thinking through Thomas Merton*, Robert Inchausti introduces readers to Merton and evaluates his continuing relevance for our time. Inchausti shows how Merton broke the high modernist trance so that we might become the change we wish to see in the world by refiguring the lost virtues of silence, contemplation, and community in a world enamored by the will to power, virtuoso performance, radical skepticism, and materialist metaphysics. Merton's defense of contemplative culture is considered in light of the postmodern thought of recent years and emerges as a compelling alternative.

Sex With Angels: The Watchers and the Watched Jack Tanner, 2018-03-07 The Nephilim were on the earth in those days, and also after that, when the sons of God went to the daughters of men, and had children by them. - Genesis 6:4 Who were the sons of God? They were angels, and they mated with human females (daughters of men) to create a hybrid race of angel-humans (the Nephilim), some of whom are reputed to be still alive in the present day. What is sex with angels like? It's said that once you go angel, you never go back to human. Is having sex with angels dangerous? Is there any truth behind the rumor that angels are obsessed with women's hair, as St. Paul suggested? Is sex with angels the purest sex, or the dirtiest? This book explores the entire context of having sex with angels. Via Dante's *Divine Comedy* - which describes an epic journey through hell, purgatory and paradise - a formula is provided for how you might simulate having sex with angels. Could you literally undergo a metamorphosis and become an angel: a son, or daughter, of God?

Debt and Indebtedness at Emar Maurizio Viano, 2023-06-19 This book is the first comprehensive study of debts and credit system at Emar. It focuses on the socio-economic aspects of credit access and indebtedness as well as on the motivations

behind debts and debt settlement in the city of Emar. The credit system is analyzed through several factors: the purpose of debts, i.e., productive or consumptive; the procedures for granting loans; the strategies put in place to meet an obligation and to cope with economic difficulties; the consequences of non-fulfillment, which may lead to servitude or slavery; the different types of slavery; slave prices; the mechanisms of enslavement; and termination of slavery. Moneylending practices and the formation of servile conditions at Emar are studied in the context of the Syrian economy aiming to understand whether the Emar evidence conforms with a socio political and economic crisis that is generally acknowledged to have struck Syria, Anatolia and Northern Mesopotamia at the end of the Late Bronze Age. This work is of sure relevance for scholars interested in socio-economic history, not only of the pertinent historical-geographical area.

Mutt Lee Glenwright,2025-02-18 Matthew Locke lives in a place that he has hated for far too long. A sprawling, violent, dirty city where no one cares, and most people would sooner beat you to a pulp as look at you. He exists day to day, getting by in the shadow of his ex-girlfriend and her possessive new partner. At least the city provides a cover of sorts. He has no love for what he is, either, whatever that might be. He does what he does because he needs to, not because he likes or wants to. So, when it seems that a serial killer is stalking the streets of the city, claiming the lives of the sort of people least likely to be missed, Matt gladly takes advantage of the situation. Before too long however, he starts to realise that the killer might have an agenda of their own, and the police might soon start to have the same suspicions. Matthew Locke will have to make a choice; whether to accept what he really is, as well as what he can be. He will find that, whether he likes it or not, sometimes, change is necessary in more ways than one. The debut novel from Lee Glenwright, author of Ripe, and Others and Insatiable.
