A Summer to Remember Lew Freedman, 2014-04-01 While the Cleveland Indians are known lately more for being cellar dwellers than world champions, that wasn't the case in 1948. Ranked by the Sporting News as the ninth-best team in baseball history, the '48 Indians were a colorful group of guys, led by the always colorful Bill Veeck, the future Hall of Famer who was running his first team. But the Indians weren't just well run in the front office; their team on the field was comprised of seven future Hall of Famers. Player-manager Lou Boudreau would not only lead his team to the playoffs, but would also become the first shortstop to ever win the American League's Most Valuable Player award. He also relied on pitchers Bob Feller, Bob Lemon, and Negro leagues legend Satchel Paige (then forty-one years old), as well as second baseman Joe Gordon and right fielder Larry Doby, who followed Jackie Robinson by only a few weeks in breaking the color barrier in baseball. The Indians finished the '48 season at 97-58 and were tied with Joe McCarthy's Boston Red Sox, which led to the first-ever one game playoff in American League history. The Indians were victorious and would then defeat the Boston Braves in six games to win the World Series. The Monsters of Municipal Stadium is a fantastic look at one of the greatest teams ever to play the game, and at how everyone involved in this extraordinary season—from the players to management—made 1948 a memorable year for baseball and the city of Cleveland. A SUMMER TO BE TREASURED James H. Barrett Jr.,2014-01-21 For forty-five-year-old Josh Rusty O'Brien, it seems only a few years ago he was a young boy growing up in Oakwood Acres, Pennsylvania, a quiet suburb where everyone knew everyone. That thought takes him back to the summer of 1973, when he and his buddies were fifteen years old. Josh, Jake Thompson, Joey Flynn, and Walt McDonald were virtually inseparable; it was a summer to be treasured. Their favorite pastimes were hanging out together and riding their dirt bikes in and around their small suburb, especially after Josh buys his 1969 Suzuki 250 Trail Bike. Bored with the same old track in town, the four plan a riding excursion that takes them farther from town into the rural area, past old man Simmons' place, and out to the abandoned mine. While checking things out, the four unexpectedly tumble into a twenty-foot hole. They spend the night in the hole, hoping and praying their parents will find them. But what happens during their eighteen-hour ordeal changes their lives.

Whispers from the Soul Antonia Guerrero,2011-04-20 A book of poetry collected from family memories as a child. Every poem in the collection pertains to a family member in my life, or special moments. Also writing was a moment when I could speak from the soul and ended being wonderful therapy. I found out I could put my feelings away in a box, and return when I wanted to remember my special people. When my sister Annie was dying from cancerous tumors in the head was the most hurtful moments of life. She inspired me to write because my love for her gave me so much power to write about her and preparation to say goodbye.
