A Poor Man's Field Margaret Currie, 2012-05-17 Julia is tormented by nightmares while she struggles to prepare for a first art exhibition with her husband, Tom. Sister Marchant persuades Julia to visit Annie, her dying mother. Mother and daughter have not been on speaking terms since Theo walked out. During the visit Sister asks Julia to consider allowing Christopher, her author brother, to interview her in an attempt to discover why Annie is desperately clinging to life. An extremely jealous side to Toms personality raises its ugly head when he discovers the first interview took place without a chaperone present. Convinced his wife is having an affair, Tom turns to drink and becomes abusive. Julia walks out and calls

on Sister who gladly takes her in. Annie dies without resolving what troubled her. With her death the interviews cease. In desperation to complete a novel he has invested so much in, Christopher visits the Lands and Survey Department in Melbourne and discovers Theo purchased a piece of land two farms away from his original farm. On visiting Theo he learns the reason for Julias continuing nightmares. Because his two daughters were the victims of attempted murder, Theo hid his family in the primitive outback of Australia in a shack. What she hasnt realized is her German heritage turned many Australians against her family when they eventually learned of the great slaughter on the beaches of Gallipoli at the beginning of World War I. Christopher and Julia begin an affair, which results in her carrying his child. At Annies burial service a photographer from The Truth took a photo of a very pregnant Julia throwing a clod of earth on her mothers coffin. It made the front page with the question, WHO IS THE FATHER. To protect her son from forever being taunted as a bastard, Julia moves in with her father.

Ulysses James Joyce, 2024 Ranked 1st on the Modern Library's list of the 100 most important novels of the 20th century »It is a book to which we are all indebted, and from which none of us can escape.« | T. S. Eliot How can a novel from 1922 still feel more modern than almost everything printed today? The events in James Joyce's *Ulysses* unfold over the course of a single day, June 16, 1904. Every home, street, public space in Dublin; the city's memories, emotions, desires - the author wanted to capture it all. Each episode, and its central characters, also corresponds to those in the most famous literary work from the dawn of our civilization, Homer's *Odyssey*. Joyce argued that the roles of language in reality are more than just direct communication. We have control over language and yet no control over its vast flow through us. The novel's shifts in

voice and style - revelry, solemnity, spirituality, lust, hunger, anxiety, ecstatic elation - encompass men and women, young and old. Inner monologue becomes spiritual dialogue, and there's a collage of literary history and everyday languages. Through the homage to Homer, everything is connected in a mythical cycle. JAMES JOYCE [1882-1941], Irish author, is a key figure in modernist literature with works such as *Dubliners* [1914], *A Portrait of the Artist as a Young Man* [1916], and *Ulysses* [1922].
