Sweetgrass Memories Jan Morgan, 2018-05-25 There may still be time for a despondent, mysterious old house with tiny pineapples carved on its eaves to fulfill the dream of one of its owners over seventy years ago. But in order for that to happen, two retired ladies, one black and one white, must unravel the mystery that surrounds both the house and the children who have come to believe it belongs to them. It's these children, living in the apartment complex across from Blessing Path, that most need the puzzle solved because the For Sale sign just placed amid the weeds in the front yard seems ominous to them. The clues include old newspaper clippings, a policeman's chance meeting with a soft-spoken genteel visitor, love letters during World War II, and a mason jar, recently excavated from the backyard that is filled with exquisite patterned shells of the sea, long protected by its rusty cap. Together, these pieces of information draw the ladies from the heart of Texas to the sparkling South Carolina coast and deep into the culture of Charleston and its Gullah heritage. Sweet Grass Memories was built on Texas soil, but if you cross her threshold and wait quietly for a few moments, you might just catch a whiff of pluff mud and taste the saltiness of sea air.

The Heart of the Shaman Alberto Villoldo,2018 The Heart of the Shaman will take you on a journey into the sacred world of the shaman, through stories, dreams, and ancient rites. In his latest book, Alberto Villoldo sets his focus on the dreaming and time-travel practices of the medicine men and women of the Andes and Amazon, whose wisdom radically changed his worldview. Villoldo shares some of their time-honored teachings that emphasize the sacred dream an ephemeral, yet powerful vision that has the potential to guide us to our purpose and show us our place in the universe. The practices in this book will help you forge a sacred dream for yourself. They will help you craft a destiny infused with courage, and driven by vision. You'll be invited to follow the footsteps of the luminous warrior and learn how to break out of the three nightmares surrounding love, death, and safety that have held you captive, and transform them into the experience of timeless freedom, known as the Primordial Light. This creative power exercised by shamans will lead you to create beauty and healing, and dream a new world into being. When you transform these dreams and accept that life is ever changing, that your mortality is a given, and that no one except you can free you from fear--the chaos in your life turns to order, and beauty prevails. Wake up from the slumber you are living in, and dream with your eyes open so that all the possibilities of the future are available to

you.

Sterling Book of Unity in Diversity O. P. Ghai, 2008-08-07 Religious intolerance -- it is so much a part of our daily lives. The world is torn apart by it. Hatred and violence are justified in the name of religion. And yet, all hope is not lost. Goodness still has a chance. Through the ages, we have heard the voice of sanity, the voice of love and concern above the din of this madness. We had heard it when Kahlil Gibran said in *The Prophet*: Your daily life is your temple and your religion. Whenever you enter into it, take with you ... all men. And we hear it again in this book. This book is an attempt to glean the best in living religious literature, and also is a guide to the understanding of the fundamental unity underlying the great religions of the world.

Eurythmy as Visible Speech Rudolf Steiner, 2019-10-23 Following his lecture-course *Eurythmy as Visible Singing*, these fundamental lectures on speech eurythmy - offered in response to specific requests - gave Rudolf Steiner the opportunity to complete the foundations of the new art of movement. Speaking to eurythmists and invited artists, Steiner connects to the centuries-old esoteric and exoteric Western traditions of 'the Word' - the creative power in the sounds of the divine-human alphabet - giving it concrete form and expression in the performing arts, education and therapy. In addition to the fifteen lectures in the course, this special edition features supporting lectures and reports by Rudolf Steiner, dozens of photographs and line drawings, as well as introductions, commentary, notes and supplementary essays compiled by editor Alan Stott, including 'Eurythmy and the English Language' by Annelies Davidson. Although aimed primarily at the professional concerns of eurythmists who perform, teach or work as therapists, the lectures offer a wealth of suggestions and insights to those with artistic questions and concerns. 'Only someone who creatively unfolds a sense for art from an inner calling, an inner enthusiasm, can work as an artist in eurythmy. To manifest those possibilities of form and movement inherent in the human organisation, the soul must inwardly be completely occupied with art. This all-embracing character of eurythmy was the

foundation for all that was presented.’ – Rudolf Steiner ‘For the poet, for the thinker, and for the movement artist who thinks with his/her whole body, the highest mental act is done with all their heart and with all their mind and with all their soul.’ – Alan Stott
