Lexicon of Tamil Literature K.V. Zvelebil, 2021-12-06 Lexicon of Tamil Literature is a reference-dictionary of Tamil literature of South India from its early beginnings more than 2000 years ago until the present time (ca. 1980). It includes in the order of Roman alphabet names and short biographies of authors, lists of their works, anonymous literary works and most important matters of Tamil prosody, rhetoric and poetics. Whenever available, bibliographic data are given with individual entries in selection. Brief contents and evaluative statements are given with literary works of greater importance, whether ancient or modern. An introduction is included. The work is the first of its kind in a non-Indian language. It is an indispensable source of data and work of reference for Tamil literature in particular, and for the totality of Indic literatures in general.

**A History of Sri Lanka** K M de Silva, 2005-08-25 Sri Lanka is an ancient civilization, shaped and thrust into the modern globalizing world by its colonial experience. With its own unique problems, many of them historical legacies, it is a nation trying to maintain a democratic, pluralistic state structure while struggling to come to terms with separatist aspirations. This is a complex story, and there is perhaps no better person to present it in reasoned, scholarly terms than K.M. de Silva, Sri Lanka's most distinguished and prolific historian. A History of Sri Lanka, first published in 1981, has established itself as the

standard work on the subject. This fully revised edition, in light of the most recent research, brings the story right up to the early years of the twenty-first century. The book provides comprehensive coverage of all aspects of Sri Lanka's development—from a classical Buddhist society and irrigation economy, to its emergence as a tropical colony producing some of the world's most important cash crops, such as cinnamon, tea, rubber and coconut, and finally as an Asian democracy. It is a study of the political vicissitudes of Sri Lanka's ancient civilization and the successive phases of Portuguese, Dutch and British colonial rule. The unfortunate consequences of becoming a centre of ethnic tension and Sri Lanka's long-standing relationship with India are also discussed. Exhaustively researched and analytical, this book is an invaluable reference source for students of ancient, colonial and post-colonial societies, ethnic conflict and democratic transitions, as well as for all those who simply want to get a feel of the rich and varied texture of Sri Lanka's long history.

Matchmaking in Middle Class India Parul Bhandari, 2020-02-01 This book is an extensive and thorough exploration of the ways in which the middle class in India select their spouse. Using the prism of matchmaking, this book critically unpacks the concept of the 'modern' and traces the importance of moralities and values in the making of middle class identities, by bringing to the fore intersections and dynamics of caste, class, gender, and neoliberalism. The author discusses a range of issues: romantic relationships among youth, use of online technology and of professional services like matrimonial agencies and detective agencies, encounters of love and heartbreak, impact of experiences of pain and humiliation on spouse-selection, and the involvement of family in matchmaking. Based on this comprehensive account, she elucidates how the

categories of 'love' and 'arranged' marriages fall short of explaining, in its entirety and essence, the contemporary process of spouse-selection in urban India. Though the ethnographic research has been conducted in India, this book is of relevance to social scientists studying matchmaking practices, youth cultures, modernity and the middle class in other societies, particularly in parts of Asia. While being based on thorough scholarship, the book is written in accessible language to appeal to a larger audience.

*Cultural Encounters and Homoeroticism in Sri Lanka* Robert Aldrich, 2014-10-17 Ceylon, or Sri Lanka, was long known to travellers for its luxuriant landscapes, colourful temples and friendly inhabitants – the island once named Serendip. This book explores the sojourns of gay visitors from the late 1800s to the modern day, providing a history of homosexuality, travel and cultural encounter on the island. The book offers profiles of major figures in Sri Lankan culture and of homosexual visitors, both famous and infamous, to the island. It discusses the experiences of sojourners including the Victorian social reformer Edward Carpenter and the German naturalist Ernst Haeckel, such British and American writers as Paul Bowles and Arthur C. Clarke, and the Australian painter Donald Friend. It also pays particular attention to Lionel Wendt, one of the most important modernist photographers outside Europe. For these figures, an erotic appreciation of young men whom they encountered mixed with interest in Sinhalese art, Buddhist and Hindu spirituality, and the flora and fauna of the island. Their experiences influenced modern writing, art and dance. Cultural influences moved in both directions, however, and Sri Lankans also found inspiration from abroad. The book argues that homosexuals played a major role in the transmission of cultural influences from Sri Lanka to the rest of the world, and from the wider world to this Indian Ocean island. Providing an original analysis of gay cultures in Sri Lanka from Victorian encounters to the present day, this book is the first study of Sri Lanka as a site of gay travel. An excellent study of trans-national cultural exchange, sexuality and the relationships between them, it will be of interest to academics in the field of Asian Studies, Colonial History and Gay and Queer Studies.

**This & That... Then & Now** R.V. Rajan, 2021-12-13 It was in 1965 after retirement that I started writing my autobiography, which was published in 2009. The excellent feedback I got for my book and my style of writing made me start writing on a variety of topics that affect people on a day-to-day basis. Some stories compared the situations between now and the olden/golden days. My Travelogue on 106 Divya Desams (106 Tirupathis) was published in the Open Page of the Hindu issue dated 26th June 2011. The 200 odd mails I got from readers of the Hindu from all over the world (apart from scores of phone calls and SMS messages) made me realise that I had arrived as a writer. Looking at the number of articles I had written in three years, a few friends suggested that I bring out a collection of them in book form. Though the Internet offers enough opportunities to reach a wider audience, there's nothing like a printed book in your hands. Judging by the growing popularity of printed books by Indian authors in English, it is clear that there is still a good demand for printed books. So here I am, with my second book, a collection of articles on topics with which you can relate to and relax with. You can open it

at any page, or choose any topic and read. If nothing else I promise you a good `time pass`

**Courage My Companion** R.V. Rajan,2021-12-06 This book is about my personal life, my professional life as an ad man, and my “parallel life” about my interests in several voluntary and professional organizations (Round Table, Rotary, agencies dealing with ad vertising, PR, printing, media). I believe that the book provides glimpses into all these worlds. I hope it does so in an interesting way. I also hope it conveys the message that if an ordinary person like myself - without great advantages by way of birth, wealth, education or looks - could achieve some success, so could anyone else. I have written an anecdotal chapter about my immense belief in God (‘My Tryst with God’). I’m sure it will strike a chord in many. Atheists and agnostics among my readers - go through this chapter with an open mind!

**Non-Western Approaches in Environmental Humanities** Gabriela Jarzębowska,Aleksandra Ross,Krzysztof Skonieczny,2025-08-11 This volume critically interrogates non-Western frameworks within environmental humanities, seeking to challenge and deconstruct dominant Western paradigms. Through a range of interdisciplinary contributions, the book explores alternative epistemologies, including Indigenous, postcolonial, and regional perspectives from Eastern Europe, Latin America, and the Global South. It addresses the intricate relations between humans and the environment, emphasizing localized knowledge systems and ecological philosophies. By engaging with diverse cultural, historical, and geographical contexts, the work aims to decolonize environmental discourse and advance more inclusive, pluralistic theoretical approaches to global ecological challenges.

**Ways of Being Male** John Stephens,2013-10-18 Given the substantial impact of feminism on children’s literature and culture during the last quarter century, it comes as no surprise that gender studies have focused predominantly on issues of female representation. The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion. Now that masculinity has emerges as an overt theme in children’s literature and film, critical consideration of the subject is timely, if not long overdue Ways of Being Male addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults. An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences. The contributors, drawn from a variety of academic disciplines, employ international discourses in literary criticism, feminism, social sciences, film theory, psychoanalytic criticism, and queer theory in their wide-ranging exploration of male representation. With its illuminating array of perspectives, this pioneering survey brings a long neglected subject into sharp focus.

Covering the full range of Indian film, this new revised edition of the Encyclopedia of Indian Cinema includes vastly expanded coverage of

mainstream productions from the 1970s to the 1990s and, for the first time, a comprehensive name index. Illustrated throughout, there is no comparable guide to the incredible vitality and diversity of historical and contemporary Indian film.

**Routledge International Encyclopedia of Queer Culture** David A. Gerstner, 2006-03-01 The Routledge International Encyclopedia of Queer Culture covers gay, lesbian, bisexual, transgender and queer (GLBTQ) life and culture post-1945, with a strong international approach to the subject. The scope of the work is extremely comprehensive, with entries falling into the broad categories of Dance, Education, Film, Health, Homophobia, the Int
