De corazones y cerebros César Martín Ortiz,2019-02-05 Afirma el narrador principal de esta historia «que publicar pensamientos o novelas tiene algo de banal, es inferior a escribirlos, y que escribirlos también es inferior a pensarlos Que escribir y publicar son actos de reciclaje respecto a pensar e imaginar: algo que se hace con fines distintos y cuyo resultado también es distinto, más gris y menos fino», y tal vez a esa convicción se deba que César Martín Ortiz (1958-2010) no tuviera inconveniente en dedicar ocho años, entre 1995 y 2003, a la redacción de De corazones y cerebros (como dedicó los años siguientes, entre 2003 y 2010, a otras dos grandes novelas: Necrosfera y A sus negras entrañas) y que no pusiera empeño posterior alguno en procurar que los buenos lectores tuvieran conocimiento de la existencia de Manuel Medina, un profesor de dibujo que entrega la primera mitad de su vida a un «idilio amoroso y pedagógico» (amoroso por Casandra y pedagógico por un colegio que en realidad es «una utopía, una república, una comunidad de personas libres, un lugar donde encontrarse a salvo de la mala gente, una idea de la humanidad»), y que a los treinta y cinco años, en la segunda mitad, se recluye en una tienda de marquetería de un pueblo anónimo para sobrevivir al fracaso de ese doble idilio. Narrativamente, las dos mitades de esa vida avanzan en paralelo, porque ambas se implican y complementan, como se complementan el entusiasmo y la decepción, el dolor y la convalecencia, y ambas conforman el pensamiento y el carácter de Medina, el modo como mira a alrededor y como se relaciona con el mundo. Redondean la trama diversos personajes principales —la simpática Casandra, una curandera con destrezas psicológicas, el noble visionario que concibe y sufraga el experimento pedagógico— y numerosos secundarios —tres o cuatro profesores con voz, un par de alumnos, un promotor de academias, un motorista solitario, un profesor de autoescuela, una interina de griego—, inteligentes unos, pintorescos otros, y episódicos muchos de ellos, con pormenores biográficos autónomos que dan pie a semblanzas ejemplares. Y puesto que es en la convención y en la perversión donde se malograman la autenticidad del sentimiento y los designios de la pedagogía (corazones y cerebros), no será difícil entender el desencanto ni la voluntad reflexiva de Medina ni la amplitud de observaciones —que tanto pueden caer sobre el urbanismo de la periferia o los bailes de graduación del cine norteamericano como sobre la finalidad del matrimonio o la naturaleza del mal— a las que narrador y personajes (que a veces contribuyen al relato con monólogos) se entregan con tanta brillantez literaria como lucidez crítica. Trilogía de Centroamérica Javier Reverte,2013-11-07 Los dioses debajo de la lluvia , El aroma del copal y El hombre de

la guerra son las novelas que componen la Trilogía de Centroamérica. Independientes entre sí, tanto en personajes como en argumentos, pueden ser leídas como tres libros distintos. Las une, sin embargo, una geografía -la centroamericana- y una época, los años de guerra de la década de los ochenta. No obstante, en los tres libros, como su autor señala en el prólogo, no se habla de un tiempo concreto y unos conflictos bélicos, sino en esencia «de almas y de contradicciones; del dolor, de la muerte y también del amor; de todo aquello que convierte a los hombres, en momentos dramáticos, en seres perplejos».

Reseña: «Literatura y viaje. Dos actos de suma libertad que encarna con enorme maestría Javier Reverte.» ABC

Segunda novela del autor J.M. Manzanedo, emocionante y magnética que te atrapará hasta la última página. tamaño aproximado 45.500 palabras.

El gallego corrupto. Un buen comercial Jorge Criado Martínez, 2015-08-26 Yo no estudié con la intención de llegar a ser comercial, pero llevo muchos años vendiendo, visitando clientes, realizando ofertas, defendiéndolas y consiguiendo pedidos, lo que me ha proporcionado una amplia experiencia en el mundo de las ventas. He tenido buenos y malos clientes, ventas fáciles, imposibles, arriesgadas, divertidas de todo tipo; he compartido muchas vivencias y fantásticas experiencias con compañeros, técnicos, distribuidores, etcétera. Sin su ayuda, no habría conseguido todo lo obtenido. Por eso, tras los muchos años de comercial y por creer que estoy en un buen momento de mi vida, me atrevo con las páginas de este libro, a contar estas vivencias siempre con la esperanza de que mis ideas y aventuras puedan ayudar a quien las lea o por lo menos para que le diviertan.

Amistad Jacobo Bergareche, Mariano Sigman, 2025-03-27 Un fascinante ensayo sobre la amistad. «Sin amigos nadie querría vivir, aunque tuviera todos los otros bienes», escribió Aristóteles. Sin embargo, si bien la amistad es desde tiempos inmemoriales una de las aspiraciones fundamentales de la vida, no solemos reflexionar sobre su naturaleza. ¿Cómo se hace un amigo? ¿Por qué algunas personas nos caen bien al instante? ¿Puede la amistad sobrevivir en la distancia? ¿Se aprende? ¿Es cultural? ¿Ha de ser recíproca? ¿Puede darse entre padres e hijos? ¿Cuándo y por qué se acaba? ¿Qué pasa cuando se mezcla con el deseo? Dos amigos, el neurocientífico Mariano Sigman y el escritor Jacobo Bergareche, acudieron a la ciencia y la filosofía para explorar esas preguntas. Pero pronto sintieron que esa literatura no reflejaba la amplia diversidad de miradas sobre este tipo de relaciones, y convocaron entonces a personas de todo tipo y condición con las que conversaron en intimidad. Así, por estas páginas desfilan el octogenario presidente de un banco, un joven emigrante salvadoreño sin papeles, la directora de una residencia de ancianos, una actriz, un viticultor, una escritora y un colectivo de grafiteros. Entre todos

ellos componen un fresco inmenso de aquello que llamamos «amistad».

\n\nA lo largo de su viaje involuntario, Marcos descubrirá los manjares de la vida, aprenderá que ni lo bueno es tan bueno, ni lo malo está tan mal y conocerá de la manera más fortuita a personas que con bastante probabilidad, se quedarán en su nueva vida para siempre. O no.

Los españoles y el vino Juan Francisco Díez Manrique, 1992 Este libro sumerge de forma amena y sistemática en la riqueza lingüística que la cultura y el vino han originado en nuestra literatura. El autor conduce a un universo de voces y expresiones castellanas que reflejan el enraizamiento profundo que el hecho de beber alcohol tiene entre las gentes de España.

Cuentos Cheleros Jacinto Gil Sierra, 2023-07-19 La historia (con minúscula) de las pequeñas localidades corre el riesgo de perderse cuando desaparecen los protagonistas y testigos que vivieron cada uno de los episodios. Solo los hechos muy impactantes originan leyendas con la fuerza suficiente para transmitirse a otras generaciones. La historia se puede contar de diversas maneras, estando la amenidad normalmente reñida con la rigurosidad. Este libro contiene 25 cuentos; son pequeñas

narraciones creadas con criterios literarios, historias inventadas pero basadas en un trasfondo real ocurrido en Cheles (Badajoz) que se menciona al comienzo de cada uno. Los cuentos están marcados por la brevedad, buscando suscitar interés con muy pocos párrafos para que en ningún momento decaiga el atractivo de la narración. Fantasía puesta al servicio de la memoria para leer con placer cómo pudieron haber sido diversos sucesos que forjaron una villa. No es casualidad que el río Guadiana esté presente en muchos de los relatos, un río al que los cheleros estuvieron ligados desde que se establecieron en sus orillas. Lo que nunca imaginarían quienes disfrutaron de su cauce y aprovecharon sus recursos durante siglos es que algún día desapareciese transformado en un recuerdo del pasado por obra del mayor embalse de Europa.

SABER DE VINOS Anselmo García Curado,2005-09 Este libro contiene consejos prácticos de cómo elegir y beber el vino, y en él se habla de todas aquellas curiosidades respecto al noble y culto caldo que todos deberíamos saber. El vino se ha puesto de moda, y tomar un buen vino es un signo inequívoco de cultura, por eso hay que estar al día no sólo en los acontecimientos especiales sino en la gastronomía cotidiana. Anselmo J. García Curado ha vivido en varios lugares de la geografía española, así como en Marruecos y en Bélgica.
