Judgment Detox Gabrielle Bernstein, 2018-01-02 “Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer “A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on

spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

The Fast Track One-Day Detox Diet Ann Louise Gittleman, Ph.D., CNS, 2005-04-26 You know how it is. That special event just around the corner and you can't fit into your designer jeans. You need a fool-proof, emergency weight-loss method that really works and works fast. So how do you safely and quickly lose those extra pounds? Once again, renowned health pioneer and bestselling author Ann Louise Gittleman has a quick, no-strings-attached solution that is also good for you. She is always on the cutting edge of developing new methods to rejuvenate the body and facilitate weight loss and she's done it again in The Fast Track One-Day Detox Diet. Gittleman takes the age-old method of fasting and incorporates it into a safe and healthy one-day plan that helps you lose weight fast, gets rid of toxins, and gives your body a cleansing boost to prepare it for even more weight loss down the road. The plan itself is blissfully simple: THE PREQUEL: Seven days of adding detox support foods to your diet to prepare your body for the one-day Fast THE FAST: One day of sipping Gittleman's "Miracle Juice," a deliciously spiced mixture of herbs and spices specially designed to stave off hunger, balance blood sugar, boost metabolism, and replenish nutrients (no kidding, the juice is completely delicious) THE SEQUEL: Three days of reintroducing supportive and immune-boosting foods into your diet to seal in the results That's all. There's no need for a strict maintenance plan or more dieting because the Fast Track One-Day Detox Diet purges your body of fattening toxins so that you'll keep losing weight once you're finished. What's more, if you can't add those healthy foods to your diet in the Prequel and Sequel, Gittleman provides a list of replacement supplements that you can easily find in your local health food store or online. So, use The Fast Track One-Day Detox Diet to jump start an over-40 metabolism, melt away vacation or holiday pounds, break a diet plateau, get in shape for that high school reunion or wedding, and even help heal a chronic illness. Even if you've been slow to lose weight in the past, the pounds will melt away quickly during your one-day fast. Inside there are recipes to prepare for the fast, shopping lists, and tips for sailing through the fast. In addition, Ann Louise Gittleman shares the wisdom she's gained from years of research on health, diet, and nutrition. You'll find out about hidden toxins found in the environment and

in everyday foods, and learn easy steps you can take to live healthier every day. The perfect diet: simplicity, effortless weight loss, and obvious health benefits from a nutritionist with a proven track record. You'll feel so good after your first fast, you'll want to incorporate the Fast Track's cleansing principles and periodic fasting into your life for good. Don't delay, it's time to jump on the Fast Track to a lighter, healthier you.

Aging And Detox Cassian Pereira, AI, 2025-03-12 Aging And Detox explores the critical connection between aging and the body's ability to detoxify, primarily through the liver and kidneys. As we age, these organs become less efficient at processing and eliminating toxins, impacting overall health. The book highlights that environmental toxins and age-related decline in organ function can be mitigated through informed diet and lifestyle choices, offering a proactive approach to healthy aging. Did you know that supporting liver and kidney function can significantly enhance the body's ability to detoxify? The book emphasizes the importance of understanding how specific nutrients and lifestyle factors influence detoxification pathways at

different life stages. Beginning with foundational concepts of detoxification and the roles of the liver and kidneys, the book progresses to detail age-related structural and functional changes in these organs. It analyzes the impact of common environmental toxins and provides a guide to dietary and lifestyle strategies. The book stands out by integrating scientific research with practical recommendations, empowering readers to optimize their health span and resilience to environmental stressors, making it invaluable for those seeking proactive strategies for healthy aging.

Liver Detox Christopher Vasey, 2018-03-13 A practical guide to supporting and maintaining liver health naturally • Reveals how an overburdened liver can lead to many common ailments such as headaches, constipation, respiratory issues, and skin conditions • Explains specific foods to avoid, which supplements accelerate the liver's cleansing abilities, and how to perform liver exercises and massage • Details the 9 plants that are most effective in detoxifying the liver, with instructions for their safe use • Includes charts and questionnaires to determine to what degree your liver function is compromised The liver is key to the optimal health of the body. Shouldering the heaviest responsibility for keeping the body's internal terrain clean, the liver not only filters toxins and cellular by-products out of the blood like other excretory organs, it also neutralizes poisons, microbes, heavy metals, and carcinogens. By supporting the liver, we support the health of the entire body. In this practical guide to cleansing and detoxifying the liver, Christopher Vasey shows how many features of modern living--such as overeating, medications, cigarettes, alcohol, food additives, and environmental pollution--overtax this powerhouse of an organ. This leads to weakening of the liver and congestion with toxins, which in turn can lead to illness, including cardiovascular problems, allergies, headaches, constipation, respiratory issues, and skin conditions, as the toxins the overburdened liver cannot filter out find their way to other areas of the body. Detailing how the liver functions, the author explains how to use diet, herbs, massage, and other practices to detoxify, strengthen, and regenerate your liver. He includes simple charts and questionnaires to help you determine to what degree your liver function is compromised. He shows how a simple change of diet along with the use of hepatic herbs will often have immediate benefits for the liver and the immune system. He explains specific foods to avoid and how taking supplements, such as trace elements of sulfur, accelerate the liver's ability to neutralize heavy metals. He details 9 plants that are most effective in detoxifying the liver, such as dandelion and rosemary, and provides instructions for their safe use. He also describes liver exercises and massage techniques as well as the use of external aids, such as a hot-water bottle, to stimulate liver activity. Offering an accessible yet detailed approach to supporting the liver, the author shows how bringing the liver back to full health and function has far-reaching effects for the whole body.
