In every other context, the correct plural of life is lives. This is a common pattern of English nouns that end in "...ife:" wife/wives, knife/knives, and so on, though unfortunately it doesn't apply to all of them. nouns - Can you use a plural of Life as Life's when using as "Life's ... @Mike, you can say "His life's work", but there life isn't plural. Please tell me the correct answer with appropriate explanation. **lifes/lives - WordReference Forums** Jan 31, 2007 · Is it that clear? I agree that "still lifes" is the correct form, but I can't help but think it still gives one pause before actually deciding on which one is correct (like the mouse-mice quandry). The half-life of an isotope gives me less pause: I go to "half-lives of isotopes" pretty easily without thinking much about it. **meaning - What does "life's a beach" mean? - English Language ...** It's a riff on the phrase

"life's a bitch" (meaning life can be difficult and unpleasant) which turns it around into a positive.
