The Frozen River: A GMA Book Club Pick Ariel Lawhon, 2023-12-12 From New York Times bestselling author of *I Was Anastasia* and *Code Name Helene* comes a gripping historical mystery based on the real-life diary entries of Martha Ballard, an 18th-century midwife who found herself at the center of a murder trial. Maine, 1789: As a midwife in the town of Hallowell, Martha Ballard knows how to keep a secret. Her neighbors respect her not only for her medical expertise and calm under pressure, but for her discretion in a community governed by rigid Puritan values. So when a man is found under the ice in the Kennebec river, Martha is the first person called to examine the body. The dead man is Joshua Burgess, recently accused, along with the town judge, Joseph North, of raping the preacher's wife, Rebecca Foster. The case is set to go to trial in the coming months and Hallowell is churning with rumors. Martha, having tended to Rebecca's wounds in the aftermath, is both a witness and a confidant of Rebecca's, and while she feels certain she knows the truth of the night of the assault, she suspects there is more to the murder than meets the eye. For years, Martha has recounted her every day in a leather-bound journal: deaths and births, the weather, town events, her patients and their treatments. As whispers and prejudices threaten to overflow into something bloodier, and North becomes more desperate to clear his name, Martha's diary becomes the center of a mystery that risks tearing both her family and her town apart. In *The Frozen River*, Ariel Lawhon brings to life a brave and compassionate unsung heroine of early American history, who refused to accept anything less than justice on behalf of women no one else would protect.

In that diary she has also documented the details of an alleged rape that occurred by one of the town's most esteemed gentlemen - the same man who has now been found dead in the ice. While certain townspeople are eager to put both matters to rest, Martha suspects that the two crimes are linked, and that there is more to both cases than meets the eye. Over the course of one long, hard winter, whispers and prejudices mount, and Martha's diary lands at the centre of the scandal, threatening to

tear both her family and her community apart. **The Myth of the Lost Paradise in the Novels of Jacques Poulin** Paul Socken, 1993 Socken analyzes the shape and

direction of Poulin's creation narratives as they evolve in the novels and demonstrates their presence from the earliest quasi-political *Un cheval pour mon royaume* to the highly introspective *Le Vieux Chagrin*. The novels move from an outer-directed concept of the lost paradise as a state to be attained beyond the self to a sense of the lost paradise as the kingdom within, achievable first on the individual level as self-knowledge and only afterwards on the social level. Poulin introduces the theme of the soul and his personal concept of it, as the soul for him is proof of the inner life that embodies the qualities of tranquility and tenderness associated with the lost paradise. Lost paradise literature is universal and timeless. Poulin's portrayal is placed in historical context so that his contribution to the genre can be fully appreciated. Referring to studies by such critics as Mircea Eliade, Northrop Frye, Jerome S. Bruner, and Jack J.

*The Canadian Short Story* Reingard M. Nischik, 2007 Beginning in the 1890s, reaching its first full realization by modernist writers in the 1920s, and brought to its heyday during the Canadian Renaissance starting in the 1960s, the short story has become Canada's flagship genre. It continues to attract the country's most accomplished and innovative writers today, among them Margaret Atwood, Mavis Gallant, Alice Munro, Carol Shields, and many others. Yet in contrast to the stature and popularity of the genre and the writers who partake in it, surprisingly little literary criticism and theory has been devoted to the Canadian short story. This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well-known and often-anthologized Canadian short stories from the genre's beginnings through the twentieth century. A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada, the US, and Great Britain via representative examples completes it. The collection is geared both to specialists in and to students of Canadian literature. For the latter it is of particular benefit that the volume provides not only a collection of interpretations, but a comprehensive introduction to the history of the Canadian short story. Reingard M. Nischik is professor and chair of American Literature at the University of Constance, Germany.

*Showing Off, Showing Up* Laurie Frederik, Kimberley Bell Marra, Catherine A. Schuler, 2017-05-18 The interdisciplinary

essays in *Showing Off, Showing Up* examine acts of showing, a particular species of performance that relies on competition and judgment, active spectatorship, embodied excess, and exposure of core values and hidden truths. Acts of showing highlight those dimensions of performance that can most manipulate spectators and consumers, often through over-the-top heightening and skewing of presentation. Many forms of showing and of heightened performance, however, operate more enigmatically and covertly while still profoundly affecting the social world, even if our reactions to them are initially flippant or unconcerned because “it’s just a show.” Examining a wide range of examples—from dog shows to competitive dancing to carnivals to striptease, the essays illuminate how such events variously foster competition, exaggerate a characteristic, and reveal hidden truths. There is as much to be learned about the power of showing through subtlety and underlying intentionality as through overt display. The book’s theoretical introduction and 12 essays by leading scholars reveal how diverse, particularly efficacious genres of showing are theoretically connected and why they merit more concerted attention, especially in the 21st century.

**Between Dog & Wolf** Sasha Sokolov, 2016-12-06 This “intricate and rewarding” novel by the renowned author of *A School for Fools* is “a Russian Finnegans Wake” finally available in English translation (Vanity Fair). One of contemporary Russia’s greatest novelists, Sasha Sokolov is celebrated for his experimental, verbally playful prose. Written in 1980, his novel *Between Dog and Wolf* has long been considered impossible to translate because of its complex puns, rhymes, and neologisms. But in this acclaimed translation, Alexander Boguslawski has achieved “a masterful feat...remarkably faithful to the subtleties of Sokolov’s language” (Olga Matich, University of California, Berkeley). Alternating between the voices of an old, one-legged knife-sharpener, a game warden who writes poetry, and Sokolov himself, this language-driven novel unfolds a story of life on the upper Volga River, in which time, characters, and death all prove unstable. The one constant is the Russian landscape, where the Volga is a more-crossable River Styx, especially when it freezes in winter.
