You Came into My Life Kenny Bernard,2011-12-12 In a different life, with different choices, I could have achieved fame and fortune, had a gold disc hanging from a wall or an Oscar on my mantelpiece. But I have never been one for regrets. You make your choices, you have your share of luck and you only remember the good times. And boy, were there some good times. I have been very fortunate in my life to play at some of the greatest stages in England and to meet some truly amazing stars. I have equally had just as much enjoyment playing intimate gigs and local venues. I sometimes hear these famous songs on the radio or see these great names being interviewed and wondered whether that could have been me. But had that happened, where would I be and who would I have become? I doubt very much I would be writing this book today. I have learnt from the bad times and loved having the good times. I wouldn't have changed a thing.

The One That Got Away - My Life Living with Fred and Rose West Caroline Roberts,2012-06-29 When Caroline Roberts accepted a job at 25 Cromwell Street, the infamous address of Fred and Rose West, she was only 16. Realising that there was something very malevolent about the couple, she left their employment soon after, glad to be rid of them. The story should have ended there. A month later she was abducted by the Wests and suffered violent sexual abuse at their hands before being told that she would be killed and buried. Through a combination of sheer luck and quick thinking, despite the trauma of what had happened, Caroline managed to escape to freedom.

Office describes the day he won his hilarious supporting role. Alongside the above are moving personal testimonies of becoming the youngest man to climb Everest, escaping death in Iraq, recovering from cancer - and release into the outside world after 13 years of wrongful imprisonment. My Life: Joe Davi Joe Davi,2024-08-27 From some of the outstanding professional musicians Joe worked with... Joe is a well-schooled guitarist who plays exceptionally well. He is absolutely one of the most honest and good human beings I have been lucky to play with. Jimmy Sabini Joe's playing style is called Comp, a loose, rhythmic, style in chord patterns. Joe can improvise through the chord s and sing at the same time, something I've never had the experience to see in other guitarists. I love to play steady rhythm while he is playing Comp, Joe is an all around great guy and terrific musician. Steve Lucas Joe has a phenomenal, effortless, natural way of playing and singing. He's also hysterically funny. When he walks into a room, you feel like clapping. I've loved working with him. He's a wonderful man. Pam Wahlberg What a great guy and tasteful player, so many terrific gigs together. Joe is such a good-hearted person and never nasty nor challenging, very laid back when there's a problem. I enjoyed playing keyboard for him on our many gigs. Roy Suter Oh man, I just cherish our friendship and working with Joe, playing off each other to entertain the crowds. I always enjoyed our gigs and playing the drums with Joe, the time flew by! Few people will ever have a friend like Joe, he's my buddy forever. Jim Phiefer

By Your Side: My Life Loving Barbara Windsor Scott Mitchell,2022-10-13 'I'm so glad you had the life you did, Barbara. I'm sorry you can't remember, but my God, what a life! You haven't wasted a minute of it...' In December 2020, while the world was gripped with news of an imminent third lockdown, Scott Mitchell was visiting the care home where his partner and wife of 27 years - Dame Barbara Windsor - was being looked after. At the age of 83, after a career spanning seven decades and a seven-year battle with the debilitating effects of dementia, she was slipping away. Barbara's illness meant she could no longer remember her magical career, and so Scott sat by her bedside in her final days, telling her tales from their extraordinary life together. From the unlikely moment they met to the challenges they faced, and the highs and lows of a life shared in the limelight. For theirs was an incredibly passionate relationship, but also a turbulent one - and along with a life of love and laughter, together they endured the pressures of fame, drink and addiction, heartbreak and ultimately dementia. He told Barbara stories of her wonderful achievements on and off screen, and the people who altered the trajectory of her life. From nine enormously successful and much-loved Carry On films to more than twenty years in Albert Square with the role of Peggy Mitchell. From director Joan Littlewood handpicking her for Sparrows Can't Sing and her first husband Ronnie Knight and his links to the Kray twins, to her friendships with Sid James, Kenneth Williams and more. Weaving together an old-fashioned love story, a glittering life of showbiz and the true cost of dementia, *By Your Side* is a treasure trove for all of us who grew up watching and loving Dame Barbara. From the madness and the mayhem, the glorious highs and the devastating

lows, to the fantastic fun she and Scott had along the way - this is an intimate, honest and incredibly personal account of a life spent loving Babs; a warm, colourful and heartfelt celebration of her rich, varied and remarkable life from the man who knew her best.

Queen Unseen - My Life with the Greatest Rock Band of the 20th Century: Revised and with Added Material Peter Hince, 2015-10-11 Imagine being alongside one of the greatest bands in the history of rock, touring the world and being there as they perform at some of the best and biggest music venues in the world. Peter Hince didn't have to imagine: for more than a decade, he lived a life that other people can only dream of as he worked with Queen as head of their road crew. In 1973, Queen was the support act for Mott the Hoople, for whom Peter was a roadie. Back then, Queen had to content themselves with being second on the bill and the world had not yet woken up to the flamboyant talent of Freddie Mercury. Peter started working full time for Queen just as they were making *A Night at the Opera*, the album which catapulted them to international stardom. In this intimate and affectionate book, Peter recalls the highlights of his years with the band. He was with Freddie when he composed 'Crazy Little Thing Called Love'; he was responsible for making sure that Freddie's stage performances went without a hitch - and was often there to witness his famed tantrums! He was also party to the sex, drugs and rock 'n' roll which are invariably part of life on the road with a rock band.

Ne me quitte pas Maya Angela Smith, 2025-01-24 In 1959, Belgian singer-songwriter Jacques Brel wrote and performed "Ne me quitte pas" (Don't leave me), a visceral and haunting plea for his lover to come back. As a teenager, Maya Angela

Smith was so captivated by Nina Simone's powerful 1965 cover of the song that it inspired her to be a French professor. In *Ne me quitte pas*, Smith follows the classic song's long and varied journey, from Brel's iconic 1966 performance on French television to Simone's cover to Shirley Bassey's English-language version ("If You Go Away") to its contemporary manifestations in popular culture. Throughout, Smith shows that as the song travels across languages, geographies, genres, and generations, it accumulates shifting artistic and cultural significance as each listener creates their own meaning.

'Rock On': Women, Ageing and Popular Music Abigail Gardner, 2016-03-16 For female pop stars, whose star bodies and star performances are undisputedly the objects of a sexualized external gaze, the process of ageing in public poses particular challenges. Taking a broadly feminist perspective, 'Rock On': women, ageing and popular music shifts popular music studies in a new direction. Focussing on British, American and Latina women performers and ageing, the collection investigates the cultural work performed by artists such as Shirley Bassey, Petula Clark, Madonna, Celia Cruz, Grace Jones and Courtney Love. The study crosses generations of performers and audiences enabling an examination of changing socio-historical contexts and an exploration of the relationships at play between performance strategies, star persona and the popular music press. For instance, the strategies employed by Madonna and Grace Jones to engage with the processes and issues related to public ageing are not the same as those employed by Courtney Love or Celia Cruz. The essays in this insightful collection reflect on the ways that artists and fans destabilise both the linear trajectories and the compelling weight of expectations regarding ageing by employing different modalities of resistance through persona re-invention, nostalgia, postmodern intertextuality and even early death as the ultimate denial of age.

In the golden days of Joe's career, he was one of television's highest paid performers, attracting audiences of over 12 million courtesy of his amazing voice and impressions of singers such as Shirley Bassey, Tom Jones and Frank Sinatra. He has countless gold and platinum albums to his name, has appeared on the Royal Variety Show and sells out iconic venues the world over, including the Palladium, Royal Albert Hall, Sydney Opera House and Drury Lane Chicago. However, tragedy and trauma have haunted the Hull-born singer and he tells his life story in his own words in this wonderful book. From his childhood in the travelling community and singing on the streets for money to the colourful rock and roll lifestyle of sex, drugs, bankruptcy, court appearances and the bizarre, hilarious stories which worldwide touring produces. But Joe's toughest times have been found in his repeated battles with cancer, having fought off the illness multiple times over the last three decades, most recently in the summer of 2014 when Joe beat throat cancer - and began singing again hours after his life-saving operation! This is the true story of one of Britain's most iconic entertainers, a man who has never flinched from doing what he was born for - performing. Times of My Life - Part Two Carole Payne,2022-11-30 A sequel to *Times of My Life: A Forest Gate Girl*, this book carries the reader from a wedding in 1971, to the present day in Wiltshire, spanning 50 years of events that have punctuated the writer's life up to now. It's been a whole adventure and education for a girl from a fairly sheltered and strict family background, embarking on married life as a young wife which would soon take her away from the London she had known and loved to following her husband's career all over the country. She would eventually achieve all the things she had dreamed of as a child. She would travel the world, meet fascinating people in far-flung places and make lifelong friends. She would have a successful career of her own. She would teach. Her love of music, theatre and performance would lead to one of her most thrilling and satisfying endeavours, running her own musical theatre group with amazing young people and watching them grow in skills and confidence. This memoir revisits those hectic days which tend to get lost in the fullness of time. Treasured old photos bring it all back. Most of all, she would have a long and happy married life, and be blessed with wonderful children and grandchildren. There were many adventures and so many reasons to celebrate along the way. But there were also trials and challenges, tragedies and sadness, as there are and have been for everyone, particularly during the Covid years. The best of times always outweighed the bad, however, and the happiest memories will be cherished forever.

Anger is an Energy: My Life Uncensored John Lydon,2014-10-09 John Lydon has secured prime position as one of the most recognizable icons in the annals of music history. As Johnny Rotten, he was the lead singer of the Sex Pistols - the

world's most notorious band, who shot to fame in the mid-1970s with singles such as 'Anarchy in the UK' and 'God Save the Queen'. So revolutionary was his influence, he was even discussed in the Houses of Parliament, under the Traitors and Treasons Act, which still carries the death penalty. Via his music and invective he spearheaded a generation of young people across the world who were clamouring for change - and found it in the style and attitude of this most unlikely figurehead. With his next band, Public Image Ltd (PiL) Lydon expressed an equally urgent impulse in his make-up - the constant need to reinvent himself, to keep moving. From their beginnings in 1978 he set the groundbreaking template for a band that continues to challenge and thrive in the 2010s. He also found time for making innovative new dance records with the likes of Afrika Baambaata and Leftfield. Following the release of a solo record in 1997, John took a sabbatical from his music career into other media, most memorably his own Rotten TV show for VH1 and as the most outrageous contestant ever on I'm a Celebrity.... Get Me Out of Here! He then fronted the Megabugsseries and one-off nature documentaries and even turned his hand to a series of much loved TV advertisements for Country Life butter. Lydon has remained a compelling and dynamic figure - both as a musician, and, thanks to his outspoken, controversial, yet always heartfelt and honest statements, as a cultural commentator. The book a fresh and mature look back on a life full of incident from his beginnings as a sickly child of immigrant Irish parents who grew up in post-war London, to his present status as a vibrant, alternative national hero.
