The Bones Beneath My Skin TJ Klune, 2022-09-01 A spine-tingling standalone novel by #1 New York Times bestselling author TJ Klune—a supernatural road-trip thriller featuring an extraordinary young girl and her two unlikely protectors on the run from cultists and the government. There's nothing more human than a broken heart. In the spring of 1995, Nate Cartwright has lost everything: his parents are dead, his only brother wants nothing to do with him, and he's been fired from his job as a journalist in Washington, DC. With nothing left to lose, he returns to his family's summer cabin outside the small mountain town of Roseland, Oregon, to try and find some sense of direction. The cabin should be empty. It's not. Inside is a man named Alex. And with him is an extraordinary ten-year-old girl who calls herself Artemis Darth Vader. Artemis, who isn't exactly as she appears. Soon it becomes clear that Nate must make a choice: let himself drown in the memories of his past, or fight for a future he never thought possible. Because the girl is special. And forces are descending upon them who want nothing more than to control her. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Impossible Fairy Tale Han Yujoo, 2017-03-07 A chilling, wildly original novel from a major new voice from South Korea The Impossible Fairy Tale is the story of two unexceptional grade-school girls. Mia is “lucky”—she is spoiled by her mother and, as she explains, her two fathers. She gloats over her exotic imported color pencils and won't be denied a coveted sweater. Then there is the Child who, by contrast, is neither lucky nor unlucky. She makes so little impression that she seems not even to merit a name. At school, their fellow students, whether lucky or luckless or unlucky, seem consumed by an almost

murderous rage. Adults are nearly invisible, and the society the children create on their own is marked by cruelty and soul-crushing hierarchies. Then, one day, the Child sneaks into the classroom after hours and adds ominous sentences to her classmates' notebooks. This sinister but initially inconsequential act unlocks a series of events that end in horrible violence. But that is not the end of this eerie, unpredictable novel. A teacher, who is also this book's author, wakes from an intense dream. When she arrives at her next class, she recognizes a student: the Child, who knows about the events of the novel's first half, which took place years earlier. Han Yujoo's *The Impossible Fairy Tale* is a fresh and terrifying exploration of the ethics of art making and of the stinging consequences of neglect.

The Bone Thief Breeana Shields, 2020-05-26 "I was absolutely swept away by the world of *The Bone Charmer*." - Kendare Blake, #1 New York Times bestselling author of the *Three Dark Crowns* series A deft exploration of the weight of grief and cost of revenge, Breeana Shields's *Bone Charmer* duology reaches its spine-tingling conclusion in this high-octane fantasy-thriller. Saskia returns to Ivory Hall to train in bone magic, determined to stop Latham from gaining the power of all three Sights—past, present, and future. But danger lurks within the fortress's marrow. Trials are underway for the apprentices, and the tasks feel specifically engineered to torment Saskia, which is exactly what Latham wants. As she grows increasingly more suspicious, her thirst for revenge becomes all-consuming. Together with the friends she can trust and the boy she loved in another lifetime, Saskia traces clues from Latham's past to determine what he'll do next. Their search leads them across Kastelia and brings them to a workshop housing a vast collection of horrors, including the bones Latham stole from Gran, and the knowledge that the future isn't all that's in jeopardy—but the past as well.

A town so wicked it has already burned twice, with the breath of the third fire looming. A rural, isolated bridge with a terrifying monster waiting for the completion of its summoning ritual. A lake that allows the drowned to return, though they have been changed by the claws of death. These are the shadowed, liminal spaces where the curses and monsters lurk, refusing to be forgotten. Hauntings, and a variety of horrifying secrets, lurk in the places we once called home. The Days I Dream of Chocolate L. M. Sanguinette, 2022-07-07 Praise for *The Days I Dream of Chocolate*... *The Days I Dream of Chocolate* is a cozy read. The overall thematics can be understood by and are relatable to anyone; any reader can find something to take away. The allusions and, often, the diction are quite charming and occasionally quite clever. ~ Matt, Editor, FlukyFiction Unique, engaging and definitely a piece of work that is strong and memorable. Each poem here is different, not one even verges on being the same, and the contextual nature of the poems means there is so much more in the depths of these poems than what is first noticed when read. I think - and I hope - that this book will be a piece of work others reference when writing from different points of view. ~ Rhys Milsom, Poet Description: *The Days I Dream of Chocolate* is a collection of poems that focuses on the different facets of love, from falling in love to growing into self-love, and everything in between. Great for those moments of pure infatuation, or simply to relive the sensations of love all over again, this collection will leave you with a flutter in your heart and a deeper appreciation of what it means to LOVE. No assembly necessary, some chocolate required.

Brothersong TJ Klune, 2022-09-01 *Brothersong* is the fourth and final book in the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. "Complex and startling... Green Creek is the perfect setting." —Charlaine Harris The Bennett family has a secret: They're not just a family, they're a pack. *Brothersong* is Carter Bennett's story. In the ruins of Caswell, Maine, Carter Bennett learned the truth of what had been right in front of him the entire time. And then it—he—was gone. Desperate for answers, Carter takes to the road, leaving family and the safety of his pack behind, all in the name of a man he only knows as a feral wolf. But therein lies the danger: wolves are pack animals, and the longer Carter is on his own, the more his mind slips toward the endless void of Omega insanity. But he pushes on, following the trail left by Gavin. Gavin, the son of Robert Livingstone. The half-brother of Gordo Livingstone. What Carter finds will change the course of the wolves forever. Because Gavin's history with the Bennett pack goes back further than anyone knows, a secret kept hidden by Carter's father, Thomas Bennett. And with this knowledge comes a price: the sins of the fathers now rest upon the shoulders of their sons. The Green Creek Series is for adult readers. Now available from Tor Books. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Body Double Emily Beyda, 2021-06-08 A dark, glittering debut novel echoing Hitchcock's *Vertigo*, *The Body Double* is the suspenseful story of a young woman who is recruited by a stranger to give up her old life and identity to impersonate a reclusive Hollywood star. A strange man discovers our nameless narrator selling popcorn at a decrepit small-town movie theater and offers her an odd and lucrative position: she will forget her job, her acquaintances, even her name, and move to Los Angeles, where she will become the body double of the famous and troubled celebrity Rosanna Feld. A nervous breakdown has forced Rosanna out of the public eye, and she needs a look-alike to take her place in the tabloid media circus

of Hollywood. Overseen by Max, who hired her for the job, our narrator spends her days locked up in a small apartment in the hills watching hidden camera footage of Rosanna, wearing Rosanna's clothes, eating the food Rosanna likes, practicing her mannerisms, learning to become Rosanna in every way. But as she makes her public debut as Rosanna, alarming questions begin to arise. What really caused Rosanna's mental collapse? Will she ever return? And is Max truly her ally, or something more sinister?

Greyson J.M. Walker,2018-07-18 Confusion. Lust. Fear. Passion. It started the moment she passed out in my arms. Seduction. Vile. Depraved. Desire. She couldn't remember her past but looked to me like I was her future. My walls were built. My heart was cold. My emotions vacant. After being alone for five years with only my motorcycle club at my side, she was who I had been searching for. The one I had needed all along to light up the darkness surrounding my life. Just when I thought I had her, just when I thought I could finally allow myself that happiness I didn't think I deserved. She was ripped from my hands...
