## Britannica Educational Publishing

The Story of Bes - Anniversary Edition MS Shelli Wright Johnson, 2017-12-13 Two worlds collide when Andy experiences a close encounter of the weirdest kind while exploring the far reaches of his grandmother's jumbled attic. There among the tantalizing piles, Andy uncovers a mysterious scroll filled with indecipherable text and suddenly finds himself eyeball to eyeball with Bes - the undersized, overstuffed, protruding-tongued god of ancient Egyptian legend! Although Bes makes clear his intent to return the crumbling document to its rightful homeland, Andy is reluctant to surrender his newly found treasure. While vying for control of the scroll, Andy persuades Bes to tell the epic tale recorded in those hieroglyphs - a tale that takes place in a world filled with magic and ruled by immortals; a golden age so remote even the ancients referred to it as the First Time. Bes sets the stage by providing a crash course in the creation of the world (Egyptian style) and introducing the original gods of the ancient Egyptian pantheon before diving into the cosmic rumble between Osiris, Isis, and their conniving brother Set - the world's first and deadliest game of thrones. So begins, The Story of Bes... The original Story of Bes was published nearly two decades ago with a Foreword by John Anthony West. This is the updated and substantially expanded Anniversary Edition, which also contains an in-depth glossary of the many historical and mythological terms used in the story as a ready reference for those wishing to learn more about the magic and mystery of Bes's ancient homeland. Reviews: Shelli Wright Johnson has her heart in ancient Egypt. And through her extensive travels in that sacred land of the gods and goddesses, she has produced a wonderful story of Bes that will delight young and old. - Robert Bauval, international best-selling author of The Orion Mystery and Secret Chamber Revisited. Shelli Wright Johnson captures the spirit of Bes like no other, and breathes new life into the magical tales of old. - Mohamed Nazmy, President of Quest Travel, Cairo, Egypt, and co-author of The Modern Day Alchemist from the Land of the Pharaohs. Reading level: Ages 10 and up

The Ancient Deities of Egypt: A Journey Through Myth and History Pasquale De Marco, 2025-07-16 In the heart of ancient Egypt, where the sands whispered tales of gods and goddesses, there existed a pantheon of deities as vast and captivating as the Nile itself. Embark on a journey through the vibrant tapestry of their mythology in The Ancient Deities of Egypt: A Journey Through Myth and History. This comprehensive guide invites you to explore the enigmatic world of ancient Egyptian gods and goddesses, unraveling their captivating stories, attributes, and the profound impact they had on the lives of the people who revered them. From the radiant sun god Ra, whose golden rays brought life and warmth to the land, to the

compassionate goddess Isis, whose unwavering love and devotion knew no bounds, each deity played a unique and essential role in the intricate web of ancient Egyptian mythology. Immerse yourself in the tales of Osiris, the lord of the underworld and judge of the dead, whose tragic myth of betrayal and resurrection continues to resonate today. Discover the secrets of Anubis, the jackal-headed guardian of the dead, who guided souls through the treacherous journey to the afterlife. Encounter the wisdom of Thoth, the ibis-headed god of knowledge and writing, whose teachings shaped the minds of ancient Egyptians. Delve into the mysteries of the divine families, exploring the complex relationships between gods and goddesses and the dynasties they formed. Understand the significance of rituals and festivals, where ancient Egyptians celebrated the divine and sought their blessings. Uncover the hidden meanings behind sacred texts and mythology, gaining insights into the beliefs and values that shaped this extraordinary civilization. *The Ancient Deities of Egypt* is more than just a book; it's a portal to a bygone era, a chance to walk among the gods and goddesses of ancient Egypt and experience their enduring legacy. With vivid descriptions, captivating storytelling, and in-depth analysis, this book brings to life the vibrant world of Egyptian mythology, offering a profound understanding of a culture that continues to fascinate and inspire us today. If you like this book, write a review!

**Disability in Ancient Egypt and Egyptology** Alexandra F. Morris, Hannah Vogel, 2024-12-13 This book explores disability across time and space—from 'ancient Egypt' as a culture to Egyptology as a contemporary field—to go beyond simply identifying disability, encouraging readers to thoughtfully consider the history of disabled people in ancient Egypt and Egyptology. Through a critical investigation, this volume reshapes often-overlooked narratives of disability within the discipline of Egyptology and Egyptian Archaeology. Chapters explore evidence of disability, the historiographical ways in which disability has been approached, and how disability histories are (mis)represented in various contemporary spaces. Coverage stretches across Egypt and Nubia from the Predynastic to the Roman periods, as well as receptions of these cultures and disability in museums. Its editors and many of its authors are disability community members who are experts in their respective professions, comprising an international authorship and including voices from typically underrepresented groups. Contributors range from early career researchers to senior scholars, as well as those working outside of and adjacent to academia. While focusing on ancient Egypt and Egyptology, this volume offers new ways to consider disability in the broadest possible sense. It uses terminology informed by the disability community and offers guidance for disability inclusivity in curatorial and pedagogical museum and university contexts. It prioritises disability as an essential area of research in ancient world studies, and platforms both ancient and modern disabled voices. The deep, detailed exploration into disability in the past and in our discipline offered by this book inspires readers to further explore and appreciate the infinite diversity of the human experience in all its infinite combinations. The first-book length treatment of the subject, *Disability in Ancient Egypt and Egyptology* provides a much-needed resource for students and scholars of ancient Egypt,

Egyptology, and disability in the ancient world. It is also suitable for researchers in Disability Studies, practitioners in broader ancient world studies, and museum and heritage professionals. Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.

**The Complete Encyclopedia of Egyptian Deities** Tamara L. Siuda, 2024-08-26 Presenting modern devotional perspectives that are rarely covered in other works, this premium hardcover offers comprehensive profiles of more than one hundred Egyptian gods, goddesses, and other divine beings. This thoroughly researched, full-color tome provides detailed descriptions and illustrations of well-known deities, like Anubis, Horus, Isis, Ra, and Sekhmet. It also features demigods, spiritual beings, and deities of neighboring regions who were also honored by the Egyptians, such as Menhyt (the lioness-headed goddess of Nubia) and Harmachis (the spirit that resides in the Giza Sphinx). Each entry includes a remarkable cache of information, including the deity's name in hieroglyphs, festivals, relatives, personality, domain, and more. Also featuring photographs of important sites and antiquities, this impressive collection is the only resource on Egyptian deities you will ever need.

**Egyptian Gods & Goddesses** Britannica Educational Publishing, 2014-01-01 Gods and goddesses—in human, animal, and other forms—were central to the ancient Egyptian way of life. Identified with the natural world, daily living, and the afterlife, they maintained order and prevented chaos from permeating the human world. The figures documented in ancient hieroglyphics are given dimension in this absorbing volume, which examines the characteristics and significance of many of the Egyptian gods and goddesses and also looks at related topics such as ancient symbols and the influence of Egyptian mythology on other cultures and belief systems.

Ancient Egyptian Magic Christina Riggs, 2020-11-17 An entertaining and informative introduction to how ancient Egyptians practiced magic in their daily lives. In the ancient world, if you needed a love charm, wanted to contact your dead wife, or needed the ability to fly like a bird, the magicians of Egypt were the ones who could make it happen. In *Ancient Egyptian Magic*, Christina Riggs explores how the Egyptians thought about magic, who performed it and why, and also helps readers understand why we've come to think of ancient Egypt in such a mystical way. Readers will learn how to cure scorpion bites, discover why you might want to break the legs off your stuffed hippopotamus toy, and uncover whether mummies really can come back to life. Readers can also learn how to save a fortune on pregnancy tests—urinating on barley grains will answer that question—as well as how to use the next street parade to predict the future or ensure that an annoying neighbor gets his comeuppance. Was magic harmless fun, heartfelt hope, or something darker? Featuring demons, dream interpreters, the Book of the Dead, and illustrations from tomb paintings and papyrus scrolls, Riggs breathes new life into ancient magic and uses early texts and images to illuminate the distinctions between magic, religion, and medicine.

**Gods of Ancient Egypt** Barbara Watterson,2003-09-04 Illustrated in colour, this is an introduction for the general reader to Egyptian mythology and its mysteries. It includes a concise introduction to general aspects of Egyptian religion, followed by specific sections devoted to the most important of the gods. With sections on personal religion and temple ceremony, there are also accounts of mythological stories associated with the gods, and a map of the principle cult centres.

**Ancient Egyptian Myths and Legends** Lewis Spence,2012-06-08 Superb, in-depth survey explores animism, totemism, fetishism, creation myths, Egyptian priesthood, numerous deities, alchemy, Egyptian art and magic, other fascinating topics. Includes over 50 photographs and illustrations.

**Daemons and Spirits in Ancient Egypt** Carolyn Graves-Brown,2018-09-01 It deals with artefacts from the Egypt Centre. This is a little known but important collection. It deals largely with themes rarely or not at all discussed in separate volumes. The theme of daemons is particularly current in academic Egyptology. It should appeal to both academic and non-academic readers.

The Routledge Dictionary of Egyptian Gods and Goddesses George Hart,2005-03-31 The Routledge Dictionary of Egyptian Gods and Goddesses contains one of the most comprehensive listings and descriptions of Egyptian deities. Now in its second edition, it provides: a new introduction updated entries and four new entries on deities names of the deities as Hieroglyphs a survey of gods and goddesses as they appear in classical literature an expanded chronology and updated bibliography, together with a list of relevant websites drawings of the gods and emblems of each district a map of ancient Egypt and a time chart Presenting a vivid picture of the complexity and richness of imagery in Egyptian mythology, students studying Ancient Egypt, travelers, visitors to museums and all those interested in mythology will find this an invaluable resource.

**A Dictionary of Egyptian Gods and Goddesses** George Hart,1986 An alphabetical encyclopedia of the deities of ancient Egypt

**ANCIENT EGYPT: History, Archaeology, Literature, Mythology & Ancient Egyptian Texts** Arthur Gilman,George Rawlinson,E. A. Wallis Budge,Gaston Maspero,Agnes Sophia Griffith Johns,2023-11-19 ANCIENT EGYPT: History, Archaeology, Literature, Mythology & Ancient Egyptian Texts is an extraordinary anthology that bridges the chasm between the scholarly and the accessible, offering readers a panoramic view of Ancient Egypt through a myriad of lenses. This collection spans a significant range of literary styles, from the analytical to the narrative, and embraces the profundity of themes such as the metaphysical complexities of Egyptian mythology, the nuanced advancements in their archaeological methodology, and the timeless allure of their literary and historical texts. Within its pages, seminal works stand as testimonies to the anthology's depth and scholarly rigor, fashioned under the careful editorship of reputed experts in the field. The contributing authors and editors, Arthur Gilman, George Rawlinson, E.A. Wallis Budge, Gaston Maspero, and Agnes

Sophia Griffith Johns, are luminaries with profound insights into the ancient civilizations intricacies. Hailing from diverse backgrounds in Egyptology, archaeology, and historical research, their collective expertise converges in this anthology, offering a holistic exploration of Ancient Egypt. This convergence not only aligns with various historical and cultural movements but also amplifies the reader's comprehension of Ancient Egypt through a rich tapestry of perspectives. This anthology is an indispensable resource for anyone drawn to the enchanting world of Ancient Egypt. It beckons scholars, enthusiasts, and casual readers alike to immerse themselves in an exploration that is as educational as it is enthralling. The collaborative voices within this volume provide a unique opportunity to engage with Ancient Egypt's legacy from multiple vantage points, fostering a deeper understanding and appreciation of its lasting impact on the world. For those eager to unravel the mysteries of one of history's most fascinating civilizations, this collection promises a journey replete with insights and discoveries.

**The History of Tattoos and Body Modification** Nicholas Faulkner, Diane Bailey, 2018-07-15 This captivating book offers readers a wider perspective and deeper appreciation for the art of tattooing than what's typically shown in the media. For those considering getting a tattoo, this will perhaps inform their decision. The book covers the history of tattooing, traveling from ancient Egypt, Rome, and Greece, to Asia, the Middle East, Europe, and the United States. It explains the historical reasons for tattooing. It then goes on to investigate current tattoo trends, including calligraphy and the fusion of cultural designs.

**The Egyptian God Tutu** Olaf E. Kaper, 2003 Tutu (Tithoes) was a popular god in the Ptolemaic and Roman periods of Egyptian history, with his origins in the earlier Egyptian religious tradition. The god provided protection against demons, and his appearance as a striding sphinx was often combined with symbols of his power and visual references to demons and other divinities. The god Tutu demonstrates the continuing vitality of the pharaonic religion under the pressure of foreign cultures and ideas. This monograph provides the first comprehensive study of the god Tutu. It is based upon a collection of attestations, largely unpublished, which derive from monuments in various parts of Egypt and from museum collections all over the world. Moreover, the results of recent archaeological field work in Shenhur and in the temple of Tutu in the Dakhla Oasis have been included in full. The catalogue of monuments is accompanied by an analysis of the god Tutu, his iconography and his place in the Egyptian religion.

**Ancient Egypt** Liz Gogerly, 2007 Ancient Egypt reveals the mysteries of the ancient Egyptians. Learn how the pyramids were built, why the Nile River was so important to the ancient Egyptians, and how to get to the beautiful Luxor Temple. Book jacket.

**The Pharaohs of Ancient Egypt: History, Mysteries and Secrets of the Most Powerful Dynasties** Caesar Aurelius, 2025-02-16 Dive into the enigmatic world of Ancient Egypt and unravel the mysteries of the pharaohs, the rulers

who shaped one of the most influential civilizations in history. This comprehensive guide takes you through the rise and fall of Egypt's most powerful dynasties, shedding light on their political strategies, religious beliefs, and monumental achievements. What you will discover in this book: □ The Power of the Pharaohs – From Djoser to Cleopatra, understand how these rulers governed with divine authority. □ Secrets of the Pyramids – How and why were these colossal structures built? Discover the engineering marvels behind them. □ Lost Civilizations – Insights into lesser-known Egyptian rulers and their contributions to history. □ Wars and Conquests – The military campaigns that expanded and defended Egypt's borders. □ The Mysteries of the Afterlife – Uncover the religious beliefs surrounding death, mummification, and the Book of the Dead. □ Monuments and Temples – The legacy of Karnak, Luxor, Abu Simbel, and other architectural wonders. □ Curses and Legends – Myths surrounding Tutankhamun's tomb and the supposed curses of the pharaohs. □ Egypt's Influence on the Modern World – How Egyptian culture still resonates in art, architecture, and philosophy today. Nota: The content of this edition is text-only, with no images, ensuring an immersive and in-depth reading experience.

Ancient Egyptian Medicine Charles Savona-Ventura, 2017-09-23 The medicine of the ancient Egyptians is some of the oldest documented. From the beginnings of the civilization in the late fourth millennium BC until the Persian invasion of 525 BC, Egyptian medical practice went largely unchanged but was highly advanced for its time, including simple non-invasive surgery, setting of bones, dentistry, and an extensive set of pharmacopoeia. Egyptian medical thought influenced later traditions, including the Greeks. Until the 19th century, the main sources of information about ancient Egyptian medicine were writings from later in antiquity. The Greek historian Herodotus visited Egypt around 440 BC and wrote extensively of his observations of their medicinal practice. Pliny the Elder also wrote favourably of them in historical review. Hippocrates (the father of medicine), Herophilos, Erasistratus and later Galen studied at the temple of Amenhotep, and acknowledged the contribution of ancient Egyptian medicine to Greek medicine.

Myths & Legends of Ancient Egypt Lewis Spence, 1915

**The Story of Bes** Shelli Wright Johnson, 2000-12-01 Two worlds collide as Andy, a modern day boy, experiences an encounter of the weirdest kind in the jumbled attic of his recently deceased grandmother. It is there among the piles of his grandmother's treasures that Andy comes face to face with Bes, the pint-sized god of ancient Egyptian legend, who has come to recover a lost scroll containing a very special story: The Story of Bes.

**Medusa** David Leeming, 2013-06-01 With her repulsive face and head full of living, venomous snakes, Medusa is petrifying—quite literally, since looking directly at her turned people to stone. Ever since Perseus cut off her head and presented it to Athena, she has been a woman of many forms: a dangerous female monster that had to be destroyed, an erotic power that could annihilate men, and, thanks to Freud, a woman whose hair was a nest of terrifying penises that signaled castration. She has been immortalized by artists from Leonardo da Vinci to Salvador Dalí and was the emblem of the Jacobins

after the French Revolution. Today, she's viewed by feminists as a noble victim of patriarchy and used by Versace in the designer's logo for men's underwear, haute couture, and exotic dinnerware. She even gives her name to a sushi roll on a Disney resort menu. Why does Medusa continue to have this power to transfix us? David Leeming seeks to answer this question in *Medusa*, a biography of the mythical creature. Searching for the origins of Medusa's myth in cultures that predate ancient Greece, Leeming explores how and why the mythical figure of the gorgon has become one of the most important and enduring ideas in human history. From an oil painting by Caravaggio to *Clash of the Titans* and *Dungeons and Dragons*, he delves into the many depictions of Medusa, ultimately revealing that her story is a cultural dream that continues to change and develop with each new era. Asking what the evolution of the Medusa myth discloses about our culture and ourselves, this book paints an illuminating portrait of a woman who has never ceased to enthrall.
