Into Her Depths Rachel Fiore, Not every fairy tale ends the way you think. Prince Finlay is out on the high seas, on his way to the court of his cousin, when he sees what he thinks is a woman drowning. When he calls for help and the captain arrives, there's nothing in the water. Finlay knows what he saw, but he can't explain where the woman went. As the crew exchanges stories at dinner, Finlay listens intently to one told of a mermaid who took a sailor captive as her pleasure toy. When the sailor mentions the red hair of the mermaid, it reminds Finlay of the woman he saw in the water. Leaving the cabin to get some fresh air, Finlay sees the red-haired woman in the water again. She convinces him to join her in the water, but he quickly realizes all is not what it seems. The Fairy Tale World Andrew Teverson, 2019-03-26 The Fairy Tale World is a definitive volume on this ever-evolving field. The book draws on recent critical attention, contesting romantic ideas about timeless tales of good and evil, and arguing that fairy tales are culturally astute narratives that reflect the historical and material circumstances of the societies in which they are produced. The Fairy Tale World takes a uniquely global perspective and broadens the international, cultural, and critical scope of fairy-tale studies. Throughout the five parts, the volume challenges the previously Eurocentric focus of fairy-tale studies, with contributors looking at: • the contrast between traditional, canonical fairy tales and more modern reinterpretations; • responses to the fairy tale around the world, including works from every continent; • applications of the fairy tale in diverse media, from oral tradition to the commercialized films of Hollywood and Bollywood; • debates concerning the global and local ownership of fairy tales, and the impact the digital age and an exponentially globalized world have on traditional narratives; • the fairy tale as told through art, dance, theatre, fan fiction, and film. This volume brings together a selection of the most respected voices in the field, offering ground-breaking analysis of the fairy tale in relation to ethnicity, colonialism, feminism, disability, sexuality, the environment, and class. An indispensable resource for students and scholars alike, The Fairy Tale World seeks to discover how such a traditional area of literature has remained so enduringly relevant in the modern world.

The Empress's New Lingerie and Other Erotic Fairy Tales Hillary Rollins, 2006-01-24 Once Upon a Time ... A haughty

princess paraded in front of her people but ended up showing off far more than her leadership skills. A modern-day Cinderella went to the ball in a pair of black patent-leather stiletto heels guaranteed to bring the foot-worshipping prince to his knees. The seven dwarves proved that what they lacked in size they more than made up for in numbers. And Goldie learned that nothing is too hot when it comes to finding out which of the three “bare” bachelors is neither too big nor too small, but just right. In *The Empress’s New Lingerie* your favorite childhood fairy tales have taken a decidedly adult turn. So dim the lights, get cozy, and lose yourself in sexy bedtime stories with a naughty twist. . . . Pleasant dreams.

The Land of Giants: An Erotic Fairytale (Fantasy Erotica / Adult Fairy Tales) Victoria Rush,2021-07-27 Being small sometimes has its advantages... When Clover and her new friends arrive at the giant gates of Gargaton, more than their eyes are opened as they begin to explore the wonders of the oversize kingdom. When curious princess Ophelia asks them how they procreate, the trio are only too happy to provide a real-life demonstration. But while Ophelia becomes increasingly aroused watching the amorous threesome and begins moaning in mounting pleasure, her father barges into the bedroom fearing something is amiss. When he catches the group in the act, he traps the little people in a bottle and carries them back to his master suite. After he explains to his wife how the three were corrupting their innocent daughter with their concupiscent ways, the queen peers at the sexy trio and hatches a plan. If they will service the King and Queen for one randy night of sex, they will free the group and allow them to leave the castle. But as the royal couple begins to disrobe, it quickly becomes apparent to Clover, Tara, and Jessop that they will have to adopt some new techniques to stimulate their enormous private parts. It doesn’t take long for the three friends to learn that bigger is better when it comes to sex in the Land of Giants....
