Choice in Chaos Gangadhar Bhadani,2017-03-16 Author Gangadhar Bhadani was once described by Jimmy Wales, cofounder of Wikipedia, as the most prolific Indian Wikipedian. He was in the top ten worldwide contributors for months. In *Choice in Chaos*, Bhadani shares his life story, a tale spanning the six decades of his life so far. It features several streams that flow concurrently: autobiographical accounts and anecdotes, along with a number of select books that passed through his life with a golden streakhis activities, his contributions, and his experience as a Wikipedian. In colorful and candid language, Bhadani describes his childhood, adolescence, and multidimensional adulthood, painting a vivid picture of India along the way. At the age of fifty-five, he began to engage seriously with the English version of Wikipedia, and that connection has profoundly changed his life. This unusual memoir presents the personal narrative of an Indian bank officer who has made extensive contributions to Wikipedia since 2005.

The Wonder That Is Urdu Krishna S. Dhir,2022-01-01 Language is a Developmental, social and cultural phenomenon. When Urdu started its literary journey, writing also treasured it and today we are proud of the great collection of Urdu books. Urdu lovers have also done a remarkable job in writing books on various topics and in conveying the standard writings to the Urdu circles by giving them solid ink. This book although written in English, is one such masterpiece by Krishna S. Dhir. However, it clearly reflects the love of the writer for the Urdu language and its literature. The beginning of this book is an excellent illustration of how the various apabhhransha of South Asia interacted with Perso-Arabic and European languages, to give rise to various languages, including Urdu and how they grew up through the time of the Mughals and the British. How all the major religions of the world originated in the Asian continent and the observation of Sufis are highlighted in the second chapter of this book. The role of social and economic institutions and traditions in the evolution of Urdu has been shed light upon. Krishna S. Dhir has painstakingly elaborated upon the protest literature and extensively quoted Mir, Ghalib, Daagh Dehlvi, Sahir Ludhianvi, Faiz Ahmad, Ahmad Fraz and other poets to prove how Urdu poetry has been used to protest against siege, raids, imprisonment, imperialism and colonisation, and to express love and peace. Finally, the writer explores how Urdu is deployed by the diaspora that uses it.

Urdu/Hindi: An Artificial Divide Abdul Jamil Khan, 2006 The lingua franca of the Indo-Pakistani people is one language, claims Khan, called Hindi when written in Nagari and Urdu when written in Arabic. He says it is not descended from Sanskrit, as conventionally believed, but is 10-12,000 years old and was influenced early by the Austric-Munda and Dravidian language families. Leaving aside any religious

Urdu Poetry & Epistemology - Volume II Sayed Athar Husain Naqvi, 2024-07-19 Urdu Poetry & Epistemology - Volume II celebrates the enduring beauty and depth of Urdu literature, captivating the heart of the reader. This work pays homage to the divine craftsmanship of words and poetry, showcasing how Urdu continues to carve new paths into the future, resonating with souls far and wide. The writings of the esteemed Sayed Athar Husain Naqvi serve as a testament to Urdu's rich heritage, compelling readers to acknowledge the language's origins and its poignant journey through time. Although it is often mourned for its perceived decline in its birthplace, Urdu finds a vibrant resurgence amidst its trials. Drawing inspiration from the historical currents of the Euphrates, it finds a new home among the diaspora in Europe, flourishing particularly on the fertile cultural grounds of London. In this new era, Rajab Ali Beg Saroor breathes life into Urdu with his pen. His work, infused with innovation and wonder, creates a mesmerizing universe of words, where magic and reality blend seamlessly, offering a testament to the language's adaptability and enduring charm. London, celebrated as a melting pot of cultures, plays a crucial role in embracing Urdu and other languages, providing them with a platform to thrive and enchant anew. This book is not only a tribute to Urdu poetry's illustrious past but also a beacon of hope for its flourishing future, inviting readers to delve into its harmonious and enchanting world.

Decline of Muslim States and Societies Misbah Islam, 2008-05-01 Any discussion about Islam these days bring about deep passions, both overt and latent. On both sides of the divide, the main common factor is that of fear. Apparently, this antagonism is between unequals. One side claims technological and material prowess within a civilized society while the other claims righteousness of their cause and the spirit of their faith. All this has given rise to the phenomenon of global heating that has elevated the global temperature in terms of fear, intolerance, terrorism, and open warfare.

Sind Quarterly ,1985

Calcutta Review ,1845

The Indian Uprising of 1857-8 Clare Anderson, 2007 This fascinating book, based on extensive archival research in Britain and India, examines why mutineer-rebels chose to attack prisons and release prisoners, discusses the impact of the destruction of the jails on British penal policy in mainland India, considers the relationship between India and its penal settlements in Southeast Asia, re-examines Britain's decision to settle the Andaman Islands as a penal colony in 1858, and re-evaluates the experiences of mutineer-rebel convicts there. As such this book makes an important contribution to histories of the mutiny-rebellion, British colonial South Asia, British expansion in the Indian Ocean and incarceration and transportation.

Coinciding with the 150th anniversary of the mutiny-rebellion, this book will be of interest to academics and students researching the history of colonial India, the history of empire and expansion and the history of imprisonment and incarceration.

"Don't Forget The Pierrots!" The Complete History of British Pierrot Troupes & Concert Parties Tony Lidington, 2022-09-30 This volume is the first authoritative historical textbook to look at the origins, development and evolution of seaside pierrot troupes and concert parties and their popular performance heritage. It will provide, for the first time, a definition of the pierrot troupe and its evolution from the roots of European popular traditions such as the *commedia dell'arte* and minstrelsy, to links between music hall and contemporary popular culture. Tony Lidington will explore how pierrot troupes grew from a single idea into a major international cultural industry and how it boosted morale and national identity during the two World Wars, before sublimating into contemporary pop music and comedy. Tony's continuing practice as research provides an experiential framework for the historical and ethnographic analysis of the form. This book will be of vital interest to students, researchers, and performers of outdoor (al fresco) arts, clowning and comedy, minstrelsy, vernacular music-making and music hall.

The World in Words Daniel Joseph Majchrowicz, 2023-06-15 Based on over a decade of original archival research, this book shows how Urdu travel writing gave voice to a global imagination that reflected the ambition and aspiration of Indians and Pakistanis as they negotiated their place in the changing world of the nineteenth and twentieth centuries. In this interdisciplinary study, author Daniel Majchrowicz traces the social and literary history of the Urdu travelogue from 1840 to 1990 in six chronological chapters. Each chapter asks how travel writers used the genre to give meaning to the shifting social and political realities of their colonial and postcolonial worlds. The book particularly highlights the role of women writers in the production of a global imagination in Urdu with an emphasis on travel writing on Asia and Africa.

Conservation of Architectural Heritage Antonella Versaci, Hocine Bougdah, Natsuko Akagawa, Nicola Cavalagli, 2022-03-01 This book focuses on the management and conservation of architectural heritage with the aim of increasing awareness about the value of such conservation and of saving what is left of history, which in turn rewards societies by supporting the tourism industry, generating economic return, and preserving communities' identities. Since it has become an essential need to manage and conserve the architectural heritage in order to protect the identity and heritage of a city, there appeared a gap between the theory and its application. Therefore, a considerable amount of attention has been directed by experts in this field toward emphasizing the contribution of heritage conservation in order to inspire the development of imaginative, useful high-quality design.

Microsoft Encarta College Dictionary Anne H. Soukhanov, 2001-07-13 Easy-to-use quick definition system ; The most new words-more than 32,000 entries and definitions ; Preeminent coverage of high-technology words,

The Pashtuns Abubakar Siddique, 2014-06-10 Most accounts claim that the instability gripping Afghanistan and Pakistan is either rooted in Pashtun history and culture, or finds willing hosts among Pashtun communities on both sides of the Afghanistan-Pakistan border. In *The Pashtuns*, Abubakar Siddique, a stout-hearted Pashtun himself, sets out to interrogate this claim. He tells a very different story: that the failure, and unwillingness, of both Afghanistan and Pakistan to absorb the Pashtuns into their state structures and to incorporate them into the economic and political fabric is central to South Asia's problems, and a critical failure of nation- and state-building in both countries. In a voice that is both engaging and erudite, he makes clear that religious extremism is the product of these critical failures and that responsibility for this lies to a large degree with the elites of both countries. Partly an eye-witness account and partly meticulously researched scholarship, *The Pashtuns* describes a people whose destiny will, no doubt, shape the future of Pakistan and Afghanistan, and also the rest of the world.

Creative Forum ,2000

Regional Sufi Centres in India Nasir Raza Khan, 2023-06-09 *Regional Sufi Centres in India: Significance and Contribution* sets out to explore and understand the hundreds of years old multi-religious sect of India, Sufism, which advocates humane and global outlook for entire mankind and regards humanity as a brotherhood. Sufism came to India from its Arabic Turkic and Persian homes, instead of remaining confined to palaces and mosques. It spread out to all over India establishing regional Centres and Dargahs often known by the surnames of the families which sustained it, like Khanqah-e-Niazia, in Bareilly (UP), Khanqah Gesu Daraz in Gulbarga, and Firdausi in Bihar. The authors of this volume discuss some of the regional Sufi Centres in India and their contribution in the social emancipation of the society. Print edition not for sale in South Asia (India, Sri Lanka, Nepal, Bangladesh, Pakistan and Bhutan)

Whither Indian Judiciary Justice Markandey Katju, 2018-04-30 The book presents, for the first time, a comprehensive and analytical inside view of the Indian judiciary. Justice Katju traces the evolution of law and proceeds to analyse, with incisive insight, matters of critical importance like the appointment of judges, contempt of court, delays in justice and the challenges facing the Indian judiciary. The author draws upon his extensive tenure as a justice of the High Court and Supreme Court to draw examples and relate fascinating personal experiences. He addresses issues like judicial corruption and propagates novel proposals like lawyers to be brought under the Consumer Protection Act. Some memorable judgements which helped in shaping the Indian judiciary have been made by Justice Katju. The book covers these judgements in detail and also includes anecdotes, which bring out the captivating and complex world of the judiciary. A must read book for not just those in the legal field, but all those wanting a never before insight into the Indian judiciary.

Sultan Bahoo Sultan-ul-Ashiqeen Hazrat Sakhi Sultan Mohammad Najib-ur-Rehman, The spiritual descendant of Hazrat Sakhi Sultan Bahoo and the current Spiritual Leader of Sarwari Qadri Order Sultan-ul-Ashiqeen Hazrat Sakhi Sultan

Poetry Writing Made Simple 2 Teacher's Toolbox Series Sarika Singh, 2015-05-11 Poetry captures the wonder of life, in a few words it surrounds us, we just know it by different names - craft, music, dance, song, and even activities such as driving, swimming, cooking or painting. There is a rhythm, rhyme and balance in all these activities - this is poetry in the real world. Following this series (Book I & Book II), is equivalent to attending an uncomplicated and practical course in poetry. The methodologies are clear-cut, understanding and user-friendly. This 2-volume set furnishes you with a toolkit to help you teach and write poetry. Get acquainted with the poetry process: paint your words; learn how to use tone, repetition and rhyme readily; employ the right tools to maintain your poetry journals and compile your anthologies. Sarika Singh shares her poetry recipes with other teachers and parents who wish to offer children the guidance and space to experiment with their own creativity whilst having fun. Poetry is fun! It is for everyone!
