**The Demon of Brownsville Road** Bob Cranmer, Erica Manfred, 2014-08-05 October 1988: Bob Cranmer buys a house in the Pittsburgh suburb he grew up in. He has no idea that his dream home is about to become his worst nightmare... The Cranmers seemed fated to own the house at 3406 Brownsville Road. As a young boy, Bob had been drawn to the property, and, just when the family decided to move back to Brentwood, it went up for sale. Without a second thought, they purchased the house that Bob had always dreamed of owning. But soon, the family began experiencing strange phenomena—objects moving on their own, ghostly footsteps, unsettling moaning sounds—that gradually increased in violence, escalating to physical assaults and, most disturbingly, bleeding walls. Bob, Lesa, and their four children were under attack from a malicious demon that was conjuring up terrifying manifestations to destroy their tight-knit household. They had two choices: leave or draw on their unwavering faith to exorcise the malicious fiend who haunted their home. Now, Bob Cranmer recounts the harrowing true story of the evil presence that tormented his family and the epic spiritual war he fought to save everything he held dear... INCLUDES PHOTOS

When Demons Attack: True Tales of Diabolic Encounters John Harker, 2021-04-05 Imagine an ancient evil that dwells in a dark world of its own but can easily cross into ours. Imagine a calculating evil that watches our every move and knows our very hearts. Imagine a powerful evil that seeks to confuse, harm, and destroy us in body and soul. Imagine all you like, but don't think for a moment that such creatures don't exist. In this all-new volume of terrifying true stories, you will learn about the ancient evil spirits we have come to call demons and the various ways they have terrorized humans through the centuries. You will meet some of their modern-day victims, people from all different walks of life. People just like us. You will read about hideous manifestations, depraved assaults, and all other manner of frightening phenomena. These incredulous accounts will startle your senses and challenge your worldview. They may even make you afraid to go to bed at night. But therein lies a powerful weapon. Only in knowing one's enemy can that enemy be defeated. This book will give you a clearer understanding of the inhuman intelligent entities that prowl unseen in our midst, their motives and machinations, and how to avoid crossing their paths. **The Gates of Hell** David Henderson, 2024-10-17 This book is mostly a collection of true stories about demonic beings frightening, torturing, and creating chaos among humans. The first reason I authored this book was because I simply enjoy this topic. Yes, I am a bit odd. I find topics that are strange, mysterious, and diabolical to be interesting. The second reason is because we are in a spiritual battle, and I find many Christians that I know seem to be almost oblivious to this fact. My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army. "Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms" Ephesians 6:12.

Nightmares with the Bible Steve A. Wiggins, 2020-11-16 Demons! Nightmares with the Bible views demons through two lenses: that of western religion and that of cinema. Sketching out the long fear of demons in western history, including the Bible, Steve A. Wiggins moves on to analyze how popular movies inform our beliefs about demonic forces. Beginning with the idea of possession, he explores the portrayal of demons from ancient Mesopotamia and the biblical world (including in select extra-biblical texts), and then examines the portrayal of demons in popular horror franchises *The Conjuring*, *The Amityville Horror*, and *Paranormal Activity*. In the final chapter, Wiggins looks at movies that followed *The Exorcist* and offers new perspectives for viewing possession and exorcism. Written in non-technical language, this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions.

*Historic Haunts of Sumner County, Tennessee* Donna Lyn Hartley, 2022-03-28 From the homes of the first settlers in Middle Tennessee to Gallatin's public square and everywhere in between, there is not a more haunted county in America. The Winchesters' unique and architecturally impressive Cragfont had mysterious occurrences from its very beginnings in the late

1700s. Gallatin's public square, its courthouse, loft apartments and places of business have hauntings that seem to specifically point to restless spirits still unsettled from the oppressive days of Civil War occupation by a brutal commanding officer of the Union army. Even the modern subdivisions are not immune to the supernatural, hosting everything from flying cryptids to tormented spirit-remnants of the bloody conflict between settlers and Native Americans. Author Donna Lyn Hartley details the spooky side of Sumner County.

**The Story Of Creation** Monsignor Ronald P. Lengwin,2019-12-17 Most people are fascinated by the mysteries woven into every aspect of life - and into every part of The Story of Creation. This attraction originates with The One, the Creator of all life. The One is the master of divine and eternal mystery. Some of these mysteries can only be understood through divine revelation, often through inspiration and faith, and when the time is right to divulge parts of the Divine Plan. Life in the heavens existed long before the creation of Earth. Lucifer, the archangel, had a very important role in that spiritual realm; but he was cut and fell to an Earth designated as his princely dominion. This realm has become a battleground between angels who assist Lucifer and those who support the Heavenly Father. These angels interact with Lucifer, the Heavenly Father, and we humans in very different ways. These are only a few of the many mysteries revealed in The Story of Creation. The clarification and understanding of the Divine Plan divulged in The Story of Creation lights the way towards redemption and salvation. It clarifies the purpose of life, nurturing us wholly, even as the world moves ever closer to the end times when Lucifer loses all his power and is defeated by Michael the Archangel, whose own origin is revealed here for the first time in history. You will be surprised, amazed, enlightened, and uplifted by the revelations contained herein. The Story of Creation provides answers to many questions posed by those seeking to understand life's most intriguing mysteries.
