Encyclopedia of Hair Victoria Sherrow,2023-03-30 This popular volume on the culture of hair through human history and around the globe has been updated and revised to include even more entries and current information. How we style our hair has the ability to shape the way others perceive us. For example, in 2017, the singer Macklemore denounced his hipster undercut hairstyle, a style that is associated with Hitler Youth and alt-right men, and in 2015, actress Rose McGowan shaved her head in order to take a stance against the traditional Hollywood sex symbol stereotype. This volume examines how hair-or lack thereof-can be an important symbol of gender, class, and culture around the world and through history. Hairstyles have come to represent cultural heritage and memory, and even political leanings, social beliefs, and identity. This second

edition builds upon the original volume, updating all entries that have evolved over the last decade, such as by discussing hipster culture in the entries on beards and mustaches and recent medical breakthroughs in hair loss. New entries have been added that look at specific world regions, hair coverings, political symbolism behind certain styles, and other topics.

The Almanac of American Employers 2007 Jack W. Plunkett,2006-10 This book will help you sort through America's giant corporate employers to determine which may be the best for corporate employers to determine which may be the best for you, or to see how your current employer compares to others. It has reference for growth and hiring plans, salaries and benefits, women and minority advancement, industries, locations and careers, and major trends affecting job seekers.

Insiders' Guide to North Carolina's Central Coast and New Bern Tabbie Nance,Martha L. Hall,2008-05 New Look for Insiders' Guide Series We've rolled-out a new design this year for the highly popular Insiders' Guide series. This acclaimed travel series that has sold more than a million copies boasts a new look, focusing on high-end photography of each book's subject. We've removed all text but the title from the cover, allowing for the cover photo to be the main focus. Each title's spine will feature bright bands of color representing the breadth of travel our readers enjoy, and making for a striking appearance when books in the series are shelved together. Look for this eye-catching redesign at a bookstore near you!

Plunkett's Retail Industry Almanac 2007 Jack W. Plunkett,2006-12 No other guide covers the complete retail picture like this exciting new volume. America's retail industry is in the midst of vast changes - superstores and giant discounters are popping up on major corners. Malls are lagging while power centers are surging ahead. Savvy firms are combining bricks, clicks and catalogs into multi-channel retail powerhouses. Which are the hottest retailers? What lies ahead? Our market research section shows you the trends and a thorough analysis of retail technologies, chain stores, shopping centers, mergers, finances and future growth within the industry. Included are major statistical tables showing everything from monthly U.S. retail sales, by sector, to mall sales per square foot, to the 10 largest malls in the US. Meanwhile, the corporate profiles section covering nearly 500 firms gives you complete profiles of the leading, fastest growing retail chains across the nation. From Wal-Mart and Costco to Barnes & Noble and Amazon, we profile the major companies that marketing executives, investors and job seekers most want to know about. These profiles include corporate name, address, phone, fax, web site, growth plans, competitive advantage, financial histories and up to 27 executive contacts by title. Purchasers of the printed book or PDF version may receive a free CD-ROM database of the corporate profiles, enabling export of vital corporate data for mail merge and other uses.
