Game of Spies Ava Glass, 2023-08-01 British spy Emma Makepeace goes undercover on a Russian oligarch's super-yacht, where she's one wrong move away from a watery grave, in this electrifying thriller from the author of *Alias* Emma. An MI6 operative is found dead, locked in a suitcase inside his own apartment. Despite an exhaustive search, no fingerprints are found at the scene. Emma Makepeace and her handler, Ripley, know an assassination when they see one, and such an obvious murder can mean only one thing: Someone is sending a message. As she digs into his past, Emma discovers that the unfortunate spy had been investigating two Russian oligarchs based in London. He'd become obsessed with the idea that the two were spies, aided by a third man—whose identity he had yet to uncover. When he shared his findings within MI6 in the weeks before he died, the response came back fast and clear: Drop the investigation and move on. Had he uncovered a secret that cost him his life? To pick up where he left off without ending up in a suitcase of her own, Emma goes undercover on one of the oligarch's million-dollar yachts, scheduled to set sail from the Cote D'Azur to Monaco. Under other circumstances, this would be a dream vacation. But if Emma's real identity gets discovered, it's a death sentence. As Emma's work reveals secrets she'd be safer not knowing, the danger ratchets up. The killer may be closer to home than any of them imagined. And Emma won't be safe until he—or she—is caught.

Let's Get Physical Maureen Reil, 2014-06-03 To: All Readers Subject: Let's Get Physical Hello all, This is an email to tell you about Millie Reed's story. She is an identical twin sister to Megan Fitzpatrick and they have not spoken for years because Megan stole the love of Millie's life and married Milo. Millie returns home for the funeral of their grandmother. Well things are said, things are agreed and things are changed forever when they decide to do a sister swap and take on each other's lives for one month. Will Millie be able to become Megan and make her proud? Will Millie, acting as Megan, manage to mend the marriage to Milo? Will Millie overcome obstacles preventing her happiness, or have regrets in the end at being more like Megan than she bargained for? They do say never work with children or animals and always leave your ego at the door so this just proves that theory as sound advice. Pity nobody followed it. Enjoy this British, humour filled novel and discover how physical appearance mixed with physical attraction can lead to physical exhaustion from the comical complications of trying to be like someone you will never quite be like, no matter how much you want it. Take care and speak again soon.
