Earthshaker John Benjamin, 2012-10-19 What in the world is going on? Almost overnight our modern world has entered into a period of great change, very suddenly and unexpectedly, with the largest and most violent storms, earthquakes, solar flares, flooding, droughts, severe weather anomalies, and earth changes than the greater majority of us have ever experienced in our lifetimes. The largest drought ever recorded in Americas history struck so quickly in 2012 that it was called a flash drought, encompassing over half of the entire nation. The full extent of the damage that this has caused through crop loss has yet to be realized on the worlds markets, but there will most certainly be food shortages soon, and prices are already beginning to skyrocket worldwide! Water shortages and actual water wars are also beginning to occur. The rest of the entire world is also experiencing these same disastrous events. Gigantic earthquakes are happening worldwide causing untold destruction! So many people have lost their lives or have been displaced by these unexpected tragedies that there is simply no way to account for them all. India had a power outage so great that seven hundred million people were without electricity for weeks, and people worldwide fear that something of this same magnitude may also strike their area in the very near future. What in the world is going on here? This book provides the answer to this question and gives sound advice on what you can do to prepare yourself as well as your family and friends to survive the even more severe earth events that may be set to occur shortly in our modern, rapidly changing world. It is my earnest hope that this book will be a great help and source of strength for you in the uncertain times that lie directly ahead. John Benjamin

Dedicated to the First and the Last Michael Gonzales, 2015-12-17 When I was asked to write a summary for the cover of this book, I found it hard to do so. What I mean the whole book is YHWH Inspired. I broke down one Morning, filled with the Love of the Holy Spirit, I asked YHWH why Oh why I had not been blessed with the gift of tongues? YHWH said to me the reason why, was because for the rest of my life I would Obey (LISTEN) to YHWH'S words to me and I would be His Tongue! Yet with all the Obedience to YHWH he also promised me that He would break me as was done to Job would be done to me! YHWH also asked me that if I were left as the last man on earth what shall I YHWH leave you with? My answer was that His will be done and only leave me with YHWH'S intimacy. YHWH said so be it, I AM YOUR INTEGRITY! YHWH said make me a PROMISE, I said I DO! YHWH said make MY HOLY NAME KNOWN! YHWH says in all human intelligence and knowledge why has HIS Holy Name been lost to all the words YHWH gave to His prophets. YHWH says I YHWH have heard many a preacher, minister to His flock. Invoke and extol all that I AM HOLY! Only to BLASPEM MY HOLY NAME YHWH in relation to lord, God and blah, blah and continues of WHO I AM NOT! Take note of the WHO I AM NOT! For I YHWH HAVE NO EQUAL!

Crisis music Ian Goodyer, 2013-07-19 Marching to the beat of punk rock and reggae, Rock Against Racism was a mass movement built in opposition to racism and fascism in 1970s Britain. At a time of severe economic and social crises, RAR, alongside the Anti-Nazi League, organised one of the biggest and most effective political and cultural mobilisations of the post-war period. Expressing itself through spectacular carnivals, concerts, marches and innovative forms of design and communication, RAR combined hard-headed political organisation with the optimism and energy of radical youth culture. Drawing on interviews with activists, supporters and critics, and based on the latest research, Crisis music explores the

nature of this ground-breaking politico-cultural phenomenon. The author explains why RAR seized upon the power and passion of punk and reggae, and how this has helped to shape the boundaries of modern popular music. He also offers, for the first time, a clear picture of the relationship between RAR and its main political sponsor, the Socialist Workers Party. Crisis music discusses RAR's place within the left's often-troubled encounters with popular culture, and draws comparisons with other music-based movements and campaigns, such as the post-war folk revival and Live 8. This book casts light on numerous current debates: about 'celebrity politics' and the role of musicians as political spokespeople, for instance, and the links between ethnicity, popular culture and politics. It will be of value to students and researchers in cultural studies, politics and labour history, and to anyone interested in the role of culture in political activity.

Truths Stolen by Satan Revealed M. D. Connell-McDowell, 2013-03-19 This course is to prevent that happening to you. Plus you're going to have a wonderful life on earth and gain your full reward rather than some of your reward in this life and far more importantly your full reward in eternity. Many Christians don't have the Apocrypha/Dueterocanonical books in their Bibles and so lack expertise to win in spiritual warfare. You are going to learn these secrets. Firstly by convincing you that the Apocrypha/Dueterocanonical books are inspired by The Holy Spirit. Secondly the art of 'Heeding mild rebukes' On top of all this you're going to increase greatly in knowledge, for example: 1) You will learn what happens to you for seven days when you leave your mortal body, you will be going on a wonderful journey with Christ. 2) You're going to find out who the mysterious Melchizedec was, mentioned in Hebrews; whom many have said was Christ, not so! 3) You will learn that the earth was originally created upright on its axis and why and when it was tilted; by the way scientists concur that it was upright, but it did not happen tens of thousands of years ago as they suggest. 4) Scientists tell us originally the dry land on earth was gathered together in one huge continent, they have named 'Gondwanaland' they are correct, the scriptures not only tell us this but when it was changed to the map that we have today by the almighty power of God. It didn't happen when the scientist say. 5) Did you know Job was advisor to Pharaoh and that he was complicit in the murder of the Hebrew male babies? 6) Between the killing of the Egyptian and seeing the burning bush, Moses led a fascinating life, what was he doing? He wasn't herding his father-in-laws sheep the whole time as some say. I could go on and on, there is so much more awaiting you; come with me on this fascinating adventure. God bless you, I'll see you on the inside.

Revelations Victor Bennett, 2015-10-30 I have read many books concerning the book of Revelations. I have taken a different path, if you will. I have used the Bible itself to interpret the meaning of this book. You will actually be amazed at the information in the pages of the Bible that refer to Revelations. Most people are scared to read this book, other just ignore it like the plague, and yet right in the beginning, the first few sentences actually tells us that this is a blessing to those who heed the Words written and obey them. I do not belong to any denomination; I do, however, consider myself as being a child of God. I believe that I have done my best in showing you that by reading the Bible, piecing the different verses or events,

you will then actually see how everything falls into a story that makes more sense than I or anyone else has offered. Read the book and like the Berians, check the scriptures to ensure that what I have written is true.

The Surprising Humor of the Bible Sidney DeWaal,2016-11-03 This book reflects Sidneys international experience in telling and living the story of Jesus Christ in society, church, and governmental interactions. He has a deep respect for the Christians challenge to be faithful in living biblical humor wherever they live and work. The narrative of this book regularly highlights how Gods humor is strung through the story of redemption . . . many times as a welcome surprise.

THE TESTAMENTS OF THE TWELVE PATRIARCHS - the biographies of 12 giants of the ancient world Anon E.

Mouse,2019-01-27 Herein are twelve biographies of the Patriarchs written between 107 B.C. and 137 B.C. They are a forceful exposition, showing how a Pharisee with a rare gift of writing secured the biographies of the 12 greatest men of ancient times. There were intellectual giants in those days and the Twelve Patriarchs were the Intellectual Giants! Each tells his life story and when he is on his deathbed he calls all his children and grandchildren and great-grandchildren about him, and proceeds without reservation to lay bare his experiences for the moral guidance of his hearers. If he fell into sin he tells all about it and then counsels them not to err as he did. If he was virtuous, he shows what rewards were his. When you look beyond the unvarnished--almost brutally frank--passages of the text, you will discern a remarkable attestation of the expectations of the Messiah which existed a hundred years before Christ. And there is another element of rare value in this strange series. As Dr. R. H. Charles says in his scholarly work on the Pseudepigrapha: its ethical teaching has achieved a real immortality by influencing the thought and diction of the writers of the New Testament, and even those of our Lord. This ethical teaching, which is very much higher and purer than that of the Old Testament, is yet its true spiritual child and helps to bridge the chasm that divides the ethics of the Old and New Testaments.

The Book of Enoch Prophet Enoch,2023-01-06 Enoch walked with God; then he was no more for God took him. The Book of Enoch is a pseudoepigraphal work (a work that claims to be by a biblical character). The Book of Enoch was not included in either the Hebrew or most Christian biblical canons, but could have been considered a sacred text by the sectarians. The original Aramaic version was lost until the Dead Sea fragments were discovered. This is a compilation of several separate works, most of which are apocalyptic. Its oldest portion is the Apocalypse of Weeks, written shortly before the Maccabean uprising of 167 BC against the Seleucids. The Ethiopic Book of Enoch is called a pseudepigraphical work, meaning one that is not included in any canon of scripture, outside of even the Apocrypha. The only complete extant version is an Ethiopic translation of a previous Greek translation made in Palestine from the original Hebrew or Aramaic. The Book of the Watcher, tells the story of fallen angels from Gen 6:1-4 that took wives, created the Nephilim, and taught advanced technology to mankind, ultimately leading to the great flood and their destruction. The Parables of Similitude, is an apocalyptic book about the Son of Man and the Ancient of Days. These ancient prophecies of Jesus are directly in line with

what we find in the Bible, and are remarkably similar to The Book of Revelation. The Book of the Courses of the Heavenly Luminaries is a detailed account of the stars and their functions. The Dream Visions is the prophecy of all human history, from the creation of mankind all the way to the end times and the final judgement. The past, present, and future are foretold in grand detail. The prophecy of weeks is similar to the prophecy structure in the book of Daniel. The Noah Fragments is the untold story of Noah from the Bible. We learn more about his mission to save all humanity and the struggles of his father Lamech and his grandfather Methuselah. Finally, included herein are all known fragments of The Book of Giants. Each work is independent, but all the works are bound by a common theme: the punishment of the wicked and the blessedness of the righteous.

Science Proves That God Exists William Schonfelder, 2022-11-03 When I was in school back in the aEUR(tm)60s, I was taught many things that I believed were factual and honest in truth and knowledge. As an example, that we came from monkeys and that the cavemen came from fish that walked on the land. My science teacher taught us that all things happened from a single Big Bang theory. I believed in these things that were taught to me so much as to defend them without any real information behind it other than what I was taught or shown. I even did this with my faith and religion because someone else who was more spiritual or educated than myself taught it that way. I just believed what they taught in the pulpit and on the radio. Then something happened to me that showed me that everything I believed was a lack of the aEURroeright aEUR interpretation of what the current information was trying to show me. That example is explained in this book using a closed- or open-universe theory based on the instruments of the time. When you read this book you will see what I am speaking about. The information has meaning and purpose. Information is what gets you up, creates your beliefs, and inspires you to a purpose. Information can be misused as an example in the world wars and in today aEUR(tm)s example of fake news. Certain people choose not to accept the truth they hear unless they had concrete evidence about the information only coming from the source. It is those people who seek the source that the information comes from that is rewarded with the intention that the information intended in the first place. I chose the title because of a download that came from the source aEURGod aEUR answering all of my questions in one night, wide awake, and without my knowledge of it, except my loving wife, who witnessed this download. I have learned that when I go to the source, aEURRoepurpose is defined, that created me. We must all find what that truth is and not just accept it because it was told to you that way from generations that one day decided this is how it is aEUR (quote from the book Science Proves That God Exists).
