Breathe You In: A Breathtaking Emotional Page Turner with a Twist Lily Harlem, USA TODAY REVIEWER'S RECOMMENDED READ OF 2013 Soul-aching desire was just the beginning! If the road to Heaven starts in Hell then I was ready to start climbing my way out and Ruben Strong was the man to accompany me. With his devastating good looks, seductively sexy charm and lust for adrenaline he was sure to make it a sensual and erotic experience as well as one to re-awake the passionate, throw-caution-to-the-wind woman I'd once been. I'd given Ruben something, though, without him realizing, and that gift had come from the man I'd loved before. But I couldn't tell Ruben. I had to keep that a tight secret even as our naked bodies wound together, sought out pleasure and hit the dizzy heights of ecstasy as one. Because Ruben had my husband's heart, literally, and that heart was still in love with me, so it seemed, and now I was in love with Ruben. Emotions tangled with bliss, and fears were locked away as I surrendered to the touch of Ruben's hands, the taste of his skin and the sounds of his pleasure. I couldn't deny that Ruben had brought me back to life the same way I had him and there was no way I was giving up that feeling, not for anyone.

Serialization in Popular Culture Rob Allen,Thijs van den Berg,2014-05-23 From prime-time television shows and graphic novels to the development of computer game expansion packs, the recent explosion of popular serials has provoked renewed interest in the history and economics of serialization, as well as the impact of this cultural form on readers, viewers, and gamers. In this volume, contributors—literary scholars, media theorists, and specialists in comics, graphic novels, and digital culture—examine the economic, narratological, and social effects of serials from the nineteenth to the twenty-first century and offer some predictions of where the form will go from here.
