The Woman Warrior Maxine Hong Kingston,2010-09-01 NATIONAL BESTSELLER • An exhilarating blend of autobiography and mythology, of world and self, of hot rage and cool analysis. First published in 1976, it has become a classic in its innovative portrayal of multiple and intersecting identities—immigrant, female, Chinese, American. • NATIONAL BOOK CRITICS CIRCLE AWARD WINNER “A classic, for a reason.” —Celeste Ng, bestselling author of *Little Fires Everywhere* and *Our Missing Hearts*, via Twitter As a girl, Kingston lives in two confounding worlds: the California to which her parents have immigrated and the China of her mother’s “talk stories.” The fierce and wily women warriors of her mother’s tales clash jarringly with the harsh reality of female oppression out of which they come. Kingston’s sense of self emerges in the mystifying gaps in these stories, which she learns to fill with stories of her own. A warrior of words, she forges fractured myths and memories into an incandescent whole, achieving a new understanding of her family’s past and her own present.

The Woman Warrior Maxine Hong Kingston,1981 'A brilliant memoir . . . it is about being Chinese in the way A Portrait of the Artist is about being Irish; it is an investigation of soul, not landscape, its sources are dream and memory, myth and desire; its crises are the crises of a heart in exile from roots that bind and terrorize it . . . Maxine Hong Kingston writes with bitter and relentless love. Her voice, now, is as clear as the voice of Ts'ai Yen, who sang her sad, angry songs of China to the barbarians. It is as fierce as a warrior's voice, and as eloquent as any artist's' Jane Kramer, *New York Times Book Review* 'This is a delightful book . . . tells more than I ever imagined about the strangeness of being Chinese and a woman; it also gives a superb account of what it's like simply to be alive' Victoria Radin, *New Society* 'A strange, enchanting book . . . As a manual of self-discovery through the channels and terrors of one's own rejected communal memory, it is unbeatable' Clancy Sigal, *Guardian* 'As a dream - of the female avenger - it is dizzying, elemental, a poem turned into a sword . . . reimagining the past with such dark beauty, such precision and anger that you feel you have saddled the Tao dragon and see all through the fiery eye of God' John Leonard, *New York Times* 'A book of fierce clarity and originality' *Newsweek*

Maxine Hong Kingston's The Woman Warrior Say-ling Cynthia Wong,1999-01-21 With the continued expansion of the literary canon, multicultural works of modern literary fiction and autobiography have assumed an increasing importance for students and scholars of American literature. This exciting new series assembles key documents and criticism concerning

these works that have so recently become central components of the American literature curriculum. Each casebook will reprint documents relating to the work's historical context and reception, present the best in critical essays, and when possible, feature an interview of the author. The series will provide, for the first time, an accessible forum in which readers can come to a fuller understanding of these contemporary masterpieces and the unique aspects of American ethnic, racial, or cultural experience that they so ably portray. This case book presents a thought-provoking overview of critical debates surrounding *The Woman Warrior*, perhaps the best known Asian American literary work. The essays deal with such issues as the reception by various interpretive communities, canon formation, cultural authenticity, fictionality in autobiography, and feminist and poststructuralist subjectivity. The eight essays are supplemented an interview with the author and a bibliography.

The Revelation of a Self in Maxine Hong Kingston's The Woman Warrior Julie James Rusnak,1989

Maxine Hong Kingston's Broken Book of Life Maureen Sabine,2004-02-29 The numerous studies of Maxine Hong

Kingston's touchstone work *The Woman Warrior* fail to take into account the stories in *China Men*, which were largely written together with those in *The Woman Warrior* but later published separately. Although Hong Kingston's decision to separate the male and female narratives enabled readers to see the strength of the resulting feminist point of view in *The Woman Warrior*, the author has steadily maintained that to understand the book fully it was necessary to read its male companion text. Maureen Sabine's ambitious study of *The Woman Warrior* and *China Men* aims to bring these divided texts back together with a close reading that looks for the textual traces of the father in *The Woman Warrior* and shows how the daughter narrator tracks down his history in *China Men*. She considers theories of intertextuality that open up the possibility of a dynamic interplay between the two books and suggests that the Hong family women and men may be struggling for dialogue with each other even when they appear textually silent or apart.

Maxine Hong Kingston Helena Grice,2013-07-19 Since the publication of *The Woman Warrior* in 1976, Maxine Hong Kingston has gained a reputation as one of the most popular -- and controversial -- writers in the Asian American literary tradition. In this volume Grice traces Kingston's development as a writer and cultural activist through both ethnic and feminist discourses, investigating her novels, occasional writings and her two-book 'life-writing project'. The publication of *The Woman Warrior* not only propelled Kingston into the mainstream literary limelight, but also precipitated a vicious and ongoing controversy in Asian American letters over the authenticity -- or fakery -- of her cultural references. Grice traces the debates through the appearance of *China Men* (1981), as well as the novels, *Tripmaster Monkey* (1989) and her most recent work, *The Fifth Book of Peace*. Maxine Hong Kingston will be of value to students and academics researching in the areas of diaspora writing, contemporary American and Asian- Americanfiction, as well as feminist and postcolonial literature.

Maxine Hong Kingston: The Woman Warrior, China Men, Tripmaster Monkey, Hawai'i O ne Summer, Other Writings (LOA #355) Maxine Hong Kingston,2022-05-17 The largest and most comprehensive edition of our foremost Asian American writer: three classic books and additional writings, many rare, that together offer a vivid and searching portrait of immigrant experience and American dreams. Maxine Hong Kingston made a stunning entrance on the American literary scene with *The Woman Warrior* (1976), her "memoirs of a childhood among ghosts. Not only an account of growing up poor and Chinese American in the San Joaquin Valley, it was also an audacious feat of imaginative transformation and pathbreaking work of feminist autobiography, drawing on ancient myths and the family stories her mother brought over from China to make sense of a transformed life in America. A companion to *The Woman Warrior*, which she called her "mother-book," Kingston's "father-book" *China Men* (1980) spreads out across a large geographical and historical canvas to envision the lives of her male relatives who immigrated to America. Taken together, *The Woman Warrior* and *China Men* offer a profound, kaleidoscopic, genre-defying narrative of the American experience. Kingston's third book, *Tripmaster Monkey: His Fake Book*

(1989), is the wildly inventive story of Wittman Ah Sing, a Berkeley graduate student whose experience of the San Francisco Beat scene transforms his understanding of his own Chinese heritage. Rounding out the volume are a series of essays from 1978 reflecting on her life in Hawaii, later collected as *Hawai'i One Summer*, personal musings whose subjects range from the contentions of a conference of Asian American writers to home-buying, surfing, and the work of the Beat poet Lew Welch. Also included are hard-to-find essays about the creative process and Kingston's exasperated, insightful account of how most of the reviewers of *The Woman Warrior* fell prey to lazy stereotypes about the "exotic" and "inscrutable" East.

On the Legacy of Maxine Hong Kingston Sāmi Ludwig, Nicoleta Alexoae-Zagni, 2014 This book is a collection of recent scholarship on Maxine Hong Kingston, gathered on the occasion of the very first conference ever devoted exclusively to Kingston and to celebrate her opera omnia. Featuring the work of researchers from four continents, the book represents the cosmopolitan reception of the most important Asian American author. In addition to many new angles on her two canonical postmodern autobiographies, *The Woman Warrior* and *China Men*, this collection also tackles Kingston's less frequently discussed writings and her most recent publications. Parallel readings and comparisons further test her legacy in the sense of her enduring influence on younger Asian American writers. Though it is a conference book, this peer-reviewed volume includes additional articles by selected scholars. It also contains original presentations by Maxine and her husband Earl Kingston. (Series: Contributions to Asian American Literary Studies - Vol. 7)

Understanding Maxine Hong Kingston Julia H Lee, 2018-02-28 The first book-length work to examine the entirety of Kingston's unique literary career Maxine Hong Kingston is known for using a distinctive blend of autobiography, fantasy, and folklore to explore the history, experience, and identity of Chinese Americans. This is exemplified in her first book, *The Woman Warrior*, winner of the National Book Critics Circle Award for nonfiction, a bestseller, and a staple on college and university syllabi. Although *The Woman Warrior* is by far her most celebrated book, Kingston has penned a wide range of essays, fiction, and poetry, including *China Men*, *Tripmaster Monkey*, *Hawai'i One Summer*, *To Be a Poet*, *The Fifth Book of Peace*, *I Love a Broad Margin to My Life*, and the edited volume *Veterans of War, Veterans of Peace*. *Understanding Maxine Hong Kingston* is the first book-length work to examine the entirety of Kingston's literary career, from *The Woman Warrior* to her most recent volume of poetry. Julia H. Lee weaves together scholarly assessments, interviews, biographical information, and her own critical analysis to provide a complete and complex picture of Kingston's works and its impact on memoir, feminist fiction, Asian American literature, and postmodern literature. Lee examines the influence that previous generations of Asian American authors, feminism, and antiwar activism have had on Kingston's work. Offering important contextual information about Kingston's life, Lee shows how it has so often served as a starting point for Kingston's writing. Also studied are her complex attitudes toward genre, and her ever-evolving identity as a novelist, essayist, memoirist, and poet. A comprehensive bibliography of critical secondary sources will be an invaluable resource for readers and critics of Kingston's

works.

Maxine Hong Kingston's The Woman Warrior Jacque Leibig, Maxine Hong Kingston's *The Woman Warrior* reveals the importance of her Chinese roots, the American transformation of those roots, and her own human identity. I Love a Broad Margin to My Life Maxine Hong Kingston, 2012-02-14 In her singular voice—both humble and brave, touching and humorous—Maxine Hong Kingston gives us a poignant and beautiful memoir-in-verse that captures the wisdom that comes with age. As she reflects on her sixty-five years, she circles from present to past and back, from lunch with a writer friend to the funeral of a Vietnam veteran, from her long marriage to her arrest at a peace march in Washington. On her journeys as writer, peace activist, teacher, and mother, she revisits her most beloved characters—Wittman Ah-Sing, the Tripmaster Monkey, and Fa Mook Lan, the Woman Warrior—and presents us with a beautiful meditation on China then and now. The result is a marvelous account of an American life of great purpose and joy, and the tonic wisdom of a writer we have come to cherish.
