Lee Maynard

The Cannibals Iain Lawrence, 2005 Tom Tin and his friend Midgely--with assorted juvenile criminals--escape the ship taking them to serve their terms in Australia and head for a Pacific island, forgetting Tom's father's warnings about headhunters and cannibals.

Living Among Cannibals Tom Harrisson, 1943

Cannibals eat bods Neil Raffan, 2014-03-14 Thirteen months in the life of the closest of friends. Ian Roberts and Ian Ceri are the epitome of best friends, from school days on to attendance at their home town university ... Aberdeen. Long suffering fans of the Dons a couple of years before the Alex Ferguson revolution the novel kicks off with Ian Roberts running away from home, university, his girlfriend; leaving his best friend behind. Whilst Ian Ceri's narrative handles the young men's common history as well as the downturn in their football club's fortunes Ian Roberts appears to be on the edge of a London now in transit from glam rock androgyny whilst he clings to music from the beginning of the decade. The era of Don Revie as the England manager, and as 1976 heads for its summer of summers Jaws and One flew over the cuckoo's nest are the films to see. Their mid-1970's correspondence highlights their differences as well as their shared past. Who is the cannibal, who is the bod?

Cannibal Adventure Kgt Willard Price, 1972

Battle for Cannibal Island Marianne Hering, Wayne Thomas Batson, 2012 Time-traveling cousins Patrick and Beth travel to Fiji in the 1850s, where cannibals kidnap Patrick and plan to burn down a Christian village, unless Beth and missionary James Calvert can stop them.

Flesh and Blood Reay Tannahill, 1996 Presenting a history of cannibalism, this text shows how in primitive times, human game was treated just as any other, and both the prophet Muhammed and Richard the Lionheart consumed the bodies of their enemies. Also covered are modern-day cannibals such as Chikatilo and Hannibal Lecter.

The Cannibal Spirit Harry Whitehead,2011-10-11 George Hunt has a white father and a native mother. A shaman and chieftain among his people, the Kwagiulth, helplessly he has watched them die—from disease, warfare, alcohol, despair—as their world is besieged by the arrival of the twentieth century and the encroachments of the young country called Canada. Yet he is also an assistant to the famed anthropologist Franz Boas, and a collector of native artefacts for the white man's museums. He inhabits both worlds, looking in and looking out, at peace in neither. A bear of a man, he is imposing in body and intellect, yet prone to fits of wild rage. When his son dies of tuberculosis, and he insists on performing the funeral rites of his mother's people, George provokes the fury of the missionaries and the Indian Agents, and sets in motion a chain of events that forces him to defend what is most important to him; not only with blade and rifle in the remote fastness of the northern British Colombia coast, but also with his wits and precarious dignity in a Vancouver courtroom. Masterful, unforgettable, and utterly gripping, *The Cannibal Spirit* broods with nostalgia for a passing world and pounds with relentless tension. Based on the life of the real historical figure George Hunt, this astonishing evocation of the fog-wrapped forests of the northwest coast, and the heedless bustle of the arrival of modernity in the midst of an older, beleaguered way of life, tells the story of the grappling of two civilizations in the life of one man.

Screaming with the Cannibals Lee Maynard,2003

Cannibal Country David Thompson,1998 On a trip through the swamp country along the Gulf of Mexico, Davy and his old friend Flavius meet up for the first time with Jim Bowie, a man who would soon become a legend of the West--and who is destined to play an important part in Davy's dramatic life. Neither Davy or Jim know the meaning of the word surrender, and when they run afoul of a deadly tribe of cannibals, they know it will be a fight to the death.

Life in Feejee; Or, Five Years Among the Cannibals Mary Davis Wallis,2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1851 edition. Excerpt: ... CHAPTER XIV. The National Dance--The Wedding--Death of the Princess--War with Nakelo--The Lunatic--Evil Spirits--The Alarm--Strangling of a Woman at Bau. Dec. 24. Hearing that a national dance was to be performed this evening by Retova and a part of the Geer tribe, who have lately arrived at Bau from Mathuata, and being desirous of witnessing it, I repaired to Bau about noon, in company with Mr. J. Reese, an assistant printer in the employ of the mission at Vewa. We first called at the house of the king, and found all the household engaged in preparing for the nuptials of the king's daughter with Navinde, which was to take place on the following day. The bride elect was receiving presents from the people of her tribe, consisting of mats, native cloth, sweet scented oils, baskets, beads, paint, scissors, knives, and many other things which Feejeeans value. Several hundreds of mats and bales of cloth, testified to the lady's rank, and the liberality of her people. We then called at the house of Tunitonga to see the princess, my little namesake, who, I had been informed, was sick. We found her very ill; indeed, she was probably dying. Her nurse desired me to present some vermilion to paint the little body after death. Two whales' teeth were placed at the feet of the child. When a child of rank dies, it is the custom to strangle one or more of its nurses to accompany it to the spirit land, as all Feejeeans have a great horror of dying alone. The spirits of the whales' teeth go with their spirits, while the teeth themselves are buried with the bodies in the grave. When the souls arrive at the spirit land, the nurse throws the teeth at a big dog, or some huge animal that may be standing in their way, because, if they had nothing to frighten...

Sawney Bean Blaine L. Pardoe,2015-01-14 Sawney Bean: Dissecting the Legend of Scotland's Infamous Cannibal Killer Family is the first major non-fiction historical investigation to explore one of the most heinous crimes in 16th-century Scotland, the legend of Sawney Bean and his cannibal family. For centuries, the story of Bean and his clan are part of Scotland's folklore. According to the legend, the family lived in a cave and preyed on travellers. When a survivor allegedly escaped to tell the tale, James I sent an expedition to capture the cannibals. They were supposedly found in their cave with the pickled remains of their victims. But was the story of the Galloway cannibal killers true? Using a wide range of research material, this infamous legend of horror will be taken apart and how the myth became accepted as reality will be explored in detail. True crime author and historian Blaine Pardoe tackles this legend, peeling the truth out of the fable and detailing the influence of this myth on popular culture such as the infamous splatter movie *The Hills Have Eyes*.
