Directory of World Cinema: Britain 2 Neil Mitchell,2015-01-01 The first volume of the Directory of World Cinema: Britain provided an overview of British cinema from its earliest days to the present. In this, the second volume, the contributors focus on specific periods and trace the evolutions of individual genres and directors. A complementary edition rather than an update of its predecessor, the book offers essays on war and family films, as well as on LGBT cinema and representations of disability in British films. Contributors consider established British directors such as Ken Loach and Danny Boyle as well as newcomer Ben Wheatley, who directed the fabulously strange *A Field in England*. This volume also shines the spotlight on the British Film Institute and its role in funding, preservation, and education in relation to British cinema. A must read for any fan of film, the history of the United Kingdom, or international artistic traditions, *Directory of World Cinema: Britain 2* will find an appreciative audience both within and outside academia.

MidLife Solo Beth Kaplan,2024-02-14 These essays — moving, engaging, and deeply personal — explore the themes of family responsibility, growing up, and growing older. As the author, a divorced single mother beginning a new life and career in her forties, delves into the details of her own situation, she illuminates universal truths about what matters most: love, fulfillment, and the pain and necessity of huge change. These pieces about a woman in midlife struggling to come into her own in a complicated world are rich in insight and written with warmth, humour, and clear-eyed, sometimes devastating,

honesty." Over a ten-year period, more than fifty of my essays appeared in newspapers, magazines, and on CBC radio, read by me. These intensely personal stories were published or broadcast on air almost as soon as I'd written them. For this former actor and lifelong diarist just beginning to emerge as a writer, they were a wonderful combination of writing and performance; the feedback I received sounded like applause. But those years, from the mid-1990s to the mid-2000s, were difficult. I was the single mother of two teenagers, struggling to make a living and find a new path through the world. Beth Kaplan
