Her old friend Manca is out now too, and they've started a business - FFF, or Females, Fumigation, and Flies - dedicated to pest control and private investigation, by women, for women. *Critical Restorative Justice* Ivo Aertsen, Brunilda Pali, 2017-11-16 Theories and practices of justice do not meet the socio-political challenges of our times. For those theorists attempting to develop an alternative to the criminal justice system, restorative justice has provided an alternative horizon. The restorative justice approach involves meeting people, understanding and recognising their vulnerability through participatory and deliberative forums and practices. The aim of this collection is to bridge the distance between restorative justice and the critical theory tradition. It, on the one hand, takes into account the limits of restorative justice as they have been articulated, or can be articulated through critical social theory, and on the other hand emphasises the ground-breaking potential that restorative justice can bring to this tradition as a way

to address crimes, conflicts and injustices, and to pursue justice.
